Mr. and Mrs. Conrad Wigen and Mr. and Mrs. George Hendrickson left Friday evening for Mahnomen.

Mr. and Mrs. Neil Sovde arrived Saturday to make their home in Wm. Hanson's residence. Neil will resume work as assistant in the elevator after being honorably discharged from the military service. At the time he left he was single but we welcome him back and wish them lots of happiness and good fortune.

Mr. Albert Stromlund has accepted a job as manager of the Farmer's Union Elevator in Donaldson but his family intends to stay here until the school term is over.

Mr. and Mrs. Leroy Anderson are spending a few days in Elk River visiting at the home of their son Jerome Anderson.

Mrs. Andrew Boen took his wife to Drayton, N. Dak. Saturday where they were met by their son Wallace, who took his mother with him to his home at Allen, N. Dak. to get acquainted with his new son.

Mr. A. Boen says he will be shipping cattle May 24th.

E. R. Andersons report Rodney Kittelson is still a patient at the Orthopedic Hospital after his severe burns from the gasoline explosion three months ago. They have been grafting skin on his legs. They also visited and drank coffee with the Willys Stennes', Gust Holmlund's, Ed Ramstads, Albert Lofstrom at his daughter's home and Mrs. J. Ingersall and family. Mrs. Ingersall by the way, is a sister of E. R. Anderson.

Mrs. E. R. Anderson also spent a week visiting relatives and friends at Longview and Klickitat, Wash. Also with the Emmanuel Isaacson's at Jefferson, Ore.

Mr. and Mrs. Harold Anderson and Ricky and Mr. and Mrs. E. R. Anderson were Sunday afternoon visitors at the Walter Czeh home in rural Thief River Falls.

Some of the Bethesda Lutheran Aid members gave a program of musical numbers and readings in both the English and Swedish languages to the residents of the Good Samaritan Home in Warren on Sunday afternoon. They also brought refreshments with them. The afternoon was enjoyed by all.

Mr. and Mrs. Ingvald Rokke and sons and Miss Ottina Rokke were among those who attended the silver wedding of Mr. and Mrs. Oscar Rokke in the Bethesda Church on Sunday.

Mr. and Mrs. Noman Hahre of Minneapolis visited with Ottina Rokke Saturday evening.

Mrs. William Hanson received a telephone message Sunday morning that her daughter, Mrs. Robert Olson was hospitalized. She left Monday evening for Virginia to help care for the children.

Mrs. Cameron Thibodo Fortunate in Accident

Mrs. Cameron Thibodo of Stephen, experienced what could have been a serious accident, Sunday evening. She was on her way to Strandquist to get her mother and sister and continue on to Lake Bronson where the wedding of Kennard Paulson and Nadine Bergstrom was to take place at 7:00 p. m. Three miles west from Strandquist the car door on the drivers side jarred open and while making a quick grab for the door, which was caught by a gust of wind causing her to lose her balance and fall out of the car.

The driverless car, with her two small girls, hit the ditch, but for some miraculous reason did not upset. The children were not hurt.

Mrs. Thibodo, who rolled some distance on the muddy gravel road was a mess but fortunately got by with a stiff neck and shoulder.

Paul Wildbski arrived on the scene very shortly after the accident and after satisfying himself that no one was seriously hurt drove over to Julius Kleinvachters' farm home and Julius with a tractor and chain pulled the car out of the ditch.

Mr. and Mrs. Lester Walton had arrived in the meantime and Mrs. Walton accompanied her the remaining distance to Strandquist.

Needless to say we missed the wedding, especially after Diane said, "You dont' look very pretty for a wedding, mommy."

Joel Simonson is all through hauling water for his household and livestock. Algot Larson, the Warren well driller, struck a strong water vein at 220 feet. The water is so soft and clear and rises 18 inches above the ground. A ¾ inch paddle pump operating at 1750 RPM's is unable to lower the water below ground level.

Spring is here! Mrs. Lee Kimbrough who navigates south to Florida every fall is home again arriving last Monday evening.

Mrs. John Paulson and Lyle of Stephen spent Monday afternoon helping dispose of some of the Willys Stennes belongings. Lyle has a strong inclination to go back to the Seattle climate.

The picture of 4-H music winners in a Detroit paper are well known in this community and we congratulate them on their success. Quote, "Twin sisters walked off with the honors in the music division of the annual county 4-H play and music contests held Saturday at the auditorium." They are Kathryn and Kathleen Veselka, 13, foster daughters of Mr. and Mrs. Morris of Burlington township. The girls sang their club pep song and "Mocking Bird Hill." They will represent the county in the district contest during Club Week at Crookston.

Princess Aspirants for Marshall County to Be Judged May 28

Marshall county creamery managers have elected Verney Evenson of Viking as chairman and Vernon Stardig of Middle River, secretary, to manage the county Dairy Princess contest. The contest will be held in Newfolden at 2:00 p. m. on Saturday May 28. All interested girls are to contact their local creamery manager to enter this contest. Four-H clubs are asked to send delegates as in past years but should note new 17-21 year age requirement.

Irvin Tvedt of Newfolden is in charge of the dairy lunch which is planned for the afternoon as part of the judging.

Girls participating in the contest should be dressed in street attire. Formals will be worn at the district finals to be held on June 14 at Thief River Falls.

Last year Marshall county's candidate, Carol Nicholls, McCrea 4-H club, placed as an attendant at Northwest Dairy Day. In 1953 Betty Ranstrom of the Vega 4-H club was crowned Princess.

Some changes have been noted in the Dairy Princess contest in 1955, according to Paul Beckel, Marshall county 4-H club agent. In past years the contest was sponsored by the county 4-H clubs throughout Minnesota. The new rules for this contest are as follows:

She shall have been a bonafide resident of the State of Minnesota for at least five consecutive years. She will preferably have a farm background or be familiar with farming through 4-H work or similar activities. It is not required that she be a farm resident.

She shall be between the ages of 17 and 21, inclusive, and shall have finished high school by the end of the 1955 school term.

She must be single, must never have been married and must not be a professional model.

State Bankers to Convene June 13

Annual Convention Is Slated in Minneapolis

About 1,500 representatives of banks in Minnesota are expected for the 65th annual convention of the Minnesota Bankers association June 13 to 15 at the Radisson Hotel in Minneapolis.

Speakers on the second day will include Warren E. Burger, assistant United States attorney general; Dr. Charles W. Mayo, Rochester, UNESCO delegate, and W. J. Klein, vice president, Allis-Chalmers Co., Milwaukee, Wis.

Slated to appear at closing day sessions are Mrs. Ivy Baker Priest, treasurer of the United States, and Lewis G. Castle, administrator of the St. Lawrence Seaway development.

William G. King, Grand Rapids, Minn., is president of the bankers' group.

Winthrop Youth Elected Head of Future Farmers

Minnesota's Future Farmers of America elected officers for the coming year last Wednesday. The FFA held its silver anniversary convention on the University of Minnesota's St. Paul campus Monday through Wednesday.

The new officers are: Jack Morris, 18, Winthrop, president; Larry Perkins, 18, Red Wing, sentinel; Sheldon Lukes, 18, Austin, secretary; Patrick Flynn, 17, Alexandria, treasurer; Peter Balfe, 19, LeCenter, reporter; Kenneth Ozment, 18, Forest Lake, first vice-president.

District vice-presidents include: District I, Noel Estenson, Climax.

WORLD OF TOMORROW

It's a fascinating thing, that globe. As they twirl it, Ken and Johnnie speak of the places they'd like to visit, the things they'd like to do. All the wonders they've ever heard of come to life for them, and it's as if they could actually shut their eyes and see the Taj Mahal, in its Oriental splendor, and the Tower of Pisa slanting across the Italian sky.

But it's a frightening thing too, that globe, shadowed by war and the threat of war, intolerance, superstition. Out of its darkness, a single light burns brightly, the light of FAITH . . . kindled across its face by the Church. Ken and Johnnie . . . and all the other youngsters in their generation . . . need the guiding hand of the Church if they are going to succeed in making that globe a better world in which to live.

THE CHURCH FOR ALL . . .
ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

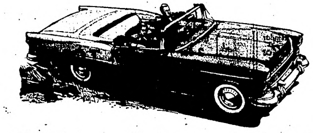
Magnificently alive!



Alive in looks

Only car in its field with Body by Fisher

You can't get any more life in automobile styling than Chevrolet's "Body by Fisher." Those three words say all the nice, reassuring things you can say about automobile bodies. "Body by Fisher" is found in many of America's most luxurious cars.

Alive in power

A new V8 and two new Sixes reach new highs in horsepower and performance

You certainly want life in your engine. And with the choice of power-thrillers that Chevrolet offers you this year, you've got what it takes to carry you into a whole new world of motoring confidence and pleasure. How about trying the V8 soon?

Alive in features

Never found on a car of Chevrolet's price before

Anti-dive braking that means heads-up stopping. 12-volt electrical system delivers twice the punch. Ball-Race steering makes steering and parking easier. But try these things for yourself. Telephone or come in and let us arrange a demonstration soon.

Final Details for 6th Northwest Dairy Day June 14 Are Arranged

Berry Akers, Chairman Dairy Month Observance, to Talk at Smorgasbord

Final details in connection with the sixth Northwest Dairy Day to be held Tuesday, June 14, in Thief River Falls were taken care of at a meeting in the host city last Thursday afternoon, attended by members of the board of directors of the Northwest Dairy Improvement association, sponsor of the event.

Stuart McLeod, president, stated that on the basis of advance reports from county agents in nearly a dozen participating counties, the list of calf entries will approach last year's figure of 301, and the quality will be substantially higher. Many [illegible] he said, have asked for additional entry blanks.

Each of the counties already has picked, or will shortly select its entries in the Dairy Princess contest. Assisting in the contest on Dairy Day will be the past winners of the event and Eleanor Maley, who is serving as this year's state Princess Kay of the Milky Way.

[illegible]

[illegible] will serve again this year, including Ralph Wayne, U. of M. [illegible] third judge will be [illegible] shortly.

The annual parade of calves, princess contests and several [illegible] will be followed by a smorgasbord in the tourist park, at which all exhibitors and their parents will be present. A short talk will be given by Berry Akers, editor of the Farmer magazine, and state chairman of June Dairy Month. The public is invited to be present for the presentation of awards to prizewinners following the dinner.

Chief prize to be presented to Kenneth Anderson, of Hallock, who showed the reserve grand champion grade animal at the 1954 event, will be an outstanding Holstein calf selected by W. S. Moscrip, famed dairy authority, from the Lincoln Schroeder Holstein herd of Olmsted county, which has an average production of 540 pounds of fat. The dam placed first at the Minnesota state fair in [illegible].

Guests at a noon luncheon in the Elks club rooms on Dairy day will be county agents of the cooperating counties, who are devoting a great deal of effort to making the occasion a success; and area bankers, who have lent their financial support to the event.

Mayor Israelson Accepts Traffic Award Given City

Presentation Is Made at Governor's Dinner in St. Paul Wednesday

A handsome bronze plaque, recognizing the record of Thief River Falls in winning first place in its population class in the 1954 traffic safety contest in Minnesota, was presented to Mayor Agnes Israelson at the Governor's Awards dinner last Wednesday evening in the St. Paul Hotel, St. Paul.

The plaque awarded to this city for leading in traffic safety among communities in the 5,000-10,000 population class, is now on display in a window at the Northern State bank. Other winners in their respective population class were Minneapolis, Austin and Two Harbors.

Mayor Israelson said that credit for this city's outstanding achievement should be shared by local motorists, the police department and the school patrol sponsored by the American Legion post.

Real Estate Tax Is Due by May 31

Owners of real estate in Pennington county were reminded this week by County Treasurer A. R. Jelmerud that the first half of 1954 real estate taxes is due and payable before Wednesday, June 1. A penalty will be imposed on delinquent payments.

4-H Members Are Asked to Register for '55 Club Week

4-H Club members who are planning to attend District 4-H Club Week at Crookston June 22 to 24 are urged to send their names to the county extension office as soon as possible. The county quota this year is 65 clubbers. Cost for room, board, and health insurance is $4.30, and transportation charges are $1.00.

Hospital Has Excess of $3,506 in Revenue over Expenses in '54

The annual meeting of the Northwestern Hospital association was held Monday evening, May 23rd, in the dining room of the hospital. L. B. Hartz, president of the board of trustees, presided. A relatively small number of [illegible] members were in attendance.

The financial report for the fiscal year was presented by Frank Zinkel, treasurer. The report showed a total income of $251,644 for the period from May 1, 1954, through April 30, 1955. Expenditures for the period were $248,137. Excess of revenue over expense was $3,506.92 or approximately 20c per patient day. Total building fund assets at the end of the fiscal year were $1,082,329, with fixed assets in the form of land, construction costs, and equipment equalling $938,822.48 of the total.

The report of the treasurer also pointed out that there had been 2811 admissions during the year and that 448 babies had been born in the hospital. Adult beds now available are 112 with 16 bassinets and four baby incubators. Total full time help as of April 30th was 84 with 15 part time employees. Expense per patient day was $20.14.

Norman Peterson, secretary of the board and chairman of the personnel committee, reported on steps taken by the board in the direction of improvement of the work week, salaries, and personnel policies of the hospi- construction differences between the old hospital plant and the new. The completed new structure and remodeled area have a cubic footage of 637,000 as compared with only 191,000 in the old St. Luke's Hospital. Hot water supply has increased from 550 gallons to 2500 gallons. Sterilizing units have increased from 7 to 13 and a large number of other equipment units have been installed which require extra steam. A greatly increased water supply is also necessary because of the installation of air conditioning in the operating room and delivery room areas and additional ventilation throughout the building. As a result of these changes there has been a necessary increase in operating expense in the amount of 56c per patient day.

Mrs. Cecilia Humes, physical therapist, reported on the new set up and equipment of the physical therapy department of the hospital. There are now three rooms on the ground floor adapted for this purpose. The rooms are equipped with a whirlpool bath, a shoulder wheel, an adjustable stationary bicycle, dumbbells, and a num-

Silver Jubilee of Rev. K. Patnode to Be Observed June 1

St. Bernard's Catholic Church Congregation Will Honor Its Pastor

St. Bernard's parish will celebrate the silver jubilee of its pastor, the Very Rev. Keough Patnode, on Wednesday, June 1. That date marks his priestly ordination twenty-five years ago by the Most Reverend Joseph Busch, late bishop of St. Cloud. Previous to ordination, Father Patnode studied at St. Lawrence College, Mt. Calvary, Wisconsin; St. Boniface College, St. Boniface, Manitoba; and St. John's Seminary, Collegeville, Minnesota.

Named pastor of St. Bernard's and dean of the Thief River Falls deanery in 1952 by the Most Reverend Francis J. Schenk, Bishop of Crookston, Father Patnode came to his new assignment from the pastorate of St. Francis Xavier Church in Oklee.

Clergy of the diocese, and relatives and friends will join Father Patnode in offering an anniversary Mass at 10:30 a. m., followed by a dinner in his honor. In the evening parishioners and members of the community will gather to felicitate him with a program and a reception in the church basement.

Meeting of Group to Aid Retarded Set for Tonight

The second meeting of a group of parents being organized to work for the welfare of retarded children will be held this evening (Wednesday) at 8 o'clock at the Morris Odegaard residence. All interested persons are invited to attend.

Plan Brown Swiss Show Here June 4

Canton 7 of the Minnesota Brown Swiss Breeders association is completing arrangements to exhibit approximately 50 outstanding cattle at its annual show Saturday, June 4, from 10 a. m. to 3 p. m. on the old Central school grounds in Thief River Falls. Wilhelm Haugen of Argyle, secretary, stated that there will be judging contests with prizes for 4-H, FFA and adult groups.

Stuart McLeod Tells How Idea of Dairy Day Has Spread from This City

Reporting on plans for the sixth annual Dairy Day to be held in Thief River Falls Tuesday, June 14, Stuart McLeod, general chairman of the event, told members of the Chamber at a dinner meeting Thursday evening that since the first Dairy Day was held here in 1950, the idea has proved so popular that last year it was copied in 17 Minnesota communities, while as many as 40 are planning similar events this year.

McLeod also asked that local businessmen volunteer to help with details of the smorgasbord supper to be served in the tourist park the evening of Dairy tal's nursing service. The 40 hour week will go into effect for the nursing service as of June 1st. Other changes in salary schedules and vacation policies will place the hospital in line with similar policies of nine other hospitals in this immediate area.

Fred Endres, chief engineer of the hospital, reported on the

Nearly 500 People from Canada Are Week-end Guests

Local police estimated that approximately 130 automobiles brought nearly 500 Canadian people to Thief River Falls last week-end, Monday having been observed as Victoria Day, a holiday in Canada. Altho a drizzling rain handicapped activities Sunday, numerous visitors enjoyed the local parks. Returning home Monday, cars were well loaded with packages of merchandise bought while here. The Chamber of Commerce office assisted scores of visitors in finding accomodations in private homes.

Wm. A. Walters Is New President of Community Chest

Soo Train Dispatcher Elected Thursday to Succeed R. J. Dryden

Wm. A. Walters, Soo Line train dispatcher, was elected to succeed R. J. Dryden as president of the Pennington County Community Chest at the organization meeting of the board of directors last Thursday evening. Mrs. George Baken was named vice president.

Mrs. M. R. Levorson, who has devoted a great deal of time and energy to her duties as secretary the past several years, tendered her resignation, but the board voted to table it and is seeking to persuade her to reconsider.

The new policy of the American Red Cross, relative to joining in Community Chest campaigns, was discussed, but no action was taken pending further investigation.

Also discussed was the 1955 fund campaign, which will open in Pennington county early in October. Chairman of the drive will be announced later, by President Walters.

County 4-H Talent Search Slated for City Friday Night

The annual 4-H Search for Talent contest will be held in Pennington county on Friday evening, May 27, County Extension Agents Marge Olsen and Bill Penning announced. The event will take place in the city Auditorium at 8 p. m.

4-H club members will compete in the county contest for the right to enter the district contest being held at Park Rapids in July. The winners in the district contest will take part in the state contest, held during the State Fair in the Twin Cities. Entries may include vocal, and instrumental music numbers, imitations and readings, as well as miscellaneous talent numbers.

Being held in conjunction with the talent event is the annual 4-H good grooming contest. Contestants will be divided into four groups for judging: boys and girls 12 and under, and boys and girls 13 and over. Judging of the good grooming contest will begin at 7:15, and winners will be introduced following the talent contest. Good grooming winners will compete in the district contest held at Club Week in Crookston in June.

The public is cordially invited to attend this 4-H event. There will be no admission charge

500 Inspect Oakland Park Home Sunday

Visitors Impressed by Attractive Appearance of Local Institution

Nearly 500 persons from thruout Northwestern Minnesota registered at an open house Sunday at the Oakland Park rest home despite a drizzling rain that fell during most of the afternoon.

The visitors, many of whom inspected the institution for the first time, commented on the excellent facilities, the immaculate condition of the property and the beautifully landscaped surroundings. Supt. and Mrs. Donald Brandvold had arranged for members of the staff to escort visitors on a tour of the home.

Due to the rain, a short program which had been scheduled out-of-doors was held instead in the chapel in the basement with Robert J. Lund in charge.

Following the invocation by the Rev. Walter M. Pedersen, Andy Erickson of Badger, chairman of the executive board, stated that its aim is to operate the institution as efficiently and economically as possible. Also introduced were other members of the board including Carl R. Anderson of Pennington county, vice chairman; and Roy Edman of Marshall county. Omer Houle of Red Lake county is the fourth member and secretary.

Supt. Brandvold spoke briefly, complimenting his staff for its good work, and pointing out some of the problems involved in caring for the aged. Miss Laura Hegseth, representing the state department of health, commended the action of the four counties in changing the institution from a tuberculosis sanatorium to a home for the aged.

Principal speaker was John W. Poor, director of old-age assistance of the state welfare department, who stated that Oakland Park rest home is one of the finest of its type in the entire state. As evidence of the need for homes for the aged, he cited the fact that ten per cent of the nation's population is now over 65 years of age. He said the need for rest homes, particularly outside the Twin Cities, is acute, and that church and fraternal groups should be encouraged to establish such institutions.

The program closed with the benediction by the Rev. Keough Patnode.

During the afternoon, coffee and cookies were served to the visitors by Mrs. J. E. Bloomquist and Mrs. Wm. Walters, assisted by the culinary staff of the home.

Sunnfjordlaget Will Meet in TRF June 17, 18 and 19

The Sunnfjordlaget, comprising a group of natives of Norway and their descendants living in Minnesota and adjoining states, will hold its 1955 gathering in Thief River Falls June 17, 18 and 19, it was announced today by Beril B. Hammer and Mrs. O. O. Hafdal of the committee on local arrangements. They added that Trinity church will provide a meeting place for the sessions, and that headquarters will be maintained at the Pennington Hotel.

Several Cases Are Given Jury Trial in District Court

Damages Awarded to Neither Side in Auto Mishap Case Last Week

District court sessions are now in their second week in Thief River Falls, with the prospect that the remaining jury cases will be disposed of by the end of this week.

The four automobile accident cases that were consolidated into one for trial last week resulted in a verdict by the jury that there was contributory negligence on both sides and that there should be no recovery. Parties in the action were Wiener Top & Body Works, John Geske, Harold J. Geske, Einar Urdahl and Henry Michaelson.

In the case of George Seeger vs. Wm. B. Reese, a verdict of $800 for the plaintiff was returned. The case of Viola M. Johnson vs. Irving M. Strandell was settled out of court Monday.

Getting under way Tuesday was the case of Thomas Kowalski vs. David Drotts and Raphael Sherlock. The case of Lars Hylden vs. Melvin Joppru will complete the calendar of civil cases scheduled for jury trial, with one criminal action remaining to be heard.

Polio Shots for First & 2d Graders Put Off

The Salk polio vaccine shots, which late last week had been rescheduled to be administered to first and second grade pupils today, have been postponed until further notice. It was announced in a statement Monday by Dr. Dan Greene, city health officer.

The Parke Davis vaccine, which arrived here last week, will be held here for the present, pending developments, Dr. Greene stated.

His bulletin reads, "Because of conflicting information received from the National Foundation for Infantile Paralysis, the Minnesota State Medical association has advised that the polio vaccination program be temporarily discontinued. There is a question whether it is safe to proceed with the polio season so close at hand.

"No first and second grade inoculations will be carried out at this time. After a complete study of the vaccine and its associated problems, it is planned to continue with the inoculations at a later date."

Numerous local parents, he added, have expressed concern over the possible effects of the vaccine in view of reports from California and other states where children had been inoculated earlier.

Surgeon Gen. Leonard Scheele announced Tuesday in Washington that the government has confirmed the safety of all Salk polio vaccine produced by drug companies except possibly two lots made by Cutter Laboratories, Berkeley, Calif.

There was no immediate indication, however, of when the stalled immunization program would be resumed.

Scheele, in a statement at the close of a meeting of government and other polio experts Tuesday, said that there is "strong presumptive evidence that there was a cause and effect relationship" between certain cases of paralytic polio "and the use of two lots of Cutter vaccine out of nine released."

Rev. Pedersen to Be Baccalaureate Speaker Sunday

Local Pastor to Speak to 141 Lincoln Seniors in School Auditorium

The 141 Lincoln high school seniors who are candidates for diplomas, together with relatives and friends, will attend baccalaureate services in the school auditorium next Sunday evening, May 29, at 8 o'clock.

The sermon will be preached by the Rev. Walter M. Pedersen, pastor of Zion Lutheran church. Two hymns sung by the audience will complete the program, which will open with the processional march played by Dalys Kellberg, sophomore student, and will close with the recessional.

Commencement exercises will be held the following Friday evening, June 3, in the Lincoln gymnasium, with the Rev. Paul H. Engstrom, member of the state parole board, as the guest speaker.

Implement Men to Hold Regional Meeting in TRF

More than 100 implement dealers and their employes are expected to attend a regional meeting of the Minnesota Implement Dealers association Wednesday, June 15, in the Legion club rooms in Thief River Falls. B. E. Sandberg of Granite Falls, state president, will conduct the meeting, which will open at 2:30 and will be followed by a dinner at 6:45.

Memorial Day Rites Scheduled Monday at 11 in Riverside Park

Judges Named in County Princess Contest May 28

Nearly a dozen local girls, each sponsored by a service club or other organization, will compete Saturday afternoon for the honor of being the three Pennington county candidates in the Northwest Dairy Day princess contest to be conducted in Thief River Falls Tuesday, June 14.

The girls will assemble Saturday at 1 o'clock in the council chamber in the Auditorium, where they will be judged by a committee including Mrs. John Stewart, Rudy Mehlhoff and Don Olson, manager of KTRF.

Each of the contestants will receive a corsage, and lunch will be served following the judging.

Bemidji Pastor Speaker; Parade from Auditorium to Precede Exercises

Memorial Day exercises in Thief River Falls next Monday morning, May 30, will be held in a new setting in the Riverside tourist park amphitheatre, and in case of favorable weather they will be conducted in the adjoining National Guard armory.

For many years the rites have been held in the Elks memorial park, but the new location has the advantage of ample car parking facilities.

Sponsored this year by the American Legion post, with the cooperation of the VFW post, the exercises, which will start at 11 a. m., will be preceded by a parade to the park, forming at the Auditorium at 10:30.

The procession will include the Legion municipal band, Company F of the National Guard, Gold Star parents, former service men and the Legion and VFW color guards. Gold Star parents are asked to contact Mrs. George Baken.

Harold M. Johnson, commander of the Legion post, will preside over the exercises, which will open with selections by the band, followed by the invocation by the Rev. Eugene Connelly, assistant pastor at St. Bernard's church, and a vocal solo by Dave Vaaler.

The address will be delivered by Dr. Clarence W. Richardson, Methodist minister in Bemidji, who served as an army chaplain in the Southwest Pacific area in World War II.

Following the address, Jack Quesnell will offer a tribute to the unknown soldier, and wreaths will be laid by Mrs. John Lang and Mrs. L. W. Perkins, presidents respectively of the Legion and VFW auxiliaries. Company F will salute the colors.

The band will play "The Star-spangled Banner", followed by another solo by Dave Vaaler. The rites will close with the benediction by Father Connelly, the sounding of taps by Kenneth Benoy, and the echo by Jack Helsing.

Miss TRF Contest Is Launched Here by Junior Chamber

Girls Asked to Get in Touch with W. Kavanaugh; to Be Crowned June 11

Thief River Falls Jaycees again this year will select a Miss Thief River Falls to represent this city in the Aquatennial Queen contest in Minneapolis late in July, Walt Kavanaugh, committee chairman, announced this week.

He added that candidates must be 18 years old by July, and he asked that parents of college girls call him at 1327 if their daughter would like to compete.

The local winner will be presented Saturday evening, June 11, at the Elks state convention banquet. She will receive an expense-paid trip to the Aquatennial in addition to a $50 wardrobe allowance.

Piano Pupils Present Private Recital Sunday

The piano pupils of Mrs. Max Jensen met Sunday afternoon at the home of Mrs. Jensen where they held a private piano recital.

Upon arrival at Mrs. Jensen's studio, a group picture was taken of the class after which private piano recordings of the individual student and groups of students were taken. Many novelty numbers were recorded using both piano and organ. Also included in the program was a young piano pupil, 5 years of age, as well as students accompaniment solo and group singing.

Students participating were from this city, Oklee, River Valley, Smiley township, Goodridge and St. Hilaire.

After the pupils had completed their particular recording Mrs. Jensen presented each with a miniature gold piano pin.

The afternoon ended with refreshments served to the class by Mmes. Edward W. Brezney, Herb Hartje, Sherman Idso and Oliver St. Martin.

Marvin Erickson Claims Mary Anne Fimrite As Bride

Marvin D. Erickson claimed Mary Anne Fimrite as his bride at a simple single ring ceremony Saturday, May 14, performed by Rev. Walter M. Pedersen at the Zion church parsonage.

Miss Fimrite is the daughter of Mr. and Mrs. Andrew Fimrite of Highlanding and Mr. Erickson is the son of Mr. and Mrs. John Erickson also of Highlanding.

The bride wore a white linen dress with white accessories and an orchid corsage. She was attended by Mrs. Emil Hanson and Mrs. Obert Johnsrud both of Chisholm. They wore pink and blue dresses with white accessories respectively. Their corsages were of mixed flowers.

Mrs. Fimrite, mother of the bride, chose a light blue suit for her daughter's wedding. The mother of the groom wore a blue dress. They both wore mixed corsages.

A reception, with a buffet style luncheon was served at the home of the bride's parents following the ceremony. The wedding cake which centered the table was baked by Mrs. Erickson, mother of the groom. Clarice Rolandson, Kathy Geving, Janice Nelson, Marilyn Sigerud and Carol Anderson were the waitresses.

Following their return from their wedding trip to Bemidji the couple are now residing in this city where Mr. Erickson is employed as a mechanic for Land O'Lakes.

Arlette Kleinvachter of St. Paul, daughter of Adolph Kleinvachter of this city, was united in marriage to Albert Friedlander also of St. Paul, Saturday, May 14 in St. Bernard's Catholic church. Father K. Patnode performed the double ring ceremony at 10 o'clock in the morning in the presence of 100 friends and relatives.

Beverly Kleinvachter, sister of the bride presided at the organ for the traditional nuptial music.

The bride, given in marriage by her father, was attired in a Chantilly lace and net over satin gown with long tapered sleeves and mandrian collar. She carried a white gardenia and white carnations on a white prayer book.

Attending the bride was Mrs. James Kleinvachter of Crookston and Ivadell Kleinvachter. Their gowns were of pink and blue net over taffeta with jackets. They carried white gardenia and carnations on white prayer books.

James Kleinvachter of Crookston and Dennis Kleinvachter of St. Thomas College, St. Paul, were the gentlemen attendants.

A wedding dinner was given in the church parlors following the ceremony.

Mr. and Mrs. Friedlander will make their home at 701 Laurel avenue, St. Paul, June 1.

Barbara Bjorkman Awarded Trip to Europe Next Year

St. Olaf College Student One of 42 Minnesotans to Get Study Assignments

Barbara Bjorkman, student at St. Olaf college, Northfield, and daughter of Mr. and Mrs. Laurence Bjorkman of Thief River Falls, is one of 42 Minnesota university and college students who have been chosen to study in foreign countries in the summer of 1956 under the Student Project for Amity among Nations (SPAN).

The students, who will be accompanied by faculty advisors, will study in Great Britain, Venezuela, George and Benelux-Saar countries.

Miss Bjorkman has been assigned to the Benelux-Saar area, including Belgium, the Netherlands, Luxembourg and the Saar districts.

The 1956 Spanners will begin intensive study in language, history and contemporary problems concerning their respective countries.

A total of 56 students will be studying this summer, 1955, in foreign countries under SPAN.

Two Naturalized in City Thursday

Mrs. Joe Mead, Mrs. Arthur Olson Become Citizens

At an impressive ceremony of naturalization last Thursday afternoon, Mrs. Joe Mead and Mrs. Arthur S. Olson took the final oath of citizenship. Judge Paul Lundgren administered the oath upon the recommendation of C. B. McConnell of the immigration and naturalization service.

Upon receiving their final papers, they were reminded by Judge Lundgren not only of their God-given privileges under our form of government, but also their solemn duties to their adopted country.

In behalf of the American Legion auxiliary, Mrs. John Lang, unit president, gave a short talk of welcome to the new citizens and presented them with the American flag.

Unit Americanism Chairman, Mrs. Olaf Dahlen, assisted by Mrs. Charles Rodekuhr and Mrs. Ormond Johnson served lunch in the Woman's club rooms to all present at the service.

Special Navy Day Celebration at Argyle Tuesday

Tuesday, May 31, has been set aside as a "Special Navy Day" in Argyle. Nine local youths will leave Argyle at 4 a. m. on May 31st for Navy pre-enlistment examinations in Fargo, N. Dak. Upon completion, the young men will be returned to Argyle where they will be honored guests of the village for the day.

During the special ceremonies to follow, they will be treated to a farewell dinner by the Lion's Club in the American Legion club room. From there they will proceed to the Argyle village hall where the "Knights of Rhythm" will open the "swearing-in" ceremony with the "Star Spangled Banner." Lt. Cdr. R. F. Reed, commanding officer of the Fargo Navy Recruiting Area, will then administer the oath.

Upon completion of the ceremony, the Argyle American Legion Post will present the Navy's most recent recruits with their very special "uniform-of-the-day," and then there will be dancing for everyone.

South California TRF Picnic June 12

The annual Southern California picnic for former residents of the Thief River Falls community will be held Sunday, June 12, at the Miles av. park in Huntington Park, California, Alv Vistaunet, secretary, announced this week.

W. C. T. U. News Notes

The Woman's Christian Temperance Union of Thief River Falls met on Friday evening at Our Saviour's Lutheran Church.

The election results were as follows: President, Mrs. Tarkel Ose; first vice president, Rev. Eva Peet and Mrs. Earle Ripley; second vice president, Mrs. Oscar Nelson and Mrs. Sig Grothe; treasurer, Mrs. N. P. Martinson; recording secretary, Mrs. Louisa Anderson; Cor. Sec'y., Mrs. Ben Martin.

The report of the district convention held May 17 at Fertile was given by several of the members.

The convention was held in The Concordia Lutheran Church. Mrs. T. Gabrielson and Mrs. G. W. Tolo, both of Fertile, were in charge of registration. One hundred thirty (130) were in attendance. Rev. G. W. Tolo read scripture and led in prayer, after which he reported on a meeting held in Minneapolis in which Gov. Freeman addressed a large assembly of pastors on what the state intended to do about the liquor problem.

Mrs. S. A. Aas, president of Fertile organization gave the welcome, to which Mrs. Wm. Austin, Wannaska responded. Mrs. R. B. Westacott, district president brought a greeting after which she introduced Mrs. Ruth Tollefson, state president from Minneapolis who brought greetings from the state.

A ladies quartet from Fertile sang two numbers, "Lord Open Thou Our Eyes" and "Magic Afoot."

Mrs. Earle Ripley, Thief River Falls Dist. treasurer gave the financial report after which Mrs. Westacott called the roll of the Unions introducing all present. Mrs. Ripley gave a report on the National Delegate Fund. She said there were sufficient funds to send the district president, Mrs. Westacott to the National convention to be held at Long Beach, Calif. late in August.

A president's panel told of the outstanding activities throughout the district. Road signs, both large signs and Burma Shave type were being used by many Unions. Speech contests, local option election, letters to Congressmen and women were listed as the most outstanding activities.

Luncheon was served by the women of Concordia Church.

The afternoon session was opened with the memorial service under the direction of The Rev. Eva Peet.

Mrs. Westacott read the memorial list. Mrs. Ruth Tollefson was the guest speaker and brought a stirring challenge to the assembly. She spoke on stewardship, saying that we cannot hope to reach very far up, unless we reach down into our pockets and give. She compared the liquor business to a mad dog.

Millions of alcoholics felt our hospital beds, more hospitals are being built to put more alcoholic patients in. The simple truth is we should get rid of alcoholic beverages.

It was decided to invite Rep. Coya Knutson to the state convention to be held at Thief River Falls, Aug. 9-12 and to ask her to speak at the banquet on Aug. 11 with Mrs. R. E. Mielke, Nat'l. guest speaker.

A diamond medal speech contest was held. Judith Bjorgen who won her pearl medal at Warren on May 1st was also awarded the diamond medal for her selection, "Youth, Where Do We Go From Here." Rev. J. C. Zollbrecht, Thief River Falls was one of the judges.

Mrs. Severt Sjulson displayed many fine posters which she and her sister, Mrs. Verner Magnell had made. And these posters are available to business places which wish to display them.

Mrs. Martin Mosbeck presented the work done among the younger children, ages 6-12 years.

Miss Barbara Kaushagen was awarded her silver medal on Sunday evening, May 15th at the Satersdall Luther League meeting.

This medal is the Edna Kitzmiller birthday medal, given to commemorate Mrs. Kitzmiller's birthday. This is the first medal given in this area to a living person. All others were given as memorials.

With that in mind, the district decided to give the diamond medal won by Judith Bjorgen at Fertile honoring Mrs. Lucy Chapen of Crookston who will celebrate her 100th birthday in June. She is the oldest W.C.T.U. member in the state.

Boy Committed for Taking Car

Brought into juvenile court Thursday on a charge of taking a car without the owner's permission, a 13-year old boy who had been in court twice before for other offenses, was ordered turned over to the youth conservation commission, and he was taken to Red Wing by Sheriff Arthur Rambeck Friday morning. He also admitted drinking beer which had been reported as stolen from a local warehouse.

ROAD USE UP IN APRIL

Traffic in Minnesota's rural highways was up almost seven per cent in April of 1954, according to tabulations compiled by the state highway department based on data obtained by 27 automatic traffic recorders located at strategic locations throughout the state. The greatest percentage increase was registered on U. S. 10, east of Moorhead, while the recorder on U.S. 10 northwest of Anoka counted 9,668 vehicles during an average 24-hour period, for the highest vehicle count.

Faculty Says Farewell to Supt. and Mrs. W. G. Claffy at Dinner Last Wednesday

"Good luck happy journey to you," was the theme of the farewell dinner reception given for Superintendent and Mrs. W. G. Claffy, on Wednesday evening, May 18, at the American Legion Club rooms.

The 130 present to honor them included faculty members and husbands or wives; members of the board of education and their wives; office personnel; and maintenance staff and their wives.

The flowers used in beautiful arrangements decorating the tables were the expression of esteem of the pupils of the three elementary schools. Teachers responsible for the decorative arrangements were Miss Ruth Mickelson, Mrs. Florence Bredeson and Miss Godelyne Troumbly.

The bouquets were highlighted by a floral piece featuring a mounted golden horseshoe and lettered theme, specially designed by Miss Bernice Troumbly. The menu cards in the shape of golden horseshoes complemented the good luck theme.

The delicious dinner served by the Legion Auxiliary ladies was followed by an interesting program of music, informal talks, and gift presentations.

C. W. Pope ably served as toastmaster. In his introductory remarks he briefly outlined Mr. Claffy's many interests, and some of the milestones in his career as an educator. T. Q. Hellie expressed the appreciation and good wishes of the local teachers association in a brief message. A lively dedicated version of "With A Hey And A Hi, And A Ho, Ho, Hei" was sung by the elementary teachers chorus. Miss Judith Halvorson accompanied.

Elmer Bratsch spoke briefly in behalf of the local board of education, praising Mr. Claffy's leadership of service, and cooperation; and extended to him the board's best wishes for happiness in his new home in California.

In reminiscence of her earliest associations with Mr. Claffy, Miss Lyda Batten recalled the old Central school and the inauguration of the junior high school department at Lincoln. Then with her typical wit, she related the things she feared, liked and most appreciated in Mr. Claffy.

Miss Batten then made the gift presentations. To Mr. Claffy, the teachers gave a set of golf clubs and bag; to Mrs. Claffy a silver dish set. Mrs. Claffy thanked the group, and acknowledged the lovely corsage she was wearing, a gift of the teachers also.

Mr. Claffy's responding message added to Mr. Pope's account of his early years. Though some of his youth was spent in Two Harbors, Minnesota, where he was born, Mr. Claffy added that at one time, his family had resided in New York and then in Florida where he also attended grade school. Later the family came back to Minnesota where he completed his school. Mr. Claffy said that when he entered college he intended to be a dentist, but his dual interests, science and sports were instrumental in changing his choice.

He received his bachelor of science degree from Macalester College, and went to work with a commercial concern. His active participation in all phases of college athletics were really responsible for his entering the field of education. In 1923 Mr. Claffy came to Ada to teach Science and coach athletics. He served as principal and coach from 1925 to 1930. He accepted the position as principal in Thief River Falls in 1930, and in 1948 was elected to his present position as superintendent. He received his master of science degree from the University of N. Dak.

Mr. Claffy stated that their move to California is the realization of definite plans made last summer when they purchased a home in Long Beach. Though he looked forward to his new home, Mr. Claffy said he was sure that when fall came again his thoughts would frequently be in Thief River Falls. The program closed with music by the chorus.

The committee active in planning and directing the reception were C. W. Pope, chairman; K. Ostby, J. A. Johnson, Miss Lyda Batten, and Miss Bernice Troumbly. Other committees included the Misses Emma Tanberg, Olga Bloomaness, Ella Fiskerbeck, Myrtle Forster and Mrs. Blanche Larson. The event was sponsored by the Thief River Falls Educational association.

School Faculty Wishes the Claffys Good Luck

Supt. and Mrs. W. G. Claffy, who are leaving Thief River Falls for California this summer after 25 years of residence here, are shown, center above, at a dinner party last Wednesday evening arranged in their honor by members of the school faculty. At right is C. W. Pope, who officiated as toastmaster, and at left is Miss Lyda Batten, dean of girls and former junior high school principal, who spoke and, in behalf of the teachers, presented the Claffys with handsome gifts.

Day, the event taking the place of the former indoor banquet.

Following his talk, colored movies of the 1954 Dairy Day were shown by Rudy Larson, who had taken the pictures covering all phases of the celebration.

Juel Stadum, general chairman of the state Elks convention to be held in this city June 9 to 12, stated that nearly 450 reservations have been received to date. He added that the huge convention parade is scheduled for Saturday, June 11, and he invited local firms and organizations to enter floats.

Neal Fox, chairman of the chamber's tourist trade committee, told of a recent visit made by him to Winnipeg in company with Secretary J. M. Roche, Wilbert Maves and J. B. Holter of the Pennington Hotel. Fox said the delegation had been cordially received by the Canadians, and that the local men left Thief River Falls brochures at the various tourist bureaus in Winnipeg.

Girl Scout Troop 10 Makes Tour of Airport Saturday

The members of Girl Scout Troop No. 10, accompanied by their leaders, Mrs. Robert Robarge, Miss Ruth Sorenson and Miss Angeline Vraa, visited the airport Saturday afternoon as part of their work toward earning their aviation badge. Christ Kierk, airport manager, took them on a tour of the grounds and buildings and explained aviation terms.

Lowell Vraa of North Central Airlines showed the girls the communications instruments used for the airline operations and showed them how to use the airline timetables to chart a trip.

The highlight of the afternoon was the airplane ride over the city provided by Mr. Kierk with his Luscombe, and George Rockstad with the Flying Club Cruiser.

Lunch at the Sky Club Cafe completed the activities for the afternoon.

The girls taking part were Janice Anderson, Geraldine and Georgene Austin, Mary Baumann, Carole Ewing, Rosalie Fonnest, Carol Nesland, Vivian Spray and Carol St. Martin.

Annual Meeting of Hospital Ass'n. Held on Monday

(Continued from page 1

ber of other types of exercising equipment.

Miss Eleanor Ose, medical technologist in charge of the laboratory, discussed the importance of the laboratory to the doctor in diagnosing the changing condition of the patient. She stated that the laboratory performed about 2400 tests per month and that it is on call 24 hours per day, every day of the year, to assist in the care of patients. Valuable new laboratory equipment acquired during the building program was listed by Miss Ose and their uses were discussed.

The report of the administrator, Harold W. Peterson, brought out the increase of Blue Cross in this area, the improvement of medical records, changes in the by-laws of the medical staff bringing them into full harmony with standards of the joint committee on the accreditation of hospitals, the purchase of a Burroughs Sensimatic accounting machine which will enable the hospital business office to present a more detailed itemization of the bill of the patient, the in-service educational program of the hospital which has become possible because of better space facilities and the purchase of an Eastman projector with sound attachment, and the more complete definition of personnel policies for the nursing staff.

The $1.15 increase in expense per patient day over the fiscal year of 1953-54 is counterbalanced by greatly increased facilities for the care of the patient under the new construction program. Mr. Peterson listed some of these improvements including the new recovery room for post-anesthesia patients, the greatly improved nursery facilities, the improved food service under heated tray conveyors, the greater safety and service to patients through the central sterile supply room, better patient room facilities eliminating the past overcrowding of the hospital, improved communication system throughout the hospital, and several others.

Following reports by officers and department heads, the nominating committee headed by Robert Lund presented its nominees for the annual election of members of the board of trustees. The following were elected for three year terms: Mr. Frank E. Tunberg, Hilmer Lunke, Maynard Mehrkens, and Judge Paul Lundgren.

Organization meeting of the board of trustees will be held Tuesday evening, May 31st.

2 Cars Damaged $550 in Collision

Two cars suffered a total of $550 damage in a collision Saturday at the intersection of Thirteenth st. and Main av. Arthur R. Thompson of 503 E. First st., traveling east on Thirteenth st., collided at Main av. with a car driven by Henry O. Hanson of Middle River. Damage to the Thompson car was estimated by police at $350, with $200 to the Hanson car. Police said Thompson will be brought into municipal court May 31 on a charge of driving while under the influence of liquor.

2 Trinity Luther Leaguers to Play at San Francisco

Jeanne Dahlen and Janice Kjensrud, both members of Trinity Luther League, were notified this week that they have won places in the 100-piece band which is scheduled to appear at the San Francisco Civic Auditorium, June 21-26. Leif I. Christianson, conductor of the Concordia college concert band, will direct the select ensemble as it participates in the international convention of the Young People's Luther League of the Evangelical Lutheran Church and the Choral Union.

The convention band, picked from Leaguers from various parts of the United States and Canada, will accompany assembly singing at evening sessions as well as perform in the climactic choral union concert on Sunday, June 26.

Janice plays the cornet and Jeanne the clarinet in the Lincoln high school band directed by John Moum.

Art Festival Set for Lincoln Gymnasium Thursday Evening

"Art In Our Schools," the 1955 festival of art will be held Thursday evening, May 26, in the Lincoln high school gymnasium.

The three elementary schools will have on display student work at all the grade levels. Their exhibits will show creative work in specific areas of art technique with varied media. Work will also be exhibited from the junior and senior high school classes.

"The Art Studio" will be the demonstration feature of the event. Exhibit visitors will have the opportunity to watch boys and girls doing many types of creative work, and will show a variety of media. All grade levels will participate, some in groups, others through individual projects.

The exhibit will be open to the public beginning at 7:00 p. m. The demonstrations will be presented from 7:30 to 8:30 only.

The students and their teachers invite the public to attend their festival. The exhibit is planned and directed by Miss Godelyne Troumbly, art supervisor for the schools.

Dozen Drivers in Municipal Court

Motorists Brought in for Varied Infractions

A dozen motorists were brought into municipal court on a wide variety of charges during the past week.

Taken into custody early Sunday on a charge of driving a car while under the influence of liquor, Arthur J. Forsberg Jr. paid a fine of $100 and $5 costs.

Donald Glover of Mahnomen was fined $5 for careless driving. Morris E. Mogen, city, was fined $10 and $4 costs for speeding at 65 mph at night, and Ralph J. Aaseby of National City, Calif., charged with speeding at 45 mph in a 30-mile zone, was fined $10, of which $5 was suspended, and $4 costs.

John L. Connett of Viking was fined $10 and $4 costs for having no drivers license, while on a similar charge Carl Rud Jr. of Newfolden was fined $5.

Wm. C. Mathieu, city, charged with improper parking, was fined $25, of which $15 was suspended, and $4 costs. George Ferris Jr., Rt. 3, city, was fined $5 for driving his car in the wrong direction on the one-way street in front of the hospital.

Lloyd E. Crown, Rt. 5, paid a $5 fine for failure to heed a stop sign, and Gerald C. Oberg, Rt. 1, of Viking, was fined $5 and $4 costs for tossing a bottle onto the highway.

RR Optometrists Convene in City

The Red River Valley Optometric society held its monthly meeting in the Elks club here Tuesday last week. Optometrists attending were from Crookston, East Grand Forks, Hallock, Warren and Thief River Falls. The next meeting will be held in Roseau June 21.

Correction—

The Times was in error in stating in last week's issue that a petition submitted to the city council at its meeting May 17 had requested the razing of a garage on Crocker av. S. built by the late Nels G. Olson. Instead, the petition called for the removal from the property of an accumulation of unsightly material, and did not refer to the building itself. The Times regrets the error.

Leaders of Girl Scouts Arrange Summer Camping

Reservations Must Be Turned in by June 15 for Three Types of Camp

The Thief River Falls Girl Scout association met Monday evening, May 23rd in the Woman's club rooms in the city Auditorium. Mrs. J. W. Ewing, vice president presided in the absence of the president, Mrs. L. G. Hetland.

Leaders are requested to get Troop camp reports and permission slips from the office, if their troops are planning any camping events. All reservations for Day, primitive and established camps are to be turned in by June 15th. Mrs. Ted Mills, area camp chairman, announced plans are being made for Squaw Lake Camp and Lake Bronson Camp.

The Brownie day camp will be held at Birch Lane in Thief River Falls from June 27th to July 2nd, with Mrs. Orrin Green as director. Senior Scouts and interested adults will assist her in the crafts, singing and swimming events during the sessions.

Mrs. Gunder Legvold, president of the Northwestern Minnesota Girl Scout Council, was presented with a gift from the girls for her assistance and time given them during the past years.

Mrs. Florian Kritz and Mrs. H. Myhrer, leaders of Troop No. 33, have been invited as honored guests to attend the Girl Guide rally to be held in Winnipeg on Monday, May 30th. Mrs. Kritz was delegated by the leaders of Companies No. 11 and No. 21 of Canadian Girl Guides to present Mrs. Gunder Legvold and Mrs. L. G. Hetland with friendship pins in their behalf.

.28 Inch of Rain Arrives Sunday

A drizzling rain Sunday brought .28 inch of precipitation, according to the KTRF gauge, and additional moisture would be welcome in this area. High readings of 86, 89 and 82 were recorded Friday, Saturday and Sunday, after which the temperature dropped to 40 Tuesday morning.

CORRECTION—

The name of Harry Solberg was inadvertently omitted from the list of about 50 farmers who assisted at a seeding bee May 15 on the Carl P. Anderson farm near Erie, an account of which was published in the Times last week.

Mayor Proclaims Friday, Saturday Legion Poppy Days

PROCLAMATION

"Whereas, three times in the past 41 years the young men of our city have been called upon to turn back a threat to America on foreign battlefields.

"Whereas our young men answered this call with high courage and patriotism, some of the finest of them laying down their lives in the nation's defense; and

"Whereas our memory for our war dead and the honor in which we hold them is individually expressed by the annual wearing of the memorial poppy, now

"Therefore I, Agnes Israelson, Mayor of the City of Thief River Falls do hereby proclaim Friday and Saturday, May 27 and 28 to be Poppy Days in the city of Thief River Falls, and do urge all citizens to observe the day by wearing the memorial poppy.

4-H Clothing Project Tips

Here are more tips to 4-H clothing project members. The preparation of the fabric before cutting is important for good fit in a finished garment.

All fabrics are woven with the crosswise threads at right angles to the lengthwise threads. To make sure that the garment will fit and hang nicely, the threads must have this same position throughout all the steps of construction, says Athelene Scheid, extension clothing specialist at the University of Minnesota.

To be certain that the fabric has not been stretched out of shape, lay the selvages to the side of a rectangular table and see if the cut end of the fabric lies parallel to the end of the table. If it does, the threads are still in the correct position and the pattern may be pinned on.

For accuracy in pinning the pattern on, measure with a ruler to be sure that the ends of the pattern marking indicating the lengthwise grain or straight of the material are equal distances from the selvages.

In cutting and fitting a garment, the crosswise threads should run evenly across the figure, and the lengthwise threads go straight up and down. It is important to follow the straight of the material carefully, because there is greater strength and less stretch in that direction.

A good practice in both cutting and stitching is to work with the grain — that is, from the wide to narrow — so the threads will remain in the proper right-angle position. If done against the grain, the threads will separate and pull. When pressing the fabric as the garment is being made, it is well to follow the same suggestion. At all times try to keep the fabric from being pulled or stretched the least bit out of line.

The expectant mother must eat not only to keep herself healthy, but to furnish the necessary building materials for the baby.

Here is information to expectant mothers from Dr. Helen Pilcher, assistant professor of home economics at the University of Minnesota.

During the first four months of pregnancy the expectant mother does not require more food than her usual good diet. But later in pregnancy the need for the building materials of protein and minerals is increased. The calcium requirement practically doubles. The protein need increased about 45 per cent and vitamin and calorie needs increase too, although in smaller proportions.

Lumberjacks Bow to Prowler Ball Club 9-8

With the bases loaded, one out, the score tied at 8-all in the last half of the 8th inning, Duane Glass rapped a ground single past third base to score Rod Collins with the tie-breaking run and give coach Ralph Skjod's Prowlers a 9 to 8 win over Horace May's Bemidji Lumberjacks in a bitterly-contested high school baseball game here Tuesday night. The Prowlers are slated to end their pre-tournament schedule tonight, Wednesday, when they meet the Cass Lake nine on the Fair Grounds diamond.

In Tuesday night's thriller, the Prowlers racked Bemidji's righthanded Corky Johnson for three hits to score three runs in the 1st inning after the Lumberjacks, on a walk an infield out and a throwing error had scored a run in the top half of the frame. An error, a sacrifice, and a passed ball gave the locals another run in the 2nd, and a 4 to 1 lead.

A pair of walks and singles by Corky Johnson and Darrel Erickson plated a couple of Bemidji runs in the 3rd inning; and when the Prowlers, in the 5th inning, committed four misplays, coupled with a hit batsman and a pitcher's balk, Bemidji shoved across four runs, to lead 7 to 4.

Ross Sloan led off for the Prowlers in the 6th and poled a double into left-center, Glass singled, an error, a walk, and a single by Glen Carlson gave the Prowlers three scores in the inning, knotting the game at 7-all.

A walk to Dean Albers to open the Jacks' half of the 7th inning, a stolen base, and an overthrow of third base scored a Bemidji run, and moved coach May's club into an 8 to 7 lead. Sloan, who had opened the 6th inning with a double lofted a double into left field after Glass had been retired, pitch to first, Sid Vraa doubled down the left-field foul line, scoring Sloan with the game-tying run.

In the 8th inning Bemidji's Jack Whiting lined a single into center to lead off for the Jacks. Whiting stole second, and Bob White drew a walk. Rich Carter laid down a sacrifice, moving Whiting to third and White to second with one away. Clean-up hitter Corky Johnson was given an intentional walk, filling the bases. Darrell Erickson struck out swinging, and with Dean Albers at bat, Whiting attempted to steal home, and was out, Vraa to Fred Dablow.

The Prowlers, in their winning half of the 8th inning, opened the frame with Carlson flying out to right field. Rod Collins, for the fourth time during the game drew a pass. Jack Poole lifted a long fly against the fence in left field for a double, with Collins stopping at third. Sloan walked; and then Glass spanked his game-winning single into left field.

The Prowlers tagged Johnson for ten hits; while Vraa, who struck out ten batters, gave up but five hits to the Bemidji batsmen. The Prowlers played erratic ball in the field, being charged with eight errors, with three of the misplays being throwing errors.

Prowler Track Squad Retains Dist. 31 Crown

Local Team Scores 72 Points at Grand Forks; Goes to Bemidji Friday

Two records were broken at the 31st district track and field tournament held at Grand Forks on Friday. Coach Quentin Jones' Prowler squad, with a point total of 72, made a successful defense of the district track title it has held for a number of years. This week, on Friday, coach Jones will enter eleven of his track squad in the regional tournament at Bemidji.

In winning the district track title, the Prowlers won firsts in eight of the thirteen events on the program. Dave Kollitz, winning the 120-yard high hurdles and the 180-yard low hurdles, was the only double winner for the Prowlers. Other first place point winners for coach Jones' squad were Dean Christensen in the 440-yard run; Jack Quesnell in the half-mile; Jim Krohn in the mile run; Pete Froehle, who set a new record in the shot put; George Gifford in the discus throw; and the 880-yard relay team.

Froehle, in heaving the shot a distance of 48 feet, 4 inches, better the record of 45 feet, 7 ⅛ inches set by East Grand Forks' Floyd Bye last year. In the broad jump event, East Grand Forks' Jim Anderson posted a mark of 20 feet, 5½ inches to better the old record set by Crookston's Bill Erickson in 1942.

Results of Sunday's games: T. R. Falls, 17, at Crookston, 3; Argyle, 9, at Viking, 1; Alvarado, 12, at R. L. Falls, 7.

Schedule, Sunday, June 5th: Thief River Falls at Argyle; Crookston at Alvarado; Viking at Red Lake Falls.

The Alvarado Farmers, defeating the Red Lake Falls Lakers, 12 to 7, at Red Lake Falls on Sunday, moved into first place in the Red River Valley league, holding a one-game lead over the Thieves, Lakers, Viking Oilers, and Argyle Maroons, who are bunched in the runnerup position.

Argyle, behind the no-hit pitching of Dick Palmer, defeated the Viking Oilers, 9 to 1, at Viking. The game, according to the reports, was played under protest, with the Viking management protesting the eligibility of Palmer. Viking contends that Palmer has signed a contract to play with the Oilers, and that he has also signed a contract with Argyle, the team he played with on Sunday. It is expected that a league meeting will be held this week to act upon the protest by the Viking club.

The defending league champion Thieves entered the win column on Sunday when, in a ragged game played at Crookston, the locals defeated the Crookston Pirates, 17 to 3.

Schedule, Thursday, May 26th: Wilson Bros. vs. Amundgaard-Lunke; Oen's Appliance vs. Plummer; Pharmacy vs. Northern Chevrolet; Johnson Bros. vs. Times.

The results of the league matches held on May 12th found three of the league's favorites—Wilson Bros., Oen's Appliance, and the Johnson Bros.—dropping their matches against the Times, Amundgaard-Lunke, and Northern Chevrolet squads. The Pharmacy team, outpointing the inexperienced Plummer squad, 110 to 97, won their match to assume the top rung in the league standings.

The high winds that prevailed during the league shoot proved a handicap for most of the shooters, with only Frank Rinkel, who broke 23, Clarence Mattson, with a 22, Bill Dahlquist, with a 21, and Ray Johnson, with a 20, being the only marksmen to break twenty or more.

No-hit Game Pitched by Jack Poole vs. RLF

For the second successive game coach Ralph Skjod was given a no-hit performance by one of his right-handed pitching staff members when Jack Poole, a junior, on Friday night on the Fair Grounds diamond, defeated the Red Lake Falls Eagles, 6 to 1, hurled hitless ball over the seven-inning route. Last Tuesday night, against Alvarado, Sid Vraa pitched a no-hitter

The Prowlers will conclude their regular schedule on Wednesday night, May 25th, when they meet the Cass Lake High school nine on the Fair Grounds diamond. On Saturday, May 28th, coach Skjod's squad will play their first-round game in the 31st district tournament being played at Red Lake Falls, with the Prowlers meeting the Climax Vikings in a tourney-opening game at 10:00 a. m.

In Friday night's no-hitter, the Prowlers, taking advantage of some loose defensive play by the Red Lake Falls' infield, picked up a pair of runs in the 1st inning, added another pair of tallies in the 4th frame, and marked up single runs in the 5th and 6th innings to hold a "comfortable" 6 to 0 lead moving into the top of the 7th inning.

Opening the 7th inning, Roy, batting for Kankel, drew a walk; Earl LaChance bounced to first baseman Glen Carlson, who threw to Joey Poole to force Roy for first out. Pouliot, batting for Gary Kulper, sent a hard ground ball to Carlson, who made the pick-up and then threw to Joe Poole covering second. Poole, in a hurry to complete a double play, failed to tag the base and both runners were safe. Ronnie LaChance whiffed.

Jack Beadles sent a routine fly to left field, and Larry Jorgenson, set for the catch, muffed the ball, with Earl LaChance coming in with the Eagles' lone run. Duane Emard, on a well-hit ball, drove a pitch into deep right-field, but Ross Sloan made a fine catch for the game-ending out, giving Jackie Poole a well-earned no-hit game.

Thieves Whip Crookston 17 to 3 on Sunday

One-sided Contest at Crookston Was Played During Drizzling Rain

In a game that was played under disagreeable weather conditions, and which was called in the 8th inning, the Thief River Falls Thieves, by a lopsided 17 to 3 score, defeated the Crookston Pirates at Crookston on Sunday afternoon in a Red River Valley league encounter.

The Thieves will play their third consecutive "road" game next week when, on Sunday afternoon, June 5th, they play the Argyle Maroons at Argyle. The league teams will have an open date this Sunday, May 29th, allowing the clubs to arrange exhibition games for the Memorial Day holiday.

Sunday's game at Crookston, which was marred by intermittent rain and drizzle, found the Thieves racking up five runs in the 2nd inning to take a lead which they continued to increase during the remainder of the game.

Crookston, on an infield hit by lead-off man Ed Derosier, a throwing error, an infield out, and a wild pitch, scored in the 1st inning to gain a short-lived lead. In the top of the 2nd, the Thieves, on singles by Gene Leslie, Sid Vraa, Shorty Perkins, Joey Poole, and Swede Lund, plus a walk and a hit batsman, scored five runs.

The locals added a run in the 3rd when Al Williamson's second double of the game, scored Larry Gilbertson; and in the 4th the Thieves picked up a pair of runs and forcing righthander Dave Heldstab to taking over the Pirate pitching duties, replacing starter Jerry Ness.

The Thieves marked up a three-run cluster in the 6th inning, four runs in the 7th inning, and a pair of runs in the 8th inning. With one run scored and one out in the top of the 9th inning, rain forced the "calling" of the game, with the score reverting to the 8th inning, giving the Thieves a 17 to 3 win.

Keeping Score with "Huck" Olson

Frank's 23

It's fortunate, for the Northern Chevvy team, that the Thief River trap league doesn't base its handicaps on a wind-velocity basis, for in such a case the Chevvy's Frank Rinkel would be a "scratch" shooter.

In the league shoot on May 12th, with a strong and gusty wind sweeping the layout north of town, Frank, like a prairie schooner, sailed into the clays and broke 23 out of 25, being the "high gun" for the evening. It was largely through Frank's efforts that Roy Jorgenson's Northern Chevvy squad was able to defeat the Johnson Bros.

That it was an "ill wind" that prevailed that night can be verified by the Oen's Appliance, who lost to the Amundgaard-Lunke team, and the Wilson Bros., who dropped a close decision to the Times. Tony Dorn's Pharmacy team was the only outfit to shoot up to its pre-season boasts, with the druggists beating Plummer quite handily.

There is another league shoot on the schedule this evening, Thursday, and the forecast is for "light winds." That will bring Frank down to his natural gait, breaking about sixteen or seventeen.

Two for the Book

So long as baseball continues to be a major sport for the Prowlers, so long, we hope, will the performances of Sid Vraa and Jackie Poole be recalled. Sid and Jackie, both righthanders, one a senior and the other a junior, made Prowler baseball history last week when they both turned in no-hit performances.

Against Charley Picken's Alvarado Indians on Tuesday night, on the Fair Grounds diamond, fire-balling Sid Vraa set the Alvarado team down without a hit, and the fact is that the Indians weren't able to hit a ball out of the infield. Sid struck out seventeen batters and retired the side in the 7th inning to mark up his no-hitter.

Playing here on Friday night against a strong Red Lake Falls High school team, Jack Poole pitched the Prowlers to a 6 to 1 win over the Eagles, hurling a no-hitter in the process. Jackie had some anxious moments before he was able to retire the last batter in the 7th inning and join Vraa as a no-hit pitcher. Jackie, hurling fine ball, and exhibiting sharp control of his curve-ball, knew that he had a no-hitter on the book, and from the 5th inning on he was "working" to preserve that classic.

Jack gave up his sixth base on balls to open the 7th inning, but the next three batters should have been retired in order except for a couple of errors, giving Poole a no-run game in addition to a no-hitter. Joey Poole was charged with an error by failing to tag second base on a force-out play, and Larry Jorgenson muffed an easy fly ball, allowing a run to score. Bobo Emard, a southpaw swinger, put good wood on a drive into right field, but Ross Sloan gathered in the ball for the put-out, making a catch close to the fence

Return of the Native

Elwood Karwand came back to the local course, where he got his start as a golfer, and won the Shortstop tournament played here on Sunday. Elwood, shooting fine golf, defeated Roseau's Rube Bjorkman, 4 to 3, in the championship finals.

Elwood tells us that he intends to come up here for another tournament or two, but he doubts that he will be able to play here during the Invitational. Our Invitational tourney dates conflicts with the tournament dates for the Rochester Invitational, and he has made plans to play in the latter tourney. Karwand, who now resides in St. Paul, states that he plays quite regularly with Lloyd Harney, a championship flight golfer here a couple of years ago.

In spite of the wind, and the rains which came late in the afternoon, the seventy-two golfers who participated in Sunday's tourney had an enjoyable time.

Phil LeGault wishes to express his thanks to John Moum, Jerry Tygeson, and Grand Forks' Dr. St. Clair, the golfers who made it possible for him, Phil, to win the second flight championship. And Phil wishes to thank Wally DuChamp for entering the second flight, too, for Wally's entry fee helped pay for the prize that Lefty won.

Softball Interest

There has been considerable discussion and interest shown in the formation of a city softball association, and in the organizing of a league or two. But now that the Fair Grounds softball field, with its lights, has been dismantled, the problem of a playing field will be the chief obstacle.

Softball, in the years prior to the last war, was a major sports activity in the city recreation program; and for a couple of years after the war the sport flourished. The league, though, with most of the player-strength being concentrated in two or three teams, became top-heavy, and interest began to lag.

Those were the days when Bobby "Line Drive" Carlson was the pitcher for Stan Larson's Poppler's Furniture team, and with Glenn Carlson being the manager of the club. Their opposition was provided by Owen Korsmo and the Len's Tire Shop squad.

And way back in the early 1940's, the softball "power" was the Hartz outfit, with raise-ball Al Ness doing the pitching, and Carlo Columbo the hitting, and Johnny Jaranson the fielding.

Northrop Track Squad Wins Title

Scores 63½ Pts. in Grade School Meet Thursday

Coach Phil Beadle's Northrop Indians track squad, scoring 63½ points, won the grade school championship in the track and field tournament held on the Lincoln high school field on Thursday. John Elsbrener's Washington team was in second place with 50½ points; while Knox school marked up 46 points.

In making a successful defense of the grade school track and field title, coach Beadle's team won eight firsts. The tournament, with the following events: 50-yard dash; high jump, running broad jump; standing broad jump, baseball throw, and relay—was divided into a 5th grade division and a 6th grade division.

Northrop's Eddie Leitzow scored firsts in the 6th grade 50-yard dash, and the running broad jump, as well as anchoring the winning relay team.

As a result of their triumph on Thursday, Northrop will be presented with the Bjorkman's trophy as the grade school track and field champions.

The first place winners:
5th grade, 50-yard dash—won by John Stromberg, Knox.
6th grade, 50-yard dash—won by Eddie Leitzow, Northrop.
5th grade, high jump—tied for 1st, Billy Armstrong, Washington and Darlyn Rux, Northrop.
6th grade, high jump—won by Kenny Leiran, Northrop.
5th grade, running broad jump—won by Chenny Hruby, Northrop.
6th grade, running broad jump—won by Eddie Leitzow, Northrop.
5th grade, standing broad jump—won by Darlyn Rux, Northrop.
6th grade, standing broad jump—won by Don LaPlant, Knox.
5th grade, baseball throw—won by Jim Burke, Northrop.
6th grade, baseball throw—won by Dennis W. Erickson, Knox.
Relay event—won by Northrop (Harvey Ebbighausen, Wayne Iverson, Chenny Hruby and Eddie Leitzow)

Elwood Karwand Wins TRF Shortstop Event

Elwood Karwand, a former local golf club member but now a resident of St. Paul, shot one-under-par golf in his championship flight finals match against Roseau's Rube Bjorkman here on Sunday, closing out the encounter on the 6th hole to win the shortstop tournament played over the local course.

The smooth-swing Karwand, in moving through the sixteen-man championship flight, defeated Grand Forks' Dr. Jim Leigh in a first-round match; bested Roseau's Dr. Bob Harris in a second-round match; and by a 1-up margin edged out Hawley's Vint McDonald in the semi-finals. Bjorkman, the former Roseau high school all-state hockey player and later a University of Minnesota and Olympic hockey team member, reached the finals by defeating Bemidji's Chuck Koerber in a semi-finals match. In the first round match, Bjorkman defeated Bagley's Vint Berg; and then took Grand Forks' W. J. Zeman out of competition in a second round match.

Dr. Jom Leigh won the championship flight consolation honors by defeating the local club's Bob Ulsaker in the finals. Local golfers who won flight championships were Rudy Mehlhoff in the 1st flight, Phil LeGault in the 2nd, Ray Ranta in the 3rd, and Roger Heyn in the 5th

The championship flight finals card:

Par	444 344	23
Karwand	434 344	22
Bjorkman	544 355	26

The flight winners, runners-up, and consolation winners:
Championship flight—Elwood Karwand; Rube Bjorkman, and Dr. Jim Leigh.
First flight—Rudy Mehlhoff; Clarence Foy, and Lloyd Dennee.
Second flight—Phil LeGault, Dr. St. Clair, and John Moum.
Third flight—Ray Ranta; Emil Larson, and Ray Krueger.
Fourth flight—John Anderson; Bill McReady, and Don Wysocki.
Fifth flight—Roger Heyn; Frank Burkhardt, and Ed Meihauer.
Sixth flight—R. W. Johnson; Vern Peltier, and Bob Lewen.
Seventh flight—Dick Anderson; Kenny Roche, and Tom Klinwski.

Outstanding Calf to Be Given Dairy Day to '54 Reserve Champion

For the sixth consecutive year, the Northwest Dairy Improvement association has gone to a great deal of expense in purchasing a presentation calf for the 1954 reserve champion grade calf exhibitor, and W. S. Moscrip, the nation's leading dairy cattle authority, spent several days and traveled many miles before he finally selected what he considered to be a show prospect and an outstanding foundation animal. Recipient of the calf will be Kenneth Anderson of Hallock.

The calf was purchased from the Lincoln Schroeder herd in Olmsted county, whose milking herd consists of 35 animals, and whose herd averages between 90 and 100 purebred Holsteins.

Schroeder's cattle have an average production of 540 pounds of fat. In 1951 Mr. Schroeder had two state leaders—a two year old with a production on 2X milking of 613.4 butterfat for a 305 day lactation and a 5 year old 2X milking with a record of 829.7 pounds. This record was held for two years in the state. All of the records made in this herd are under ordinary farm conditions. Mr. Schroeder has been a Grade A producer for some ten years.

The sire of the calf purchased is a son of Pabst Raven, classified excellent, who has daughters producing 1085 pounds of fat. The dam of the sire of this calf has milked up to 104 pounds of milk per day on a 2X milking.

The dam of the calf purchased is a two year old that has 321 pounds in her first 235 days of production. The dam has in her pedigree cows with over 600 pounds as two year olds, 631 pounds as three year olds, and 905 pounds as mature cows. The dam of this calf was first at the Minnesota state fair in 1949.

The Schroeder herd has received their share of championship and blue ribbons at county fairs. Black and White shows and at the state fair. All in all, over the past ten years, they have received 159 blue ribbons, 14 purple ribbons and several grand championships.

VERNON E. RAMSTAD GIVEN PROMOTION IN VIRGINIA

A Thief River Falls soldier who entered the Army last year has been promoted to private first class at Fort Story, Va., the Transportation Corps' amphibious training center.

Vernon E. Ramstad, son of Carl J. Ramstad of Route 5, is presently assigned to the 344th DUKW Company as an amphibious truck driver. He arrived at the Cape Henry post last September after completing basic training at Fort Leonard Wood, Mo.

The 24-year-old soldier lives with his wife, Aleta, and daughter, Janine, at Virginia Beach, a resort city outside the gates of the post.

$1,875,000 Bonds OK'd in Crookston

Voters Approve Issue for School Buildings

Crookston voters in a special election Tuesday of last week gave better than five to one approval for a $1,875,000 school bond issue.

The vote for the bonds was 850 to 157. It was the largest bond issue ever voted on at Crookston and will be used to expand the school system.

The building program will include:

A new McKinley grade school in Jeromes Addition, costing an estimated $350,000.

An addition to Central high school housing a new gymnasium, library, cafeteria and expanded facilities for manual training and music instruction. It will cost $1,445,000.

Improvements to Central high school—raising the auditorium stage at a cost of $10,000 and complete rewiring and relighting of the building at a cost of $60,000.

School officials will be completed by the start of the fall term in 1958. Central high school is now being used by students from 20 rural areas as well as those in the city under a consolidation plan.

Memorial Day Is 1st Big Hurdle in 'Slow Down & Live'

Governor Asks Public to Cooperate in Drive Lasting Thru Labor Day

Motorists on Minnesota's streets and highways will face their first big test in the "Slow Down and Live" campaign this week-end when a million or more vehicles will be out during the long Memorial day holiday week end.

"How well that challenge is met," said Governor Orville L. Freeman, "may well indicate the success of the campaign which will continue through the Labor day week end in September."

He cited the record compiled last year over the Memorial day week end, which also covered a four-day period as it will this year. A total of 403 motor vehicle accidents were reported, in which six people lost their lives and 242 suffered personal injuries.

"A very substantial reduction can be made in each of those categories," according to Earl M. Larimer, director of highway safety. "We need to look back only to the opening of this year's fishing season, when, despite a record-breaking number of sportsmen on the roads, only one traffic fatality was reported in three days. That fine record is the best answer as to whether or not we can have crowded highways and yet use them safely."

"I am not going to make any prediction as to the number of deaths we can expect over the coming holiday week end. Instead, I am going to leave up to each motorist to write his own ticket' and ask that everyone assume his rightful responsibility to drive as carefully as he can. By doing that, I am certain that we can get off on the right foot in our campaign to 'Slow Down and Live', and spare every Minnesota home the agony and heartbreak which have become associated with our observance of holidays."

Eldevik Attends St. Paul Workshop

Gets Data on New Laws for Payments to Unemployed

R. S. Eldevik, manager of the field office of the state employment service in Thief River Falls, returned May 20, from St. Paul where he attended a three-day work shop dealing particularly with new laws affecting unemployment compensation.

After July 1, weekly benefit rates on new claims will be increased. The minimum will go up from $11 to $12 and the maximum from $30 to $33. Minimum required earnings, to establish a valid claim, will be $320.

In communities of less than 10,000 population, employers having four or more employees will, on January 1, 1956, become liable for unemployment compensation taxes and employment reports. Employers in such towns having fewer than four employees, as now, will continue to be exempt. The employees of newly covered employers will have rights to unemployment compensation

Another new law provides for the experience of employers after they have been subject to the law for a full year or more, beginning with 1956. Now, before experience rating can apply, employers must be subject to the law for three full years. Experience rating usually means a tax reduction.

The conference provided Eldevik with his first opportunity to become acquainted with Commissioner Frank T. Starkey, who has been in charge of the department of employment security since April 1.

"SLOW DOWN AND LIVE"

"Slow Down and Live" is the sensible slogan of a highway safety drive that will get under way in Minnesota this week. The program started in the New England states two years ago. Because, by actual results, it has proven to be an effective means of reducing highway accidents it is being adopted thruout the country.

From now on we will hear and see much of this slogan—and the more we heed it the longer we will be around to hear it and see it.

WORKERS WANTED

Pennington County's long dormant historical society has been revived and its new officers and directors will hold their first meeting Friday night. The public-spirited citizens who have accepted the responsibility of leadership in the organization are native sons and daughters of the community with a special interest in the record of its early development. Our best wishes to them for success in their efforts to re-establish an agency that is sorely needed.

The organization must have more than strong leadership if it is to succeed however. It must have good general support as well. It needs a large membership of interested men and women who are willing to assist in the work, for there is much work to be done.

We are off to a late start, but not too late if we all work together.

CONGRESSMAN'S HEADACHE

President Eisenhower has again vetoed a bill providing a pay increase for postal workers. He had recommended an across-the-board increase of five per cent with classification adjustments that would bring the average increase up to 6.5 per cent. The measure he vetoed called for an 8.8 per cent increase and did not provide for the recommended reclassification.

We do not know whether the pay for postal workers should be increased five per cent or ten per cent or not at all. That question is not a matter of immediate concern to us.

We are concerned however about the practice of fixing wage scales for special groups of government employees by direct congressional action. It is not good.

Postal workers are a numerous group, well distributed thruout all congressional districts. Because of this they are politically strong and members of congress do not like to offend them. There may be, and probably are, employees in other classes of federal service who are more deserving of pay increases. In dealing with them our statesmen can afford to be thrifty.

In the interests of good government and fair consideration for all public employees, wage schedules for all services should be established under the direction a civil service board. Only by an impartial classification can a fair relationship between the various services be maintained. Then, with such a classification established, congress would be able to act on wage questions with reasonable assurance that all employees would be given the same consideration.

Politicians are beset by many problems which, if there were no politicians, probably would not be problems.

INFLUENCERS OF LEGISLATION

At the time Congress was deciding how many billions should be appropriated for our air force another scare story was circulated about the superiority of Russian air power. It is natural to assume that the reason for sounding the alarm was to wangle out a bigger appropriation for this branch of the service. It is an old trick but still an effective one.

We hear much talk about lobbyists and their corrupting influences. Probably more attention should be directed to the tactics of the many pressure groups that influence legislation for selfish purposes. In this class are many of the respected organizations of our society, among whom the alarm technique is standard procedure. They are cloaked in the garb of virtue and to question them is to stand convicted as a minion of the forces of evil.

They should be questioned more often.

A SERVICE WE HOPE IS NOT PERMANENT

Minneapolis and St. Paul are understandably concerned about the possibility of the district office of the Veteran's Administration at Fort Snelling being consolidated with the Denver district office, at Denver. A large payroll, 1,299 jobs, is involved. The loss of such a payroll would be a setback not only for the Twin Cities but for the entire state.

Argument in favor of the change is an estimated saving of half-a-million dollars a year for the government. That is a strong argument. Any proposal to cut government costs deserves respectful consideration.

Perhaps a solution can be found that will make for greater efficiency in government and soften the shock of an abrupt change by a gradual consolidation of services.

The Veteran's Administration is going to be with us for many years to come but we still hope that it is not going to be a permanent organization. There will be little complaint if, in a hundred years, there will be no war veterans to provide for. And if, during a century of peace, the cost of past wars is gradually curtailed, we will have adjusted ourselves nicely, we are sure, to the loss of a payroll.

Nothing wrong with being hopeful.

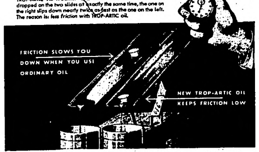
Less Friction with Trop-Artic Motor Oil!

In the experiment below, the slide on the left is coated with ordinary motor oil, the one on the right is coated with TROP-ARTIC All-Weather Oil. When two steel blocks are dropped on the two slides at exactly the same time, the one on the right slips down nearly twice as fast as the one on the left. The reason is: less friction with TROP-ARTIC oil.



FRICTION SLOWS YOU DOWN WHEN YOU USE ORDINARY OIL
NEW TROP-ARTIC OIL KEEPS FRICTION LOW

IT'S PERFORMANCE THAT COUNTS!

New Phillips 66 Trop-Artic reduces friction far more effectively than any ordinary oil. By reducing friction, it extends gasoline mileage. And it can reduce wear, even to the extent of doubling the life of an engine. It can cut oil consumption 15% to 45%. It keeps pistons cleaner. New Trop-Artic is the first all-weather type motor oil to meet the highest standard ever established for automobile motor oils, the Mil-O-2104 Supplement 1 Test. Get Trop-Artic from your Phillips 66 Dealer.

Most Modern Trucks Your Money Can Buy!

Only new Chevrolet Task-Force trucks bring you all these truly modern features! If you don't get these up-to-the-minute advantages, you're getting an old-fashioned truck—and stand to take a licking at trade-in time!

Fresher air in all kinds of weather. New High-Level ventilation takes in air through louvers at cowl level.

New Overdrive. Optional at extra cost on ½-ton models; Hydra-Matic optional on ½-, ¾- and 1-ton models.

New concealed safety step. A step that's a safety feature—steps stay clear of ice and mud. Out of sight with doors closed.

Tubeless tires standard on ½-ton models. Greater blowout protection—they deflate more slowly if punctured.

Power Brakes standard on 2-ton models, an extra-cost option on all others. Reduce driver effort; add to safety.

Power Steering. Driving's so much easier with lightning effort reduced as much as 80%. Available as an extra-cost option.

Styling that works for you. In two design treatments—styling that catches the eye, calls attention to your business.

The latest in cab comfort and safety. More dust-tight construction; softer seat action; many new conveniences.

New panoramic windshield. For a broader, safer view of the road. And there's more glass area all around.

New suspension, front and rear. For a smoother ride. Frames are more durable with full parallel side members.

King-size 12-volt electrical system. Count on quicker starts in cold weather, and still have a reserve of power.

Year after year, America's best selling truck!

NOTICE OF BOND SALE

Joint Independent Consolidated School District No. 8 of Pennington and Marshall Counties, Minnesota

NOTICE is hereby given that the School Board of Joint Independent Consolidated School District No. 8 of Pennington and Marshall Counties, Minnesota, will meet at the School Building in Goodridge, Minnesota, on Thursday, the 9th day of June, 1955, at 8:00 o'clock P. M., for the purpose of receiving and considering sealed bids for the purchase of $150,000 School Building Bonds of the district, bearing date July 1, 1955, in the denomination of $1000 each, bearing interest at the rate or rates designated by the successful bidder, payable January 1, 1956, and semi-annually thereafter on January 1 and July 1 in each year, and maturing serially on January 1st in the years and amounts as follows: $7,000 in 1958 to 1971, both inclusive, and [illegible] in 1972, 1973, 1974 and 1975, all bonds maturing after January 1, 1968, being subject to redemption in inverse numerical order on said date and any interest payment date thereafter at a premium of two percent.

Both principal and interest will be payable at any suitable bank designated by the purchaser. The school district will furnish printed bonds and approving legal opinion of Messrs. Faegre & Benson, Minneapolis, Minnesota, both without expense to the purchaser. The bonds will be delivered to the purchaser within forty days from the date of sale, accompanied by an unqualified approving legal opinion and customary final delivery papers, including a certificate showing absence of litigation.

All bids must be in writing enclosed in a sealed envelope, be unconditional except as to the above opinion and be left with the undersigned prior to the above time, accompanied by a certified check, bank draft or cashier's check in the amount of at least $2,000, payable to the order of the district, to be forfeited as liquidated damages in event the bid is accepted and the bidder fails to comply therewith.

Split rate bids may be submitted stating the same rate or rates of interest from the date of issue to maturity for all bonds having a common maturity date in integral multiples of one-quarter or one-tenth of one percent. Bidders are also asked to indicate total interest cost and average rate. The bid deemed most favorable will be accepted. No bid for less than par plus accrued interest from date of issue to date of bond delivery will be considered. Oral auction bids will not be received. The district reserves the right to waive any informality in any bid, to reject any and all bids and to adjourn the sale if deemed expedient.

ORDINANCE NO. [illegible]

An Ordinance Preventing the Running at Large of Dogs at Certain Times and Providing for the Impounding of Dogs and Repealing Ordinances No. 9, 58 and 100.

THE CITY COUNCIL OF THE CITY OF THIEF RIVER FALLS DO HEREBY ORDAIN AS FOLLOWS:

Section 1. It shall hereafter be unlawful for the owner or keeper of any dog to allow such dog to run at large within the corporate limits of the City of Thief River Falls, Minnesota from April 15th of each year to September 15th of each year. It shall hereafter be unlawful for the owner or keeper of any dog to allow such dog to run at large within the corporate limits of the City of Thief River Falls, Minnesota at any other time unless licensed as hereinafter provided. It shall hereafter be unlawful for the owner or keeper of any female dog to allow such dog to run at large within the corporate limits of the City of Thief River Falls, Minnesota at any time unless said dog has been spayed. Every owner or keeper of any dog shall keep such dog upon the premises of such owner or keeper in compliance with the terms of this section except when such owner or keeper or other competent person shall have such dog secured by a leash.

Section 2. Licenses for dogs, as hereinbefore mentioned, shall extend to and expire on the first Monday of April next following the issuance thereof, and shall be procured on or before the thirtieth day of April in each year. The person applying for such license shall pay into the city treasury the sum of two dollars for each male dog and six dollars for each female dog, and upon the presentation of the city treasurer's receipt therefor, shall receive from the city clerk a license, which said license shall designate the name and general description of the dog so licensed and the number of the license granted. It shall thereupon become the duty of the owner or keeper of the dog so licensed to have a collar placed on the same with the license number distinctly marked thereon. It shall be the duty of the city clerk to keep a record of the licenses so issued with the name of the person to whom issued, the number of the license and a general description of the dog licensed.

Section 3. The Mayor shall have authority and is hereby empowered to appoint an additional police officer whose special duty it shall be to capture and impound any dog running at large contrary to the provisions of this ordinance, such officer to receive such compensation as the city council may direct.

Section 4. All dogs conveyed to the dog pound shall be kept, with kind treatment, for at least two weeks, unless sooner reclaimed by their owners as herein provided. In case the owner of any dog shall desire to reclaim him from the dog pound, said dog may be released from the pound upon the payment by the owner of the sum of two dollars and the further sum of fifty cents for each day said dog has been confined in excess of two days.

Section 5. At the expiration of two weeks from the time any dog is impounded, if the same has not been reclaimed, the police officer shall cause such dog to be killed and shall properly dispose of the remains thereof. Said police officer shall account to and pay over to the city treasurer, monthly, all money received by him under the provisions of this ordinance.

An accurate account shall be kept by the police officer of all dogs received at the dog pound, the time when received at the pound and all dogs killed or released therefrom.

Section 6. Whoever violates any of the provisions of this ordinance shall, upon conviction thereof before the Municipal Court of said city, be punished by a fine of not less than five dollars and not more than fifty dollars or by imprisonment for a term not to exceed sixty days.

Section 7. Ordinances numbered 9, 58 and 100 and any other ordinances inconsistent with the provisions hereof, are hereby specifically repealed.

Section 8. This ordinance shall be in effect from and after its passage, approval and publication.

June Dairy Month Chairmen Plan to Be Here Dairy Day

Berry Akers to Speak at Smorgasbord; Mrs. Sweeney to Judge Princess Event

Minnesota's June Dairy Month chairmen will attend the annual Northwest Dairy Day at Thief River Falls on June 14, the Minnesota Dairy Industry Committee, sponsors of the state observance, informed the local Dairy Day chairman.

Mrs. J. Elsie Sweeny will serve as one of the judges for the dairy princess contest and Berry Akers will be the principal speaker at the smorgasbord in the tourist park, where the awards will be presented.

Mrs. Sweeny, Minneapolis, is a member of the board of directors of the Minnesota State Ayrshire association and of the state livestock breeders organization. She has been raising purebred Ayrshires for ten years and currently owns a herd of 60 animals.

Mr. Akers, a veteran farm journalist, is editor of The Farmer magazine, published in St. Paul. He has reported farm activities in the midwest for 40 years, and toured Europe last year as a member of a special presidential commission to study the possibilities of increasing foreign markets for American dairy products.

C. P. Hole, Long Time Publisher at Erskine, Dies

C. P. Hole, 78, publisher of the Erskine Echo for nearly 50 years and associated in the newspaper business in Polk county since 1890 died Saturday at a Fosston hospital. He was hospitalized Wednesday with pneumonia and died Saturday from a heart attack.

Born in Norway, Oct. 2, 1876, Mr. Hole began publishing the Erskine Echo in 1905 and continued there until his retirement eight years ago when his son Kenneth took over the paper. He began in the newspaper business at McIntosh at the age of 14 years and later worked on the Mentor paper and also for the Crookston Times before locating permanently at Erskine.

Surviving are his widow and ten children.

Goodridge School Plans Exercises for End of Term

Baccalaureate Services May 29; Commencement Exercises Slated June 2

Goodridge high school is holding baccalaureate exercises at the high school gymnasium at 8 p. m. Sunday, May 29. The address will be given by Rev. Heltne. Roland Samber will play the processional and recessional, with musical selections by the girl's glee club.

Commencement will be held at the high school gym on Thursday evening, June 2nd at 8 p. m. The commencement address will be given by Dr. Daryl E. Keefer, dean of the graduate school, University of North Dakota. Dr. Keefer's topic will be, "The World Is Your Oyster."

The invocation and benediction will be given by Rev. Larson.

Valedictorian of the 1955 class is Janyce Quam, daughter of Mr. and Mrs. Louis Quam of Goodridge.

There are two co-salutatorians this year. Shirley Hanson, daughter of Mr. and Mrs. Milford Hanson of Goodridge and Helen Smith, daughter of Mr. and Mrs. Thomas Smith of Grygla are tied for those honors.

There are twenty three seniors in this year's class.

Music will be furnished by vocal groups under the direction of Roland Samber. Beverly Nelson, a vocal soloist for the past four years in high school, will be singing her "swan song" as a high school student.

Baccalaureate services will be held Sunday evening, May 29, at 8 p. m., with Rev. Heltne as the speaker. The girls' glee club will supply two selections, and Roland Samber will play the processional and recessional marches.

H. Roese, Bemidji, Dies in Car Crash

Well Known as Operator of the Shorecrest Lodge

Harry Roese, 59, Bemidji, widely-known resort owner, was injured fatally Thursday when his auto collided with a semi-trailer truck on highway 71 near Wadena.

Roese, who also was a federal milk inspector, was returning from an inpection trip to Browerville. Authorities said his car hit the truck as the truck backed into an approach.

Roese died about four hours later in a hospital.

Active in athletic and civic circles, Roese had coached at Watertown, S. D., high school from 1923 to 1927 and at the Crookston agricultural school during World War II.

He was in charge of work relief programs in the Bemidji area during the early days of the depression.

Roese founded the Shorecrest lodge, which still is one of the major resorts in the Bemidji area.

In 1947 Roese was governor of the Lions club district which included Minnesota, North Dakota and Ontario, Canada. He also was president of the Bemidji Lions club in 1946 and 1947, and was a past president of the Bemidji Resort Owners association.

Survivors include his wife and a daughter, Mrs. Fred Nesper, Park Forest, Ill. His son William, was killed in World War II.

Julius Olson Rites Set for Thursday in Warren Church

Retired Supreme Court Justice Dies Sunday at 80 at Home in Warren

Services for Julius J. Olson 80, associate justice on the Minnesota supreme court from 1934 to 1948, will be held at 2 p.m. Thursday in Our Saviours Lutheran church in Warren.

"Mr. Olson died Sunday night in the Warren hospital.

As a Norwegian immigrant boy, he came to this country when he was 8 to settle with his parents at Lake Park, Minn.

In 1897 he graduated from high school in Detroit, Minn. later named Detroit Lakes. He was admitted to the bar in 1900 after graduating from University of Minnesota law school.

For 30 years Judge Olson practiced law at Warren. He was associated for a part of that time with Justice Oscar R. Knutson, now Minnesota supreme court justice.

Judge Olson had the distinction of being named to the bench by governors of both the Republican and the old Farmer-Labor parties.

In 1930, Republican Gov. Theodore Christianson named him to the 14th district court bench. Four years later, the late Gov. Floyd B. Olson, appointed Judge Olson to the state supreme court.

He was followed on the district court bench in 1934 by Judge Knutson. When illness forced Judge Olson to retire from the state supreme court in 1948, his successor again was Knutson.

Home Freezing Is Topic of Sessions Today & Thursday

Home freezing is the topic of meetings scheduled in the county this week, Home Agent Marge Olsen announced today. The meetings are planned as part of the Extension Home Program and are open to all county women who are interested in home freezing.

Included in the topic will be making the best use of the freezer and locker, understanding what containers and wrappings to use, and a demonstration and film on freezing fruits and vegetables.

Two meetings are being held as follows, in the city Auditorium in Thief River Falls this evening at 8 p. m., and at the Goodridge school gym Thursday evening at 8 p. m.

Homemakers who have freezing problems or who would like to know more about this favorite way of keeping food are invited to attend, Miss Olsen added.

Polio Vaccine Is Topic at Rotary

Recent developments in the program for administering the Salk polio vaccine was discussed by Dr. Dan Greene, city health officer, in a talk given at the Rotary club luncheon meeting Monday noon in the Elks club rooms.

Pencil Retrieved from Stomach of Gatzke Boy, Age 12

A 12-year old Gatzke boy is recovering in Greenbush Community hospital after sighing too deeply while writing a school examination.

Duane Nelson was bent over his test papers last week, a short pencil held in his cupped hand. He took a deep breath—the pencil was gone.

Examination by Dr. Lloyd H. Klefstad showed the pencil lodged in Duane's stomach.

It was removed by surgery.

Boy from Fertile Dies in Car Wreck

Ashton Russell Jr. Is Killed Sunday Afternoon

A fishing trip ended in death Sunday afternoon for a rural teen-age Fertile youth when his auto went out of control and rolled over near Fertile.

Ashton Russell, Jr., son of Mr. and Mrs. Ashton Russell who farm north of Fertile, was killed instantly when he was thrown from the car as it rolled after striking loose shoulder gravel while passing another auto.

Two teen-age passengers with Russell escaped serious injury. Edward Young, rural Fertile, was in St. Francis Hospital in Crookston Monday for observation. The other youth, Harley Kjos of Fertile, was shaken but was not hospitalized.

The accident occurred at mid afternoon about five miles east of Fertile on the Winger road. The Russell youth's wristwatch, broken in the mishap, had stopped at 2:37 p. m., according to Deputy Sheriff Paul Cosuette who investigated.

Russell was thrown 95 feet and received head and neck injuries that brought death, according to Polk County Coroner Dr. H. E. Nelson. The body was taken to Erickson's Funeral Home at Fertile. Dr. Nelson said there would be no inquest.

The three boys were on a fishing trip to Union Lake.

Local Student Is Winner in Essay on Conservation

Virgil Larson, a sophomore at Lincoln High School, is one of two Ninth district winners in the twelfth annual conservation essay contest. He was notified of his achievement last week by Van Lawrence of the department of conservation.

The contest is sponsored each year locally by the Thief River Falls Woman's Club, and is open to all high school students in the state.

The award is a week's vacation at Douglas Lodge, Itasca State Park starting June 20th, with all expenses paid.

Virgil Larson is the son of Mrs. Oscar Mosbeck of Red Lake Falls.

Sweet Sixteen

How proud Mother and Dad are of their lovely young graduate. They bask in the glow from her fresh beauty and quite understandably feel a sense of accomplishment. Raising a baby daughter and seeing her attain this threshold is an achievement.

But hold on there, Dad, before you burst with natural pride. What have you given this daughter other than the physical necessities of food and clothing? What have you done about her spiritual needs?

And, Mother, you who have often denied yourself for this beloved girl, what inner endowment have you passed on? Have you enriched her soul with faith and understanding?

How about it, parents of this lovely graduate, have you given your daughter the religious training and habit of regular church attendance that will help her more than all else to meet life's problems with tranquility, to make the most of her promising future?

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Tips on Testing Old 2,4-D

Many farmers have stored last last year's 2, 4-D over winter, and are now wondering if this 2,4-D has lost it strength. If you would like to test the "health" of 2,4-D that has been stored a few months under low temperatures here is a simple formula.

Before making any tests, the container should be opened and it's contents allowed to come to room temperature. Next stir with a clean metal or glass rod and feel for any resistance. That is, crystaline formation, oil globs, or heavy bottom layers. If you note any of these things, it is especially important to test the material. It is wise, anyway, even if the material feels okay.

Here is the Minnesota Department of Agriculture's testing formula for Ester Forms of 2,4-D:

1. Pour a cup of water in a *clean pint fruit jar.*

2. Add five tablespoons of the ester concentrate. Shake the 2,4-D container well before you take this sample.

3. Screw the cap on the fruit jar and shake it well for a few seconds, being careful to turn it upside down and back a dozen times. Then set it aside for two hours.

4. After the two hours are up, examine the jar for an oil layer or globules on the surface. If you see oil, the material has lost its strength and should not be used.

5. Watch also, for cream formation. You should only have a very thin layer of cream on the top — not over ⅛ of an inch thick. If you see cream, turn the fruit jars upside down and back several times. Then, if the material looks all the same throughout, it's okay to use. If not, don't use it.

The following is the Minnesota Department of Agriculture's formula for testing Amine Forms of 2,4-D:

1. Fill a clean pint fruit jar with water.

2. Shake the amine container well, then add five tablespoons of the amine concentrate to the water in the jar.

3. Put the cap on the jar and shake thoroughly for several seconds, until the solution appears the same all through. Then, set it aside for two full days.

4. At the end of two days, check the jar for crystal formation on bottom or sides, precipitate formation at the bottom, and suspended particles of material. If you see any of these conditions, the material should not be used.

I would think this method of testing the strength of 2,4-D, could be made into an excellent 4-H demonstration.

Tractor Accident Tip

To end my column this week, I would like to leave you with this serious thought. In a recent two year period, tractor accidents caused 69 deaths. Tipping over was involved in 40 of them. In 30 cases, the death tractor tipped sideways, in 9 cases it tipped backwards and in one case it even tipped forward — that is a somersault. I'm passing this information on to you from Glenn Prickett, extension farm safety specialist at the University of Minnesota. Mr. Prickett also says the principal cause of tipping was — you guessed it — speed.

KRATKA . . .

Mrs. Ted Lendobeja, Ph. [illegible]

(To late for last week)

The other day the pupils and teacher, Miss Swenson experienced quite an exciting moment when two large moose bi-passed their school. Young Peter Lendobeja, a first grader, on his way to school saw the two animals in their garden. Quite thrilled and a wee bit frightened he ran in to tell his mother there were two camels in their garden. The moose traveled on past the school disappearing in a wooded area half a mile north of the school. You can just imagine there was quite a bit moose talk at Meadow Lark that day.

Peter Lendobeja received his first communion at St. Bernard's church on Sunday, May 15th.

4-H Sunday was observed at the Telemarken Church at evening devotion given by Pastor A. B. Holtne who spoke on the farmer and his dependency on the Divine Power for everything he grows and harvest.

A short program given by the Kratka 4-H club consisted of a welcome by president JoAnn Johnson, Hymn, Beautiful Savior by audience; scripture reading and prayer, Orlene Anenson; song by David and Richard Parnow, Ralph, Dale and Sharon Wilde, JoAnn and Roger Johnson, Bernard Wilson and Stanley Olson; reading by Mary Ann Lendobeja; solo by JoAnn Johnson; closing by singing the 4-H hymn. Lunch was then served to everyone by the 4-H club.

Mr. and Mrs. J. C. Lendobeja, Peter and Paul enjoyed a picnic at Pine Lake on Sunday.

Mr. and Mrs. Roger Mickelson, Beattie, Angela, Harlan, Paula and Harold were guests at the Bert K. Johnson home on Sunday.

Gunder Olson visited with Jon Bergland at the Northwestern Hospital on Monday. Mr. Bergland recently underwent an amputation.

Glenn Lendobeja and Robert Johnson motored to Grafton on Monday. It was Skip Day for the seniors at Lincoln high school.

Of interest to a lot of folks in this community, probably would be a news clipping I received which appeared in the San Diego Tribune concerning the Rev. Clifford Larson, formerly of rural Gully. It states that the Lutherans around San Diego had dedication rites of the chapel and educational building at the Clairemont Church, at Clairemont, Mesa Blvd. and Kiesfeld Ave. there on May 1. Also taking part was a Rev. T. Thompson of Minneapolis and several San Diego county pastors. The value of the new structure which was begun in 1954, was estimated at $125,000 and the additions comprise 10,000 square feet and are of common brick in contemporary design. Rev. Larson who grew to manhood in this community is the pastor of this church.

The social high light in the community the past week, at least, for the younger set was the Junior Senior banquet and prom at the Oklee High School gym, May 12. A big turkey dinner was served at 6:30, with a group of sophomore girls dressed in Chinese costumes acting as waitresses. The junior mothers prepared the meal. The gym was decorated beautifully in an "Oriental garden" theme. The class prophecy and will was read during the dinner, which was followed by the grand march, which was lovely and the prom, with music by Irv. Lester. It was really something to see the girls dressed beautifully in formal gowns and the boys in their "sharp", shall we say, attire. Gordon and Joanne Lolland, Lane Kvestad, Joyce Bjerklie, Olive Wilson, Allan Christopherson, Clyde Bendickson, David Norberg, Buddy Bjornaraa and Jerry Breivold were some of the juniors and seniors attending from here.

Current Events of Valhall Area

Women's Mission Group of ELC to Meet at Bemidji

Convention of Northern Minnesota District Is Set for June 7 Thru 9

Womens Missionary Federation of the Evangelical Lutheran Church will hold its Northern Minnesota district convention June 7-8-9 at Bemidji. Pastor L. E. Evans of the First Lutheran Church is the host pastor. All sessions will be held in the high school auditorium. The opening session will be a joint meeting at 8 p. m. on June 7. Dr. Schiotz, president of the ELC, will be the speaker, and the district women's chorus will sing.

Each morning at 9 the convention will open with Bible Study by Mrs. Merill Gilbertson of Forest City, Iowa. Main speakers include Dr. A. E. Hanson, president of the Northern Minnesota district; Dr. Magnus Dahlen, head of the department of charities; Miss Bernice Boyum, returned missionary from Japan; Miss Shirley Barns of the diaconate; and Carl Narveson from the church office in Minneapolis who will speak on Christian education.

Pastor Oscar A. Anderson of Trinity in Moorhead will introduce the theme on Wednesday morning. At the banquet on Tuesday evening, Mrs. E. A. Sihler, president of the Eastern district WMF, will speak.

Special music is in charge of Mrs. John Bulerud of Halstad.

The business session will be held Tuesday, including election of officers.

Mrs. A. E. Hanson will install the new officers at the closing session.

Greenbush Sheep Days June 10 & 11

Demonstrations and Shearing Contests Set

The Minnesota Sheep Producer's association announced that the Greenbush Sheep Days will be held this year on Friday and Saturday, June 10 and 11. The two days will be crowded with events that will be both entertaining and educational.

On Friday morning, Ed. Warner of Chicago will open his widely known sheep shearing school. This school has trained many shearers in this district, some of whom have become champions. The instruction is free and sheep and shearing equipment will be provided free of charge.

On Friday afternoon an educational meeting will be held in the new sheep building on the grounds. Highlights of this meeting will be a talk by Dr. A. F. Larson, veterinarian of Greenbush, who will conduct a Post-Mortem examination of a freshly killed sheep, pointing out internal parasites and showing where to look for them in a dead sheep. In addition to this, there will be other numbers on the program including a panel of experts who will answer questions sent up by sheep raisers. The afternoon meeting will be followed by a banquet in the evening.

On Saturday morning there will be a short business meeting at 10:00 a. m., followed by the judging contest in which the individual judges will compete for six yearling Suffolk ewes to be given as prizes. In the afternoon will be held the senior and junior shearing contest with the best shearers of the Northwest shearing for the championship of Minnesota. Numerous cash prizes have been offered to the winners of the various contests.

In the evening, a sheepmen's dance will be held in the village hall.

Legion Auxiliary Announces Poppy Poster Winners

Contest Divided into Two Groups, 4th, 5th and 6th Grades and Grades 7, 8, 9

In connection with the Poppy Day observance, a poster contest has been held in the public schools under the auspices of the American Legion auxiliary and supervised by the teachers and art instructor, Miss Godelyn Troumbly.

The auxiliary offered prizes of $3, $2 and $1 in each of the two groups represented.

The best posters are being displayed in the downtown store windows.

Last Thursday Miss Troumbly presented an outstanding group of posters to poppy chairman, Mrs. R. J. Dryden, whose appointed judges found the following winners.

Class 1—Grades 4, 5, 6, 1st prize won jointly by David Forkenbrock and Benjamin Martin, Knox 6th grade; 2nd, Pamela Torkelson, Knox 6th grade; 3rd, won jointly by Sharon Quam and Doris Humes, 6th grade, Northrop.

Honorable mention: David Bratsch, Carol Haack, and James Ewing, all of Knox school; Roger Gillespie, Washington; and Burton Emanuel, Northrop.

Class 2, Grades 7, 8, 9—1st, Gloria Odegaard; 2nd, Gerald Jorgenson; 3rd, three tied, Mary Baumann, Marlene Stigen and David Thorstad.

Honorable mention: James Lindsey, Elaine Geske, Wayne Erickson and Lowell Nereson.

Only posters which have received the unit 1st prize in each class will be submitted for district competition, it was announced.

14th District Bar Will Meet June 4

The Fourteenth Judicial District Bar association will hold its annual meeting Saturday, June 4th, at 6:00 p. m. at the New Bronze Boot in Grand Forks. New officers will be elected and other business transacted. For the feature event of the evening, Donald Barbeau and Pat King, well known trial attorneys from Minneapolis, will give their panel presentation of plaintiff-defendant trial tactics under the new rules of practice.

TRF Students Win Honors at St. Olaf

A total of 278 students at St Olaf College received recognition at the annual Honors Day program this year for having maintained a 2.0 (B) average or better in all class work during their years, or in the case of freshmen, their year, at the college in Northfield. Among the students earning general honors are Barbara G. Bjorkman, and Gene A. Bratsch of Thief River Falls.

UND Professor to Give Memorial Day Talk at Goodridge

Dr. Raymond P. Harris to Speak Next Monday Morning in Gymnasium

Dr. Raymond P. Harris, associate professor of education at the University of North Dakota, will be the guest speaker at Memorial Day exercises Monday morning, May 30, in the Goodridge high school gymnasium.

Dr. Harris, who received his doctor of education degree at Columbia University teachers college, served in the army air force from 1942 to 1945.

The exercises will open with the advance of the colors by the color guard of the Grygla post of the VFW. Rev. V. L. Rasmusson will give the invocation, and Supt. David M. Brown will extend a welcome.

Students in the Goodridge school will supply musical selections, and songs by the audience will complete the program, which will be followed by a tribute to the Unknown Soldier led by the Grygla VFW post on the athletic field.

Minneapolis Man New President of 'U' of M. Alumni

Hibbert M. Hill, chief engineer for Northern States Power Co., of Minneapolis, is the new president of the University of Minnesota Alumni Association. He succeeds Francis L. (Pug) Lund, Minneapolis insurance executive and former All-American football great at Minnesota.

The association's board of directors, meeting Thursday, May 19, at the University, named Hill to the post for the year beginning July 1.

Other officers elected by the board are: Glenn Seidel, first vice president; Maurice Salisbury, second vice president; Mrs. B. W. Bierman, secretary; Wendell Burns, treasurer. All are from Minneapolis except Mrs. Bierman, wife of former Minnesota football coach Bernie Bierman, who is from St. Paul and Mr. Burns, senior vice president of the Northwestern National Bank, who resides in Excelsior.

The average American will consume close to 200 soft drinks during 1955-double the 1940 total.

New Point System Is Put into Effect for Motorists in State

A number of Minnesota motorists have already received the dubious distinction of being the first recipients of warning letters issued by the Minnesota highway department under the "point system" of driver license suspensions and revocations announced last week by Governor Orville L. Freeman. These letters, according to E. P. Lee, driver license division director, are being issued to every motorist whose driving demerits have brought him to the half-way mark or danger point leading to the suspension of his license.

Under the plan announced by Governor Freeman in the state's continuing campaign to make the highways safer for the vast majority of good, careful drivers, the point system assigns a sliding scale of values to those types of violations which result in the most traffic accidents, with a total of twelve points accumulated by a driver during a twelve-month period resulting in the suspension of his driving permit. The period of suspension will be determined in large measure by the types of violations and the driver's previous five-year record.

In addition, certain major violations—all of which have been assigned point values of 18—will result in outright revocation for a five-year period, with a new license obtainable during that period only by the filing of proof of financial responsibility as required by the safety responsibility act.

These include operating a motor vehicle while under the influence of intoxicating liquor or narcotic drugs; hit and run resulting in death or personal injury; three convictions for careless or reckless driving or speeding within a twelve-month period; making a false statement to the Department under laws relating to ownership or operation of a motor vehicle; manslaughter or criminal negligence and the commission of any felony in which a motor vehicle was used

Suspensions, ranging from 30 days to one year, will be ordered for; conviction for a violation which contributed to an accident, 12 points; driving after revocation, suspension or cancellation of driver's license, 12; reckless driving, 6; speeding or driving too fast for conditions, 6; failure to yield right of way to another vehicle or a pedestrian, 6; disregarding traffic control signs and signals, 4; improper passing, 4; following too closely, 3; improper turning, 3; driving on the wrong side of road, 3; leaving the scene of an accident, no personal injury, 3, and all other moving traffic law violations, 2.

In announcing the point system after consultation with Highway Commissioner M. J. Hoffmann, Highway Safety Director Earl M. Larimer, Mr. Lee and Minnesota Safety Council officers, Governor Freeman emphasized that the vast majority of good drivers have nothing to fear under the new system because it will adversely affect only those who do not, or cannot, drive safely.

An ample supply of leaflets fully describing the new system is being printed and will be available at clerks of district courts, as well as from the highway department.

Three Girls Lead Graduating Class at Goodridge

JANYCE L. QUAM
Valedictorian

SHIRLEY A. HANSON
Co-salutatorian

HELEN C. SMITH
Co-salutatorian

Three girls are scholarship leaders in the Goodridge high school graduating class of 1955, Harold H. Haas, principal, announced. Janyce L. Quam, valedictorian, is the daughter of Mr. and Mrs. Louis Quam of Goodridge, while the co-salutatorians, Shirley A. Hanson and Helen C. Smith, are respectively the daughters of Mr. and Mrs. Milford Hanson of Goodridge and Mr. and Mrs. Thomas Smith of Grygla.

C. F. Ellertson Graduated from Luther Seminary

Included in a 1955 class of 82 seniors in Lutheran Theological seminary, St. Paul, who were graduated Sunday at exercises in Central Lutheran church, Minneapolis, was Carroll F. Ellertson, former interne at Trinity church in this city. He has been assigned to a mission in South Africa. The son of Mrs. Ed Ellertson of Gully, he has recently been conducting services at Mavie.

Drivers License Revocations Up

Revocations and suspensions of motor vehicle driver's licenses this year is running well ahead of last year, according to a report today by the drivers license division of the state highway department. Revocations this year to May 1 totaled 3,009, a gain of 176 over the 2,833 total for the same period last year, while suspensions totaled 8,514, as compared with 7,699 in the same period in 1954, an increase of 815. There were 767 revocations and 1,032 suspensions during April of this year, increases of 49 and 41, respectively over the April 1954 totals.

Plans Set up to Celebrate June as Dairy Month

To Conduct Regional Dairy Princess Contests in 15 Minnesota Cities

Advance plans for Minnesota's annual observance of "June is Dairy Month" include a statewide dairy princess contest, a kickoff luncheon in the Twin Cities, 29 dairy day celebrations in communities around the state and many other events designed to increase consumer interest in dairy products, the Minnesota Dairy Industry Committee, sponsors of the observance, reported this week.

Chairmen of June Dairy Month are Berry Akers, St. Paul, and Mrs. J. Elsie Sweeney, Minneapolis.

Akers will be the principal speaker at a luncheon on May 24 at the St. Paul Hotel where Governor Freeman will officially proclaim June as dairy month. The luncheon is co-sponsored by the Minneapolis and St. Paul chambers of commerce.

Minnesota cities this year are holding a record number of dairy day festivals. Most of these celebrations will include such features as calf shows, regional or county princess contests, a parade, milking contests, a dairy bar and specials on dairy foods in local retail stores.

Regional princess contests will be held in 15 cities, including Thief River Falls, to select the finalists who will try for the crown of "Princess Kay of the Milky Way", Minnesota's state dairy maid. Finals will be held in late August with the coronation of the state princess scheduled for opening night of the State Fair. This year's winner will attend the national contest sponsored by the American Dairy Association in October.

Eleanor Maley from Grand Meadow, this year's Princess Kay, will attend coronation ceremonies for all regional winners.

At Goodridge

DR. DARYLE E. KEEFER

Dean of the graduate school at the University of North Dakota, who will be the speaker at Goodridge high school commencement exercises Thursday evening, June 2, at 8 o'clock. Dr Keefer received his B. S. and M. A degrees at Ball teachers college in Muncie, Indiana, and later received his doctor's degree at Northwestern University in Evanston, Ill. He taught at numerous colleges before assuming his present post.

Prospectors for Uranium May Get Permits Shortly

Plans and methods for issuing prospecting permits and uranium mining leases are being completed by Conservation Department officials under the direction of George A. Selke, commissioner; Miles Lord, attorney general; and Ray D. Nolan, director, division of Lands and minerals.

Commissioner Selke stated that applications for prospecting permits have been received, but that no uranium permits will be issued until a special permit for uranium prospecting is prepared, at which time an announcement will be made.

It is not possible to "stake" a prospecting claim on state lands, as a permit is issued in each case giving the exact governmental description of the land. Applications for prospecting on federal lands must be directed to the federal office concerned, and a permit or lease must be secured for prospecting on private lands from the owner of the land. It is important that the exact governmental description of the land be included in the original application and applicants can save time by securing this information.

Applications for a prospecting permit under the wild cat iron ore law must be accompanied by two certified checks or cashier's checks payable to the state treasurer. One is for the amount of $50 for the permit, and the second for $200 which is held on deposit as guarantee of performance. Four contiguous forties may be included in each permit, but the lands must belong to one trust fund and no permit can include both trust and tax-forfeited lands.

Until permits can be issued specifically for uranium prospecting the department will process applications under the wild cat iron law, which applies in all counties except St. Louis, Itasca, Lake, Crow Wing and Fillmore. It is expected that special permits for uranium prospecting will be available soon.

Four from TRF to Be Graduated at Concordia College

Commencement Rites to Be Held in Fieldhouse Monday Morning, May 30

Commencement events for Concordia College, Moorhead, have been set for the weekend of May 28 through May 30.

The highlight of Sunday's festivities will be the baccalaureate service at 11:00 A. M. in the Concordia fieldhouse with the local congregations participating. The sermon will be given by the president of the college, Dr. Joseph L. Knutson.

At 3:30 P. M. on Sunday afternoon a concert will be presented by the Concordia College band while on Sunday evening the Concordia choir will present a program at 8:15 P. M.

Commencement exercises will be held in the fieldhouse at 10:00 a. m. on Monday, May 30, at which time Dr. J. W. Ylvisaker, president of Luther College, Decorah, Iowa, will present the address. The laying of the cornerstone of the Carl B. Ylvisaker Library, now under construction, is to take place at 12:00 noon following the graduation exercises.

Thief River Falls students announced as candidates for graduation include Donald E. Lunke, B. A.; Joan H. Winter, B. A.; Eileen M. Larson, B. S.; and Ruth Anne Sefstad, B. S.

Warning Issued on Drowning Mishaps

Safety Council Urges Caution Next Week-end

With the annual Memorial Day holiday falling on Monday, the long week end and nice weather will bring crowds of people into the out-of-doors and greatly increase the possibility of drowning accidents, safety officials warn today.

"The combination of hot weather and holiday excitement always means some unfortunate people will be involved in water accidents," Carl W. Moen, secretary of the water and hunting section, Minnesota Safety Council, said.

"Last year on the last week end of May, three boating accidents resulted in three deaths. One boat was a home-made craft, loaded with a heavy 12 horsepower motor. Weather plays a most important part in the kinds of accidents which occur."

Reports made to the department of conservation to mid-May show that 14 persons have been drowned this year, four in January, six in April and four the first half of May. Of these, four were small children and ten were adults.

During the same period last year there were seven deaths, five of which were small children.

Death in the water can be avoided by remembering a few common sense rules—don't overload the boat; never stand up in the boat; stay with a boat if it capsizes; never swim alone; and always watch the youngsters when around water.

The first concrete airport pavement in the United States was constructed at Dearborn, Mich., in 1927.

SMILEY . . .

By Mrs. Jim McCrum, Rt. 2, City

The Smiley Community club met Friday evening, May 20. A business session, conducted by the President, Marice Newton, dealt mainly with preliminary arrangements for the 4th of July family picnic for members. An excellent program consisted of community songfest led by Mrs. Rudolph Hanson with Mrs. Arnold Hammer at the piano. A congratulatory song was sung by the audience for the newly weds, Mr. and Mrs. Hugh Cabot who attended the meeting. Two vocal selections were sung by Jeffrey Hartie of St. Hilaire accompanied by Mrs. Arnold Hammer. Two piano solos were played by Stanley Olson of Kratka. Members of the Highlanding 4-H club presented a one act play "Who Gets the Car Tonight." This excellent play was under the direction of Mr. Orville Jensen of Goodridge. Several duet accordion selections were played by Mrs. Mark Olson and Robert Arneson. The program committee, the J. W. Lendobejas and the Jim McCrum's wish to extend a sincere "thank you" to the people who contributed to this program. Refreshments were served by the Lawrence Philipp, Harlan Knutson families and Gerald Sanders.

Mrs. Mary Kraemer of Blackduck spent several days at the home of her son and daughter-in-law the Bob Kraemer's. She left for her home Wednesday.

Sunday visitors at the Mark Olson home were Mr. and Mrs. Arthur Waller and family of Viking, Mr. and Mrs. Walter Waller and family of Hallock, Robert and Harry Waller of Belusmade, N. D., Mr. and Mrs. Winton Knutson of Sumedal. Other relatives who had been at the Mark Olson home previously to visit their ailing father, A. P. Waller, were Rev. and Mrs. Peter Waller of Holdingford, Minn.; Mr. and Mrs. Alfred Waller of Minneapolis, and Hjalmer Waller of Hoffman, Minn. All the Messers Waller mentioned here are sons of A. P. Waller, Mrs. Knutson and Mrs. Olson are his daughters.

Mr. and Mrs. Adam Lendobeja motored to Fargo Saturday and spent the day with their daughter, Dianne, who attends the NDAC.

Young Mistress Mary Kraemer received her first Holy Communion at the St. Bernard's church Sunday morning, May 15. She was the honored guest at a luncheon following services at the home of her parents, the Bob Kraemers. Guests were Mrs. Gus Hillyer and Jim of Steiner, Mr. and Mrs. Jerome Kraemer and Carol of Thief River Falls, and Mrs. Mary Kraemer of Blackduck. Mrs. Hillyer and Mrs. Kraemer are Mary's grandmothers.

Mr. and Mrs. Hugh Cabot spent two days of their honeymoon at the home of Mr. Cabot's uncle and aunt, the Jim McCrum's. *They were married at* the home of Mrs. Cabot's parents, Mr. and Mrs. Kenneth Hillstrom in Lyons, Nebraska, Monday, May 16. From there they motored to Valley City where they attended a Hospital Association convention before coming to the McCrum home. Enroute to their home in Satana, Kansas they motored via the Bemidji and Itasca State Park route to Minneapolis where they will visit his mother, Mrs. Grace Cabot at Island Park. Mr. Cabot is employed as medical technician at a hospital in Satana where his wife is the Superintendent of nurses.

The loss of two well loved old timers in this community in one week is rather a huge pill of sorrow to down. They really were old timers at that, having been here since way back when things were beginning to open up in this territory. Services were held Thursday afternoon at the Bethany church for O. M. Pederson who passed away Sunday morning, May 15. Pallbearers were Karl Beiswenger, Sr., H. B. Hammer, S. S. Nelson, Maurice Newton, Gust Homme, and Wallace Tieman. Rev. A. B. Heline gave an inspiring and comforting sermon. Interment was made in the Bethany cemetery. Mrs. John Johnson passed away Sunday morning, May 22 in the Oakland Park Rest Home. Her services will be held this week sometime. She was a wonderful kindly soul and will be sorely missed. The families of these two good souls are asked to accept the sincerest of condolences from all their Smiley friends as well as neighbors.

Mr. and Mrs. Rudolph Hanson and Marlos accompanied by Carol Hanson of Crookston motored to Fargo Monday. They spent the day visiting with the Hanson's daughter, Lila at the Moorhead Teachers College and with Mr. Hanson's aunt, Mrs. Olaf Bradsho in Fargo. Enroute home Miss Carol Hanson remained at her home in Crookston.

Bruce McCrum arrived Saturday morning from Kingsville, Texas. He will spend a 15 day leave from the Navy with his parents, the Jim McCrum's before leaving for San Francisco, Calif. where he will board the Aircraft Carrier, the USS Oriskany, for further duty.

Mrs. Harlan Knutson has returned to her home to convalesce. She arrived Friday after spending several weeks at the St. Francis hospital in Crookston after having major surgery. Her Smiley friends and neighbors hope a complete and speedy recovery.

Mr. and Mrs. Walter Lendobeja motored to Grand Forks Saturday. They were accompanied from there by their son-in-law and daughter, Mr and Mrs. Don Hoff and little Steven to Fargo for a visit at the William and Robert Hoff homes. Mrs. Lendobeja and Mrs. Don Hoff also visited at homes of Mrs. Lendobeja's sisters, Mrs. Harold Engberg (Adeline Svensgaard) in Fargo, Mrs. Herb Burrell (Olga Svensgaard) in Moorhead, Miss Thordyce Svensgaard in Fargo, and her two brothers, Julius Svensgaard and Edward Svensgaard in West Fargo.

Mrs. Kenneth Laliberte of Thief River Falls was a Tuesday evening visitor at the Bob Kraemer home.

Mrs. Melvin Torkelson left Thursday evening for Milwaukee. She plans to spend a week visiting her son and his family, Marian Torkelson, and a son-in-law and daughter (Geraldine) Mr. and Mrs. Ted Guerard.

Dinner guests at the Melvin Stenseth home Sunday were Mr. and Mrs. Hans Hanson and Judy of Thief River Falls. In the evening, Mr. and Mrs. Albert Koop and family were visitors at the Stenseth home.

Mr. and Mrs. Clarence Arneson and family motored to Hillsboro, N. Dak. a week ago Sunday and spent the day with the Mergenthal family. A son of the Mergenthal's was Robert Arneson's roommate at the Crookston A. C. the past school term.

Sunday afternoon and evening guests at the J. W. Lendobeja home were Mr. and Mrs. Alfred Lund of Warren, Mr. and Mrs. Marshall Kays of Thief River Falls.

Mr. and Mrs. Elias Angell returned to their home in Thief River Falls a week ago Saturday. Their son-in-law and daughter (Ruby) Mr. and Mrs. Joe LeRoy and family brought them here by car from Minneapolis. The LeRoy's returned to *their home in Minneapolis Sunday*. Friends of Mrs. Angell will be pleased to learn that she is feeling fine now after her lengthy illness and long stay in a local hospital and in a hospital in the cities.

Mrs. Bob Kraemer spent Thursday evening in Crookston visiting with her neighbor, Mrs. Harlan Knutson at the St. Francis hospital.

Mr. and Mrs. Arleigh Birk and children were in Grafton a couple of Sundays ago. They visited her parents, the Ole Hove's in the morning and were dinner guests at the Alan Tharaldson home. In the afternoon, the Birks and the Tharaldson's motored to Grand Forks and attended the Shrine circus.

What a shock it was, indeed, to the neighborhood to find that such wonderful people as the Carl Alberes had to lose their home and belongings in one sweep from the rash hand of fire. A home can arise again, belongings can be restored in some measure in time to come, but never, never can the heirlooms and treasures be returned. Our sympathy is truly a heartfelt thing for the Albergs. Neighbors and friends have really rallied to assist them. A lovely token shower was tendered them Thursday evening at the St. Pauli church. They were presented with $1200 in cash taken in by the donation method. Not to mention the boxes and boxes of needed articles from practically the whole locality. Their "thank you" was most touching.

Mr. and Mrs. Bob Kraemer and family were dinner guests at the Ray Rausch home in Thief River Falls a week ago Wednesday.

Mr. and Mrs. Elias Angell and Clifford Anderson of Thief River Falls were Sunday afternoon guests at the Rudolph Hanson home.

Mrs. Holger Nelson (Clara Johnson) of Kalispell, Mont. arrived Monday to be with her mother, Mrs. John Johnson in her last hours. Her husband arrived this Monday after having been notified of his mother-in-law's passing Sunday morning.

Mrs. Ted Markus and a niece of Bemidji called at the Jim McCrum home Saturday afternoon. Mrs. Markus brought her mother Mrs. Amelia Lokke back to the Rest Home in Thief River Falls after having spent since Mother's Day with the Markus'.

It is quite nice to have Mrs. Carl E. Olson back into the community again. She had been gone for six months. Her visit in Norway was pleasurable beyond all expectations. She had a wonderful time, to be sure. She brought back so many interesting articles made in Norway. Her brother had made the nifty wooden shoes for her and many other items of interest picked up here and there. Her mother's home in Kristiansund, Norway boasted modern appliances — such as we have here. Mrs. Olson spent a week in New York City with her brother and family, Tom Peterson before coming home.

Mrs. Rudolph Hanson and Marlos attended the Telemarken 4-H services in Kratka Sunday evening.

Mrs. Bob Kraemer attended a pink and blue shower for Mrs. Chester Carlson at her home in Thief River Falls a week ago Friday.

Gloria Johnson, Patricia Torkelson, Marilyn McCrum, Gail avon Kisch, Cheryl Johnson and Patricia Sandberg had a merry time on Senior Skip Day Monday. They made a picnic sojourn in an old '39 Ford that had no muffler, low air tires and had to be pushed by five girls 18 times it stopped on them. They managed to get to Crookston and back home with hilarious tales to tell. Youth knows no bounds!

There will be Ladies Aid at the Bethany church this Thursday, May 26. The hostesses will be Mrs. S. S. Nelson and Mrs. Arthur Knutson. Everyone is cordially welcome.

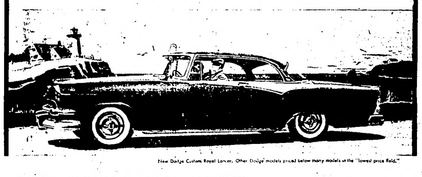
Built to Flash Ahead
(not just get by!)



New Dodge Custom Royal Lancer. Other Dodge models priced below many models in the "lowest price field."

Some things you can see *right away* that tell you this is the year of the *big Dodge move*. (Sales have doubled over last year!)

You can stack the new Dodge up against other cars in its field, and see how much *larger* and *more luxurious* it is: Up to 9 inches longer than competition.

You can see the *distinction* of new Dodge styling, with eager lines that are stealing the "OH's" from the costliest cars. The swept-back *sweep-around* windshield. The "sparkle" of twin-jet taillights and three-tone color combinations. The beauty of Jacquard tapestry interiors.

But more important than this is the deep-down dependability engineered into every unseen part and feature of this great Dodge!

That is something you discover through the years and over the miles. It is your sure reward for choosing the new Dodge.

GROWING WITH YOUR CHILD

Institute of Child Welfare
University of Minnesota

Children are Full of Who's, What's and Why's

The child discovering his world is a real explorer. He satisfies his curiosity by poking, banging, tasting, peeking and asking endless questions.

Studies of children's questions showed that as the child grows, he asks more questions and different kinds of questions. When he first talks, the child is fascinated by objects and their names. He asks many "what" questions—"What's this? What's that?" Then, as he becomes more aware of the persons around him, he asks "who" questions. Later in his "why?" questions.

In addition to satisfying curiosity, children's questions serve many purposes. A question may be an attention-getter, a conversation-starter, or a bid for reassurance, sympathy or help. It is important to try to understand why the child is asking. Perhaps he only wants attention or a reassuring smile. Here your clue may be in his repitition of already answered questions.

If the child's question is vague, perhaps he is having trouble expressing just what puzzles him. Questions on your part may help him get at the problem. Answers need not be elaborate. In answering, use words you are sure the child understands. You may have to phrase your answer a number of ways before he is satisfied. Examples often help. Something concrete —a part of the child's everyday experience—may help him understand.

Questions may tax your ingenuity at times. Perhaps your answer will have to be, "I don't know. Maybe we can find out together."

If the young child isn't stifled in his seeking of answers to the world around him, he will continue to want to learn. Before long he may seek solutions on his own. While he is small, however, patient, careful answers from adults are his main source of understanding his expanding environment.

ORRIN TURNQUIST
EXTENSION HORTICULTURISTS
UNIVERSITY FARM, ST. PAUL 1, MINN.

Preparing The Soil

Proper soil preparation is one of the steps to a successful garden. It involves more than plowing, spading or raking. Attention must also be given to organic matter and plant nutrients in the soil.

Organic matter, obtained by applying manure, compost or peat to the soil before plowing, decomposes to form humus which becomes part of the soil. The humus makes it possible for the soil to hold more water and make it available to plants.

It also loosens the heavier soil, aerates it and makes it easy to work. On light, sandy soils organic matter tends to hold the soil particles together, making it better for gardening.

Apply about 4 bushels of manure or compost to each 100 square feet of your garden. Peat may be applied at the rate of 5-6 bushels per 100 square feet. Plow or spade this organic matter into the soil early in spring.

Fertility is also important for good gardening. Nitrogen, phosphorus and potash are some of the mineral elements necessary for plant growth and are the ones most likely to be lacking. These may be added to the soil in the form of a complete fertilizer such as 5-10-5, 5-8-5, 10-10-10, 8-16-16 or 5-20-20. Apply 3-4 pounds of any of these complete fertilizers per 100 square feet of area. Work the fertilizer into the soil to a depth of 1 or 2 inches after plowing or spading.

Don't work the garden soil too early. As soon as it is dry enough so it doesn't stick to shoe or implements, plow or spade it to a 7-8 inch depth. Although you want a fine seedbed, don't rake the soil so much that you pack it. Plant early cool-season crops immediately after you've prepared the soil.

The area favorable to the discovery of oil and gas in this country is estimated at about one billion acres. About 15 per cent of this land is held under lease.

THE MINNESOTA STORY

Prepared by the

Minnesota Historical Society

THE TIE LOADER

The Minnesota frontier was marked by many kinds of hard and heavy work requiring strong backs, firm hands and willing spirit.

The backs that carried in the food and materials of early days became tired. Therewas much hard physical effort required in breaking the prairie sod, clearing land of timber and stumps, developing mines and building railroads and highways.

Among the old timers there is an opinion that the railroad tie was symbolic of about the hardest work ever done in Minnesota.

A large part of the harvested trees of Minnesota went to build the railroads. Thousands of miles of railroad constructed in Minnesota and the prairie states were built of Minnesota oak, birch or tamarack. The task of laying the original ties was hardly completed when replacements were needed.

The work of cutting ties in the woods was hard. Most ties of the earlier days were hewed with a broadaxe which might weigh from eight to fourteen pounds.

Loading ties for shipment was probably the hardest and heaviest work ever done in Minnesota. A green tie might weigh from 250 to over 400 pounds. The tie loader was a chosen man. A tall man could not do the work. A short, very sturdy man balanced the tie on his shoulder and carried it up an inclined plank or platform and set it in place in the interior of the railroad car. The work lasted for but a few weeks in the spring. The loader lasted but for a few years.

FORT ON THE ANGLE

The story of Sieur de la Verendrye illustrates the hardship and disappointments of early exploration. This man was the last of the great French pathfinders in the Northwest.

Born in Canada and a soldier of France in the War of the Spanish Succession, this man began a great expedition in 1731. Accompanied by three sons and a nephew, La Jemeraye, he journeyed westward. La Verendrye wintered at Grand Portage while his nephew went on to establish Fort St. Pierre on Rainy Lake. The party was reunited in 1732 and built Fort St. Charles in the area now known as the Northwest Angle.

This group built several forts in the territory they explored. These served as a basis of trade with the Indians and La Verendrye devoted much of his time to fishing, farming and to the creation of good relations with the native people. His fur trade was not profitable.

In 1736 La Jemeraye died of exposure. In that same year La Verendrye's oldest son left with a party to meet an expedition from the east which was bringing much needed provisions. This party was killed by the Indians on what is now known as Massacre Island in the Lake of the Woods. Their remains were buried at Fort St. Charles and later identified. In 1908 a memorial was erected at the fort. Fort St. Charles was probably occupied for a longer time than any French Fort on Minnesota soil but after the British conquest little is known of it.

In July the 1955 summer tour of the Minnesota Historiacl Society will go to the Northwest Angle and visit the site of this historic fort.

RECEDING FALLS

One of the most sensational natural possessions of Minnesota has been the Falls of St. Anthony on the Mississippi. Many different people had many interests in this great natural creation.

The early Indians worshipped the falls. They came from great distances to carry out tribal rites. The rushing waters and the great noise of the falls appealed to the imaginations of savage people.

Early explorers wrote of the falls and nearly everyone of America who had ever heard of the Mississippi had also known of its rushing waters far to the north. Father Hennepin wrote of them first in 1680. He named them after St. Anthony of Padua, the patron saint of his travels. Jonathan Carver described them after his visit in 1766. Lieutenant Pike and Major Long described the falls from their early visits. Father Hennepin, who did not always check his facts, said that the waters fell between 50 and 60 feet. Major Long measured the perpendicular fall correctly as 16½ feet.

Geological experts have always speculated on the interesting recession of the falls. They were once at Fort Snelling. Recession of the falls cut back the great gorge on the river. No one knows how long that process continued but from various descriptions it is believed that thefalls receded some six hundred feet from the time that Carver saw them in 1766 to 1871 when recession was stopped by protective construction measures.

Last Thursday evening the Junior-Senior banquet was held in the school cafeteria and the theme, "Evening in Paris," was carried out in a magnificent way. Red brick walls concealed the kitchen part and formed the backs of the two sidewalk cafes which are so popular in Paris. The ends of these cafes were built of grey brick about 6-ft. in height with garlands of roses climbing around them. A broad walk was formed down the center by low grey brick walls or fences about 2-ft. high. In the center of these were the gates by which one would enter the cafes. On either side of these two gates they had planted an entrance evergreen of juniper tree.

Blue streamers with silver stars formed the skyline. Awnings of red and white stripe covered the cafes, the names "Cafe De LaRue," on the east side and "The Gay Paree" on the west were painted on the drops of the awnings in silver blue balloons hung from above with the Eiffel Tower, a dancing couple with junior and senior printed on them in silver.

In each cafe was a long table with white table cloths. Blue candles, silver vases which held pink, white and yellow roses formed the center pieces. On each place card an artist, dressed in his smock, was seated by his easel painting a picture. The Eiffel Tower with two little dancers formed the nut cups and napkins also had "Gay Paree" painted on them.

Donnie Carlson, Chester Boen, Miles Lundstrom and Wealle Vagle wearing a little french black mustache, white chef caps and aprons served as waiters.

The Le Menu was as follows: Fruits de Guerlaine, Antoine's Special, Mont Blance et Jus, Corn de la Riviera, La Salade, French Bread et Beure, Monte Carlo Chips, Arc de Triomhe, Lait or Demi Tasse.

DOES VETERAN MINNESOTA EDITOR HOLD RECORD?

George B. Hughes was born May 6, 1862. He began his printing apprenticeship on a St. Peter weekly newspaper in 1881. From there he pursued his trade in Mankato, Marshall, Redwood Falls, and Echo—where he decided to settle down. The town of Echo recently turned out practically en masse, augmented by several visiting newspaper folk, to pay tribute to the publisher who, through the Echo Enterprise, has reflected, enlightened, and encouraged that community for half a century, has served the cause of journalism 74 years, and is still at a hale and hearty 93 on the job every day with a sprightly newspaper right on time every week. Any one care to challenge this record?

LONGEVITY AND OTHER RECORDS

Mr. and Mrs. Sam Linnell, Grand Marais, have been married 64 years, but this week's record goes to Mr. and Mrs. Oscar Stromback, 88-year-old Lindstrom couple who have been married 67 years.—A Kenyon gardener pulled edible radishes May 12.—"One in 15,000," say New Ulm authorities of the little lady recently born there with two lower front teeth.—A Howard Lake nursery shipped two five-ton trees to a Minneapolis purchaser—took two men three days to truss 'em up for the trip.

$77.44 PER ACRE

Based on support price on whole corn, the return per acre on the 9 year field trial average (AGSCO 301 48.4 bu. Cass County) would be $77.44 per acre.

At Grand Forks the 8 year average yield for AGSCO HYBRID 301 is 60.5 bushels, which at local prices would return $68.74 per acre.

Many growers sell their corn direct from the picker at an average of $30.00 per ton. Yields range from 1½ to 2½ tons for a return of $45.00 to $75.00 per acre. Each fall feeders are looking for locally grown corn, so anyone not in position to use his own production has no trouble finding a quick market.

As silage no other crop will produce as much feed per acre as corn. When feeding costs need to be kept down, corn silage will do it.

IT PAYS TO GROW CORN

No rust problem when you grow corn.

No acreage restrictions in most of North Dakota, northern Minnesota and South Dakota.

Corn seed cost per acre ranges from $.75 to $1.50. This is less than almost any other crop.

Corn cultivation destroys weeds which in turn increases following crops.

Plant AGSCO Corn
"Grown in the North for the North!"

For our corn there's an early maturing AGSCO HYBRID or MULTICROSS to fit your location and soil. Maturities range from 80 days to 100 days. FOR MORE RICH SILAGE — IT'S AGSCO LIVESTOCK SMORGASBORD OR AGSCO MULTICROSS.

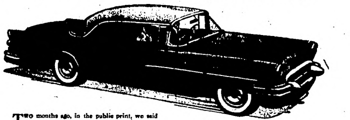
Sales get BIGGER! and BIGGER! and BIGGER!
This '55 Buick must have something that folks just won't do without!



Two months ago, in the public print, we said that this looks like Buick's biggest year—and we weren't fooling.

But what has happened—and continues to happen—is almost beyond belief.

People buy up these stunning new Buicks practically as fast as we get them from the factory. Buick production—already revised upward several times—keeps forging ahead to new highs every month to meet the mounting demand.

And Buick sales keep soaring higher and higher and higher—outstripping by far the phenomenal success of last year—the success that moved Buick into the "Big Three" of America's best sellers.

What is it about the '55 Buicks that folks by the hundreds of thousands just won't do without? It's many things.

It's styling that's boldly distinctive and fresh as tomorrow. It's beauty of line and beauty of interior décor. It's a ride that's level, firm and steady. It's a new sweetness of handling. It's great power—walloping new V8 power of record might.

But above all, it's a new kind of performance, from a new kind of automatic transmission that was born of flight thinking.

It's Variable Pitch Dynaflow*—engineered from the principle of the modern plane's switch-pitch propeller—and what it brings you in the way of pure thrill, mere words can't describe.

Just you drop in on us this very week and *try it*. That way you can see what a terrific automobile—and a terrific buy—the hottest-selling Buick of all time really is.

*Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series.

Governor Freem[illegible] to Dedicate National Guard Armory Monday

State Heads of National Guard Also to Appear on Armory Program at 8:30

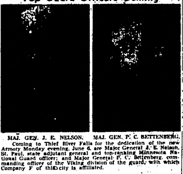
Formal dedication exercises for the Thief River Falls Armory will be held Monday evening, June 6, with Governor Orville Freeman scheduled to deliver the principal address. Major General Joseph E. Nelson, state adjutant general, and Major General Philip Bettenberg, 47th Division National Guard commander, will be among the officials participating in the ceremony. The program will start at 8:30 o'clock.

The dedication program will be preceded by a dinner at St. Bernard's church parlor starting at 6:00 o'clock. Rev. E. C. Mead will preside as toastmaster in a program of short talks and greetings from Governor Freeman. Arrangements for the dinner and the reception of distinguished visitors are being made under the direction of the Citizen's National Guard committee and joint committees of the Chamber of Commerce and county D-FL officials. Dinner tickets are available at local drug stores.

Company F, the Thief River Falls unit of the Minnesota National Guard, was organized early in 1947 and on January 16, 1951, was called into federal service. The building of the Armory was a part of an expanded National Guard program adopted following the fighting in Korea and Company F now has 76 officers and men.

Following the dedication exercises Monday night there will be a free dedication dance at the Armory with Bob Sjulstad and his orchestra providing the music.

Top Guard Officers Coming



MAJ. GEN. J. E. NELSON. MAJ. GEN. P. C. BETTENBERG.

Coming to Thief River Falls for the dedication of the new Armory Monday evening, June 6, are Major General J. E. Nelson, St. Paul, state adjutant general and top-ranking Minnesota National Guard officer; and Major General P. C. Bettenberg, commanding officer of the Viking division of the guard, with which Company F of this city is affiliated.

2 Verdicts Given in District Court

Court Term Scheduled to Resume This Morning

Petit jury in Pennington county district court Thursday, after hearing testimony in the case of Lars Hylden vs. Melvin Joppru, returned a verdict in favor of the defendant, Joppru. The case involved a claim for a commission on a real estate sale.

On Wednesday, a verdict was given by the jury awarding $1,600 to Thomas Kowalski in an action against David Drotts and Raphael Sherlock, also arising out of a real estate transaction.

Court was adjourned Thursday until today, when the jury was scheduled to hear the final case, a criminal action involving a charge of carnal knowledge against Darryl Peterson, 19, and a girl under the age of 14.

1st, 2d Graders Today Getting Polio Shots

The Northwestern Hospital medical staff last week called a temporary halt to the giving of the Salk polio vaccine to local first and second graders, because of a lack of first-hand information from the Minnesota state board of health and the National polio foundation, and due to the statement released by the surgeon general, which read as follows:

"Because of the existence of individuals who may have been infected with poliomyelitis virus prior to vaccination, beginning a course of primary vaccination in areas and during periods of high prevalence should be undertaken only after careful evaluation of all the circumstances in the particular episode."

Now, however, after direct request to the state board of health, said Dr. Dan Greene, city health officer, "the local medical society has received information which assures us that we can proceed with the vaccinations without undue apprehension."

The first and second graders from the schools of St. Hilaire, Thief River Falls, and the Pennington county country schools, will receive vaccinations today, June 1, and June 15 at 9:00 a. m. in the city auditorium in Thief River Falls.

The information from the state board of health reads as follows:

"Minnesota state board of health and its scientific advisory committee on polio recommended May 13th that poliomyelitis vaccination program proceed as rapidly as suitable vaccine was available — they also accepted the statements of the United State Public Health Service that the individual lots of vaccine cleared by national institutes of health are safe. These lots include Parke Davis — lots number 028849A and 029128A—which were distributed by the board on May 19 and 20 for first inoculations of pupils of first and second grades. Program is proceeding without difficulty throughout the state. Board emphasized that polio vaccine offers first and only effective measure to prevent paralytic poliomyelitis."

Memorial Day Rites Are Held in Auditorium

Dr. Clarence Richardson of Bemidji Reminds That War Is Terrible Affair

Dr. Clarence W. Richardson, Bemidji Methodist pastor, gave a thought-provoking address at impressive Memorial Day exercises in the municipal Auditorium, to which the rites had been transferred because of wet grounds in Riverside park.

Preceding the exercises, over which Harold M. Johnson, commander of the local American Legion post presided, a procession made its way thru the flag-decorated business district and back to the Auditorium, the line of march including the Legion municipal band, Company F of the National Guard, the Legion and VFW color guards, and automobiels bearing 20 Gold Star fathers and mothers.

The Auditorium program opened with the playing of "America" by the band, directed by Alvin Anderson, followed by the invocation by Rev. Eugene Connelly, assistant pastor of St. Bernard's church and a vocal solo by David Vaaler, accompanied on the piano by Mrs. Theone Brown.

In his address, Dr. Richardson, an Army chaplain in World War II, declared that fighting and dying for one's country is not glamorous, but a terrible bloody business that is too easily forgotten in times of peace. Memorial Day, he added, is an appropriate time to contemplate the horrors of war.

One basic reason for war, he said, is the economic insecurity of two-thirds of the world's population. International trust and personal friendship, he said, are the basis of lasting peace, and we should start at home by being the best sort of person we know how to be.

Jack Quesnell, Lincoln high school senior, read the "Tribute to the Unknown Soldier," followed by the placing of wreaths on improvised graves by Mrs. John Lang, president of the Legion auxiliary, and Mrs. I. W. Perkins, head of the VFW auxiliary. Then came the firing of a

Auditor Orders Election Following Submission of Petitions Thursday

A special election to vote on the question of whether or not to restore prohibition will be held in Pennington county on Monday, July 11, it was announced late last week by County Auditor C. W. Rodekuhr.

The auditor's action in ordering the election followed the filing in his office Thursday of petitions totaling more than 120 pages and bearing the signatures of 1,901 persons designated as residents of this county.

The petitions were submitted by Mrs. Mildred Westacott, district president of the WCTU, and Lloyd Crown, and had been circulated thruout the county by members of the WCTU and the Pennington County Social Action association. Each page of signatures bore the acknowledgment of a notary public.

Rodekuhr explained that the law requires the county auditor to order such an election on petition of 25 per cent of the number of voters who voted for a candidate for governor at the last general election. In the present case, a minimum of 1,253 signers is required, while the number obtained is half again as large.

The law also stipulates that the election shall be held not less than 40 nor more than 50 days after the date the petition was filed.

The sale of liquor has been legal in Pennington county since an election was held June 9, 1947, resulting in 2,784 votes in favor of the sale and 2,145 opposed.

He is a graduate of the Minnesota college of law and of the Oberlin school of theology.

Art Christianson Seriously Hurt in Roseau Co. Mishap

Suffers Amputation of His Left Leg Following Accident with Tractor

Arthur Christianson, co-manager of the Hartz Supermarket here and immediate past president of the Chamber of Commerce, was reported yesterday as resting well following an operation in the Greenbush hospital Saturday for the amputation of his left leg above the knee, after having suffered serious injuries Wednesday morning in a tractor accident on his farm 13 miles east of Greenbush.

At the time of the accident at 10 a. m., he was operating a crawler type tractor pulling a cultivator, when he dismounted to make an adjustment on the cultivator, leaving the tractor moving in low gear. When he went to mount the machine again, he apparently slipped, and his legs became caught between the fender and the running gear of the tractor in such a manner as to break both legs, and crush his left foot.

Christianson managed to reverse the tractor to extricate his legs, and started to drive away, to seek help, but the tractor mired in the wet soil, and he remained there until 1:15 p. m., when his brother Elmer, who operates a farm nearby, found him and rushed him to the hospital in Greenbush.

While undergoing the ordeal of the long wait for assistance, the injured man had used his belt for a tourniquet in an effort to stop the bleeding. However, he lost a good deal of blood, and has received a half-dozen or more transfusions since entering the hospital.

Awards Assembly Honors Students at Lincoln School

George Gifford, Marilyn Waale Receive Awards from Legion, Auxiliary

Highlighting the recent Lincoln high school awards assembly was the presentation of the American Legion and auxiliary awards respectively to George Gifford son of Mr. and Mrs. O. D. Gifford, and Marilyn Waale, daughter of Mr. and Mrs. Thomas Waale.

The honors were conferred by Harold M. Johnson, Legion post commander, and Mrs. John Lang, auxiliary president.

At the assembly students were honored for participation in music, athletics, drama, declamation, Lincoln Log paper, Prowler annual student council, honor society, athletic scholarship society, class officers, library club, Girls Athletic association and school patrol.

Receiving one or more awards were 81 seniors, 78 juniors, 52 sophomores, ten freshmen, two eighth graders and five seventh graders. Kalmer Ostby, principal, was in charge of the exercises.

Making the presentation was Earl Fairley of the National Bushing and Parts Co. of Minneapolis, state distributor of the motors.

Rev. W. Pedersen Advises Seniors at Baccalaureate

Pastor Tells of Means of Meeting Problems Arising in Atomic Age

The 141 members of the Lincoln high school graduating class of 1955 were counseled at baccalaureate services Sunday evening by the Rev. Walter M. Pedersen to strive to have faith, courage, vision and a positive approach to life.

Mr. Pedersen pointed out that this atomic age places a tremendous responsibility on society, greater than has been borne by any preceding generation. He said that the solution calls for the development of the complete man, whose practices are based on the teachings of Christ.

The exercises, which attracted a capacity audience in the school auditorium, opened with the processional march played by Dalys Kellberg, followed by two well-rendered selections by the Lincoln chorus, directed by Miss Judith Halverson.

Two hymns by the audience, the benediction and the recessional march completed the program.

Because of the Memorial Day holiday, the weekly luncheon meeting of the Rotary club, held regularly on Monday, was canceled this week, Secretary Robert J. Lund announced.

Winner of the contest was Diane Lindquist of the St. Hilaire 4-H club, whose parents are Mr. and Mrs. Vernon Lindquist of St. Hilaire. Diane will represent Pennington county in the district contest at Park Rapids on Wednesday July 13. Her entry in the contest was a piano solo.

Judges for the talent contest were Mr. and Mrs. Alton Anderson and Dave Vaaler, of Thief River Falls.

The 4-H good grooming contest was held in conjunction with the talent contest, with 59 4-H members competing. 4-H'ers were divided into 4 groups for judging, boys and girls 12 and under and boys and girls 13 and over.

First and second place winners, respectively in the divisions were as follows: younger girls: Irene Morris of Goodridge 4-H and Karen Mosbeck of Happy Hearts 4-H; younger boys, Gerry Morris of Goodridge 4-H and Ronald Mosbeck of Happy Hearts 4-H; older girls, Orlene Anenson of Kratka 4-H and Betty Rude of Smiley 4-H; older boys, Wayne Harder of Silverton 4-H and James Larson of Sanders 4-H.

The four first place winners, Irene Morris, Gerry Morris, Orlene Anenson and Wayne Harder, will compete in the district contest being held at 4-H Club Week at Crookston, June 22-24.

Judges in the good grooming contest were Mrs. Otto Dale and Don Lawrence of Thief River Falls.

Death Claims John Bergland In Local Hospital

John Bergland passed away Sunday in the local hospital at the age of 83. Final rites are set for Saturday in the Saterdal Lutheran church at 2 p. m. with Rev. Raymond Brandt officiating. Interment will be made in the Saterdal cemetery.

Mr. Bergland was born February 2, 1873 in Saterdal, Norway. He came to the United States and to Fisher with his parents in 1882. In 1896 he moved to Marshall Co. where his parents homesteaded in Excel township. He was employed as a farm hand and also was employed in the state of Washington for a number of years. Since his retirement he has made his home in this city.

Surviving are two sisters, Kari Skomedal of rural Thief River Falls and Mrs. Anna Mittet of Bemidji, and several nieces and nephews. He was preceded in death by three brothers and two sisters.

Council OK's Sewer, Water Main Projects

Commercial Lighting Rates to Be Studied by Group Named by Gjernes

The city council at an adjourned session last Wednesday evening disposed of a variety of accumulated business, including action on several sewer and water main projects.

It was voted to open bids June 21 on sewer and water main installations on State av, from Sixth to Eighth sts., and on Kneale av, from Hughes to Nora st., after having approved plans and specifications for the work.

After considering petitions for sewer and water mains on Main av. and LaBree av. from Thirteenth to Fourteenth sts., the council ordered a hearing on the matter for June 21.

Solheim & Ness were awarded the contract for installing the base for the new Fairbanks Morse Diesel unit on a cost-plus basis, and the O. P. Electric Service was given a similar contract on the electrical work. Plans and specifications for the pumps and piping needed for the engine were approved, and bids will be opened June 21.

Bids also were called for to be opened June 21 on the installation of sewer and water mains to serve a trailer court to be established by Leslie Snetting and Daniel Helle on a 1½-acre site west of Thief River and one-half block north of Eighth st. The proprietors originally had planned to set up the court west of the sewage treatment plant on Highway 32.

Council President Carl Gjernes announced appointment of a committee to make a survey of commercial lighting rates in this city and comparable communities. Named were James Winjum, George W. Werstlein, James Parkins and Cliff Bjorkman.

John Wold, local dairyman, was present to urge the council to expedite action in adopting the proposed new milk ordinance, which has been hanging fire since being given its first reading some time ago. The council indicated that it wanted to have the issue discussed in all its aspects before taking final action.

No objectors appearing at a hearing called for the purpose, a special permit was approved for Olaf Solheim to enlarge the Midway Grocery by enclosing the canopy in front of the structure.

D. Stewart Plans $869,784 Sewer Job at Bemidji

Contracts were awarded recently for a huge sewer project at Bemidji, the engineering work on which was done by Douglas Stewart, Thief River Falls consulting engineer, and his staff.

The low bid of $869,784 was submitted jointly by Barbarossa & Sons of St. Cloud and the Nodland Construction Co. of Alexandria.

The project includes alterations on the sewage treatment plant, and installation of 16 miles of sewer mains of various sizes, as well as four new lift stations.

The new setup will carry the effluent from the system into the Mississippi river east of the present outlet from Lake Bemidji, instead of into the lake as is the case at present.

Stewart now heads a staff of five working on this and other projects.

Many Visitors at Public School Art Exhibit Thursday

A large number of interested parents turned out last Thursday evening for the annual public school art festival staged in the Lincoln high school gymnasium under the direction of Miss Godelyne Troumbly, art instructor, assisted by teachers in the various grades.

The exhibits gave ample evidence of the progress being made in a wide variety of media by the grade and high school students.

Art in action was depicted in "The Art Studio," in which pupils of the various grades were shown engaged in art projects of many types.

Trinity Church to Open Bible School Monday Morning

"Living as Children of God" is the theme under which an estimated 200 children will be studying at Vacation Bible School at Trinity Lutheran Church beginning Monday. Sessions are scheduled to run from 9:00 a. m. until noon Monday through Friday for two weeks.

The classes are open to children of the community from kindergarten (five year olds) thru those who have just completed the seventh grade. Separate classes will be held for each grade. All sessions will be held in the Trinity Parish House.

Activities planned include Bible stories, workbook and handicraft projects, singing, games and colored slides. Parents are urged to register their children by calling the Church Office, phone 220.

Vacation Bible School Sponsored by Two Churches

A joint vacation Bible school held in and by the local Evangelical Free and Mission Covenantea churches is scheduled to open Monday morning, June 6, at 9 o'clock, continuing through June 17, according to Charles Erickson, committee chairman, who said that classes are held for two weeks in the forenoon, Monday through Friday.

Erickson also indicated that girls and boys irrespective of church preference otherwise, are cordially invited to attend the school. For information or transportation, those interested are requested to call 511, or 100, or 777, in Thief River Falls, stated Mr. Erickson.

Pastor Gustaf F. Johnson, Minneapolis, speaks next Sunday night, 7:45 o'clock meeting, in the Evangelical Free church, in a pre-school rally service.

Joppru Offers Rodeo Near City June 11-12

There will be five major events in the rodeo program to be presented at Joppru's livestock center northwest of the city on Saturday and Sunday afternoons, June 11 and 12, Melvin Joppru stated this week.

Sufficient entries have already been secured to assure plenty of competition in the bareback riding, saddle bronc riding, Brahma bull riding, bulldogging and calf-roping contests and additional entries are coming in daily. These contests are conducted under the rules of the Rodeo Cowboys association and only members of the association are eligible to compete.

Among the entries already in are such well known stars as Duane Howard and Eddie Fischer and several others with a background of Madison Square Garden winnings. Tommy and Billy Teacher, big winners in last year's rodeo will also be back again this year. Howard Norman of Omaha has been secured as announcer and judge.

The Saturday afternoon program will be preceded by a parade of riders through the streets of Thief River Falls at 11:00 o'clock a. m. The programs are scheduled to get under way at 2:00 o'clock.

Additional seating is being provided, Joppru states, and other improvements are being made that he believes will add to the convenience of the spectators. Attendance at last year's rodeo was larger than the preceding year, and with favorable weather a much larger crowd is expected this year.

Death Claims Mother of Local Woman

Funeral services were held Friday afternoon in St. Paul's Lutheran church in Bagley for Mrs. Lewis Vik, who passed away last Tuesday. Rev. Victor Overbo officiated and interment was made in the Bagley cemetery.

Mrs. Vik was born April 18, 1899, in Ada. Her early schooling took place at Ada and she completed her education at Moorhead state teachers college. Following graduation she taught in a country school near Ada for a time, then two years at Lockhart, one year at Fergus Falls and three years at Fosston.

She was united in marriage to Lewis A. Vik June 30, 1927. They lived at Borup from 1927 until 1930 and in the latter year spent some time in Ada. In 1931 they moved to Bagley where they have since resided.

Surviving Mrs. Vik are her husband and two daughters, Mrs. Phil (Beverly) Kays of this city and Margaret, who is in nurses training at Minneapolis.

Wm. A. Borgen Succumbs; Rites Held Saturday

Final rites were conducted Saturday in St. John's Lutheran church for William Albert Borgen who passed away Thursday. Rev. W. P. Clausen officiated at the service.

Mr. Borgen was born May 6, 1891 in Ada, Minnesota. When he was seven years old he moved to this city. In 1916 he moved to Donaldson, and in 1918 he was united in marriage to Lucy Stone. In 1924 they moved back to this city and have resided here since. Mr. Borgen was the oldest employee of Land O'Lakes. He was baptized and confirmed in the Lutheran faith and was a member of St. John's Lutheran church.

Surviving are his father, Louis Borgen; three sons, Harold, Floyd, Wm. Jr. all of this city; six brothers, John of Grand Forks; Ben of Sheridan, Wyoming; George and Lawrence of Minneapolis; Edward of California and Marvin of this city; three sisters, Mrs. Otto (Minnie) Geske of this city; Mrs. Helmer (Bertha) Hanson of Grand Forks; Mrs. E. S. (Stella) Thomas of this city, and six grandchildren. He was preceded in death by his mother, his wife, two daughters, one sister and one brother.

Final Rites Are Conducted for Dr. Lavine Rokke

Rev. T. J. Weltzin officiated at the final rites Sunday for Dr. Lavine Rokke, 83, a chiropractic physician, who passed away Thursday at the home of her sister, Ottine Rokke. The funeral was conducted in the Bethesda Lutheran church west of Newfolden.

Miss Rokke was born July 17, 1874 at Stordalen near Trondheim, Norway. She came to America in 1880 and settled at Zumbrota. She attended Concordia college in 1896-1897 and also attended Moody's Bible Institute in Chicago and the University of North Dakota. She taught parochial school and traveled as a lecturer for a temperance society for a number of years. Miss Rokke studied at the Davenport College of Chiropractic, and after graduating practiced in Zumbrota for seven years and in East Grand Forks one year before residing in Grand Forks.

She is survived by one sister, Ottine in Strandquist, two sisters-in-law, Mrs. August Rokke of Alvarado and Mrs. E. O. Rokke of Strandquist; 18 nieces and nephews. Three sisters and five brothers preceded her in death.

Polio Shots Being Given 1st and 2d Graders Today

(Continued from page 1)

A. J. Chesley, sec'y. and executive officer, Minnesota department of health.

"It should be emphasized, said Dr. Greene, that vaccination does not produce protection until 6 to 8 weeks has elapsed, and will not be 100% effective even then. It must be anticipated that cases of poliomyelitis will occur in Minnesota among persons who have been vaccinated, especially during the first month following the vaccination.

The technical advisory committee on the Salk polio vaccine reports through Surgeon General Scheele as follows:

"The optimal period for vaccination against polio is before the epidemic season. However, it is the opinion of the committee, that the administration of the vaccine during the outbreak of polio has its place in preventative medicine. Injection of the second dose of vaccine in the series can be given at such a time without appreciable concern for the provoking of polio, since slight immunity resulting from the first dose of vaccine will most likely provide protection against any such effect."

Spraying for Mustard

Farmers often question spraying for mustard in a grain field and wonder if it's worth the trouble. They often ask, "Do the mustard plants reduce the yield?"

If the mustard infestation is at all serious the answer is "YES". Edwin H. Jensen, the University of Minnesota's Extension Agronomist, tells me that Canadian experiments in 1952 and 1953 prove mustard does reduce the yield of grain crops.

The first year, 1952, a hand-weeded, weed-free flax crop yielded up to 22 bushels per acre. Ten mustard plants per square yard reduced yield to eight bushels and 25 plants brought it still farther down to six bushels. A hundred mustard plants per square yard chocked out all but enough flax to yield three bushels per acre.

In 1953, the mustard-free flax yielded 14 bushels per acre. Ten mustard plants per yard reduced yield to six bushels and 25 plants brought it down to four bushels.

So, obviously it pays to spray flax that has even light mustard. Even 10 mustard plants per square yard greatly lowered yields.

Jensen says that Canadian experiments indicate the early spraying is very important.

Competition from mustard reduces yields before the mustard comes into bloom. In Minnesota, 23 comparisons of 2,4-D and MCP on weed-free flax have been made.

Four ounces of the amine salt of 2,4-D and MCP were sprayed on 10 varieties. The flax treated with 2,4-D yielded 90% as much as the weed-free check plot, whereas, the MCP-treated plots yielded 97% of the untreated, weed-free check plots. This indicates that 2,4-D was a bit more injurious to flax than MCP.

Watch for Insects

Be on the lookout for any insects you think might cause damage to your crops. Grasshoppers could be a serious pest this year in parts of Pennington County. If you have more than 7 or 8 per square yard in your hay or pasture fields think seriously of spraying them. The cost of spraying will be more than off-set by the damage hoppers can do.

Also watch closely for our old enemy, the army worm. Some reports indicate trouble again this year. Examine your farm, look for armyworm moths and armyworm eggs. The moths will be most easily seen at night and the eggs will be found on grass leaves near the base of the leaf.

The sweet clover weevil is causing some damage to new seeding, and should be watched very closely. It will be hard to find the weevil, but the damage is very characteristic. Small crescent shaped notches in the leaf. For more information come in and pick up bulletins of the subject.

CHATTING with your HOME AGENT

Marge Olson

Has your husband been bringing home his limit of fish from his fishing trips lately? If he has, you have probably been eating fish often. You might freeze some of the fish he brings home to eat later when fish are often not in such good supply.

At our open meetings on freezing last week, several questions were raised by homemakers on the best method of freezing fish. Here is the method which is recommended by the University of Minnesota.

The fish you catch will deteriorate in quality very quickly, and it should be frozen soon after being caught. If this isn't possible, pack the fish in crushed ice or place in refrigerator. Prepare the fish for freezing the same as you prepare it for the table. Scale, eviscerate, remove head and fins, wash thoroughly and drain. Freeze small fish whole. Fillet or steak large fish.

Package the fish in aluminum foil or equally good wrapping material. A good way to package small fish is to freeze them in water in a water-tight container, such as a coffee can. You can attach the lid firmly with freezer tape.

When you cook the fish, thaw it completely or partially in its original wrapping material. If you defrost it in the refrigerator, you will find there is less dripping. Cook it while it is still chilled. Prepare it the same way as you do fresh fish but allow extra cooking time if the fish is just partly defrosted.

Fatty fish, such as lake trout, should be stored at temperatures well below zero—at —10°, or —20° for long storage. Store near the bottom of your freezer where the temperature is coldest.

Tips on Broiling

Mrs. Richard Mosbeck of Polk Center township asked me last week about broiling. She hadn't been satisfied with the meat that she had broiled, and wondered what the cause would be. If you have this problem too, you will be interested in these broiling tips from Ina Rowe, Extension Nutritionist at the University of Minnesota.

Only tender meats are suitable for broiling. If the meat is not tender to begin with, you can make it broiling-tender by grinding it. If you aren't sure about the tenderness of the meat, cook it with moist heat rather than with the dry heat of the broiler.

For broiling, steaks should be cut one inch thick.

Low temperatures are suitable for broiling, just as they are for any other type of meat cookery. In broiling, the temperature is controlled on most ranges only by the distance from the burner, because the temperature control or thermostat must be set at the broil position before you get sufficient heat.

Miss Rowe suggests that you follow this rule to judge how far to place the meat from the burner. If the meat spatters because fats and juices are boiling out, then you know that the meat is too close to the burner. When no spattering takes place, you avoid a smoky kitchen and greasy oven and you get a better product when you serve it to your family.

For a small family, it is usually better to use a smaller pan than the one that came with your broiler. You will need a small pan with a rack to allow the fats to drip below the meat. Sometimes a cake pan with a trivet or rack from your pressure saucepan may be used.

4-H Good Grooming Winners Selected Friday

Pictured above are the winners in the Pennington county 4-H good grooming contest held Friday evening in the city Auditorium.

In the back row are the winners in the age 13 and over group, including, left to right, Orlene Anenson and Betty Rude, respectively first and second for the girls; and Wayne Harder, first, and James Larson, second, in the boys division.

In the front row are girls and boys who won top honors in the age 12 and under group. Left to right, they include Irene Morris, first, and Karen Mosbeck, second, for the girls; and Gerry Morris, first, and Ronald Mosbeck, second for the boys.

The local winners will compete for further honors at the district 4-H club camp to be held at Northwest School in Crookston later in June.

Numerous Youths Get Pea-pack Jobs

Three Crews Will Work in Southern Minnesota

Don Lindert, hiring representative for the Green Giant Canning company of LeSueur, Minnesota, was at the Minnesota state employment service office in Thief River Falls on Tuesday, May 24, to hire local youths for "Operation Pea-Pack" in southern Minnesota beginning about June 10.

Lindert was successful in hiring three crews, ranging from 13 to 21 boys in each. One group of boys are from Lincoln high school, one group from Roseau high school, with the other crew made up of youths from high schools in surrounding towns.

This is the second year that recruiting has been carried on for the canning plants this far north. Last year a viner station crew composed of 14 Lincoln high school boys was considered the best that the company had in its employ. The canning firm is attempting to eliminate its need for foreign workers by securing most of its personnel from Minnesota.

Many of those employed in the pea-pack, slated to end about July 25, will continue on in the corn-pack. This phase of the canning operations ordinarily ends about September 15.

Judy Wengeler Wins Scholarship In Art at Spokane

Judy Wengeler, 13, daughter of Mr. and Mrs. Fred J. Wengeler of Spokane, Washington, formerly of Thief River Falls, was honored last week by being presented by the Spokane Zonta club with its first annual $200 art scholarship.

Judy was selected for the honor from seventh and eighth grade pupils by a committee headed by the art director of the Spokane public schools.

Altho she has never received private art lessons, she has long been interested in the field, and works in a variety of media.

Rev. G. F. Johnson to Give Swedish Sermon Sunday

Pastor Gustaf F. Johnson, Minneapolis, is scheduled to speak in a specially arranged gospel service in Swedish 3 o'clock next Sunday afternoon in the local Mission Covenant church, stated L. W. Lindholm, pastor, who said this occasion will note ten years of gospel broadcasts locally in Swedish.

The program, heard Sunday 8:45 a. m., over KTRF, next Sunday will be one-half hour, starting at 8:30, during which time Pastor Johnson will be heard as a special feature on this anniversary broadcast.

Pastor Johnson will speak Thursday and Friday nights this week at 8 o'clock, in the Mission Covenant church.

U. S. Army Mobile Recruiting Unit in City June 6th

The U. S. Army recruiting service will have a recruiting bus in Thief River Falls Monday, June 6. The bus will be parked by the city Auditorium 9 a. m. to 9 p. m.

On display in the bus will be the new green uniform, which will be issued to all army troops late this fall.

Also for the women there will be on display the Women's Army Corps uniform, which is now being issued to women in the Army.

Army personnel will show visitors through the bus and discuss life in the U. S. Army.

The Army recruiting service invites everyone to come and see the Army display.

Rev. E. J. Vick Family Honored at Newfolden

A farewell service, in honor of Rev. and Mrs. E. J. Vick and family, was held at the Newfolden school auditorium, Tuesday evening, May 24th. Approximately 350 friends were in attendance.

Several neighboring pastors participated in the program.

Rev. and Mrs. Vick were both very much interested in the welfare of the Newfolden community and took an active part in several organizations.

The family will leave Newfolden this week to assume their new pastorate at Cokato, Minnesota, July 3.

Warn of Possible Armyworms Here

State Entomologist T. L. Aamodt reports that army worm moths have been detected in this area. The report states "Moths obtained from Thief River Falls were fresh and apparently originated in Minnesota. Where these moths are present in sufficient numbers, and where favorable lush, grassy egg laying hosts are present, survival of newly hatched larvae is likely to be high. A problem may develop where small grains have had ample moisture. Farmers and county agents, particularly in the northwest areas where damage was heavy last year should begin watching grassy field margins or moist low spots in fields."

Prowler Nine Downs RLF; Enters Regional

Righthander Sid Vraa spun a fancy two-hit shutout as coach Ralph Skjod's Prowlers trounced a luckless Red Lake Falls Eagles team, 16 to 0, in a nine-inning 31st district baseball championship finals game played at Red Lake Falls on Tuesday night.

As a result of their triumph, coach Skjod's squad has earned a berth in the eighth regional baseball tournament that will be played at Cass Lake on Wednesday and Thursday, June 8th and 9th. The Prowlers, as the 31st district's champions, will play the 29th district champions in a regional first round game on Wednesday morning, with game-time scheduled for 1:30 a. m.

The regional first-round pairings will be completed when the 30th district champions play the 32nd district's champions at 2:00 p. m. on Wednesday. The regional championship finals will be played on Thursday afternoon.

Not until the 8th inning when, with one man out and the ninth man in the Red Lake Falls' batting order at the plate, did coach Rusty Miller's Eagles get a base-hit off the slants of Sid Vraa on Tuesday night. Bill Page banged a clean single over second base to break Vraa's no-hit effort. In the 9th, with two men out, Bozo Emard singled to right-center, marking up the Eagles' second hit of the game. Vraa, over the nine-inning route, struck out twelve batters, retiring the side on strikes in the 3rd and 5th innings, and gave up but three walks, and hit one batsman.

Southpaw Ernie Berry, who was coach Miller's choice for the hurling assignment against the Prowlers, was plagued by poor support, with the Eagles committing ten misplays during the contest. The Prowlers, with two men out in the 1st inning, scored four runs when the Red Lake Falls defense made three errors, and Berry, unnerved by his erratic support, gave up a pair of walks with the bases loaded.

A walk, two errors, a triple by Glenn Carlson and a single by Rod Collins accounted for another four-run cluster in the 2nd inning. Four hits, an error, and a sacrifice fly gave the Prowlers three runs in the 4th inning, and an 11 to 0 lead. After the Prowlers had added a pair of runs in the 6th inning and three runs in the 7th inning, righthander Ronnie LaChance, who had hurled a no-hit game against Alvarado on Monday night as the Eagles beat the Indians, 3 to 0, replaced Berry on the mound for Red Lake Falls, and LaChance gave up but one hit and no runs in the 2⅓ innings that he pitched.

In a first-round tournament game on Monday morning, the Prowlers were hardpressed to edge out coach Dan Mjolaness' Climax Vikings, winning by a 6 to 3 tally. Vraa, who started the game, gave up seven bases on balls in 2⅓ innings; and righthander Jack Poole, who replaced Vraa, was troubled by lack of control, too, giving up five walks. The two Prowler hurlers, though, shared a no-hit game as the Viking batsmen failed to hit safely. Joey Poole produced the game's most titanic blow, poling a home run over the fence in center-field to open the 7th inning.

In a second round game on Monday night, against the Crookston Pirates, young Bobby Hallamack scattered seven hits as the Prowlers rapped the offerings of Hank Hulst and Bruce Lindell for thirteen hits, scoring a 12 to 1 win over coach Linton Lehrer's club.

ROBERT DUCHAMP HEADS ALBERT LEA JOBS PROJECT

Robert DuChamp, formerly associated with the local employment office and now with the office at Albert Lea, is director of an Odd Jobs club designed to secure summer employment for teen-agers 12 to 18. In a similar project last year, more than 200 youngsters were given jobs.

Prowler Track Team Wins Regional Meet

Coach Quent Jones' eleven-man Prowler regional track squad, although scoring but one first place, that by Pete Froehle in the shot put event, piled up 42 points to win the eighth regional track and field championship in the tournament held at Bemidji on Friday. Bemidji, last year's regional champions, garnered but 18 ¼ points to finish in fourth place. Mahnomen earned runner-up honors with 26 points, while Ada gained third place with 19 points. Other team point totals were: Warren, 11; Park Rapids, 10; Mentor, 9; Baudette, 8; Cass Lake, 7; East Grand Forks, 6¾; Crookston, 6; and Fisher, 3.

Only one record was broken as the track athletes sloshed through a rain-soaked program of events, with Cass Lake's John Harper running the mile in 4:46.8, battering the mark of 4:48.8 set by Goodridge's Gene Sistad last year.

Warren's speedy Ray Burwell proved to be the tournament's only double winner, with Burwell winning the 100-yard dash in 10.5; and then taking the 220-yard dash in 23.1.

Prowler point-winners, in addition to Froehle's first in the shot put, were George Gifford, with a 2nd in the shot and a 3rd in the discus; Dave Kollitz with a pair of third place finishes in the high and low hurdle events; Harold Hjelle with a 4th in the low hurdles; a 2nd by Jones and a 3rd by Krohn in the mile run; a 2nd by Jim Sauve in the 440-yard; a 2nd by Jack Quesnell in the half-mile, and a 3rd by Del Sanders in the half-mile; and a second place by the Prowler 880-yard relay team.

All first and second place winners are qualified to participate in the state high school track and field tournament to be held in Minneapolis this week.

The summaries:

Keeping Score with "Huck" Olson

An Addition

Jim Walker, who has followed athletics around here since the early 1900's, and who can be rated and quoted as an authority, tells us that we should make an addition to the hurling staff of the all-time Thieves baseball squad. According to Jim, the best pitcher that he has seen in a local uniform was righthander Bill Cadreau. Cadreau, a nineteen-year old Indian from Cloquet, played with the local club when the team was managed by Jesse LaBree.

Walker recalls that Cadreau was possessed with terrific speed, and in a tournament game played at Bisbee, North Dakota, the Indian struck out twenty batsmen. In those days, independent baseball team tournaments were very popular, and the clubs that participated in these tourneys were usually all-salaried outfits.

Cadreau later moved up into the American League, playing with the Chicago White Sox for a short spell, and then winding up his career by pitching in the Pacific Coast league. Cadreau who died a couple of years ago at Cloquet, would have had a longer "life" in the Big League if he had adhered to training rules.

Jones' Boys

N. (for Norris) Quentin Jones and his eleven-man—Dave Kollitz, Pete Froehle, George Gifford, Jack Quesnell, Jim Krohn, Evan Jones, Harold Hjelle, Jim Sauve, Del Sanders, Dean Christensen, and Bob Rosengren—regional track squad brought back the championship trophy as a result of their 42-point performance at the regional track and field tournament held on the B.S.T.C. field at Bemidji on Friday. Mahnomen was the runner-up with 26 points, so the Prowler victory was quite decisive, 16 points. Bemidji, last year's champions, had an 18¼ point total which gave the Lumberjacks fourth place.

In scoring their regional triumph, the Prowlers racked up but one first place, that in the shot put by sturdy Pete Froehle. As Coach Jones expressed it before the meet, "We may not get too many firsts, but we'll second and third place 'em to death." And that was the fact.

It was refreshing to have coach Jones' track Prowlers finish so far ahead of the Bemidji Lumberjacks, and with that track triumph coming on Friday of the same week in which coach Ralph Skjod's baseball Prowlers (last Tuesday) had defeated the Jacks. Well, last week must be rated as a "big" week for the Prowler athletes.

That 9 to 8 win, in eight innings, over Horace May's Bemidji team last week was a "thriller." Bemidji had such stellar athletes and competitors, as Jack Whiting, Darrell Erickson, Rich Carter, Fred Barker, and Corky Johnson in their lineup; and those boys hate to lose. The "work" from the Bemidji bench was plenty sharp, as coach Skjod said, "Have you ever heard anything like it?" The score, in case the Bemidji fans need a "refresher," was 9 to 8 for the Prowlers.

National Golf Day

Saturday, June 4th, has been designated as National Golf Day, and golfers of all ages, sizes, and sexes, will be able to compete against National Open champion Ed Furgol and Women's Open champion Mildred Babe Zaharias.

Local golfers will be able to compete against the scores that golfers Furgol and Zaharias will shoot that day, and if the scores of the local contestants, with their handicaps being used, is lower than the figures posted by the champions, those local golfers will receive a medal. L. A. "Beach" Betcher, the local club's pro, will organize and supervise the competition on Saturday. The proceeds of the "Day's" play will be shared by the Red Cross and the junior golf program.

And speaking of golf, we hear that an "informal" Soo Line tournament is in the making. Boomer Reed will lead an eight-man squad of Glenwood Soo Liners against Phil LeGault and an eight-man squad of local "rails" in a match that will be played at Detroit Lakes on Sunday, June 19th. According to tentative plans, Phil intends to play in the number one spot, meeting Boomer in the feature match. Other members of Phil's squad will be Johnny Glick, Emil Larson, Harold Nelson, and Harry Ellefson. It is rumored that Plummer's Wally DuChamp, unofficial assistant depot agent, will join Phil's team. Knowing Boomer Reed, we wouldn't be at all surprised if that Glenwood outfit comes up to Detroit Lakes with some strange "Soo Liners" too.

It pays to advertise!

Thieves Down Roseau 8-4 in Exhibition Tilt

Locals Play at Argyle Sunday; Meet Warroad Here Thursday, June 9

With lefty LeRoy Aasland giving up but one hit and striking out nine batsmen in the 5 2/3 innings that he pitched; and with righthander Gene Leslie doling out one hit in 1⅓ innings, the Thieves defeated Ole Swanson's Roseau Cloverleafs in a seven-inning exhibition baseball game played on the Fair Grounds diamond on Monday night, with the locals winning by an 8 to 4 score. The Thieves are slated to play a return game at Roseau on July 21st.

The Thieves will return to Red River Valley league competition on Sunday, June 5th, when they travel to Argyle for a game against the highly-regarded Maroons. On Thursday night, June 9th, as a feature of the Elks state convention being held here, the Thieves will meet the Warroad Lakers on the Fair Grounds diamond.

LeRoy Aasland, in Monday night's encounter against Roseau, pitched a fine brand of ball, and with some adequate defensive play, he would have hurled a shut-out. Aasland, who was touched for a "blooper" hit over second base by Duane Torfin in the 2nd inning, left the mound in the 6th inning when he felt a twinge in his elbow. Rather than hazard an injury to the arm, manager Berdeen Nornes called in Gene Leslie for relief duties during the remaining 1⅓ innings.

The ball game was a 2-all affair moving into the Thieves' half of the 5th inning when Roseau's Bill Thomas, who had given up but four hits and two runs, walked Jack Hoppe, Swede Lund, and Leslie to load the bases with none out. Bob Eidsmoe replaced Thomas on the mound, and he walked Larry Gilbertson to force in a run. An error scored Lund, and Aasland's infield roller tallied Gilbertson with the locals' third run of the frame.

A double by Shorty Perkins, walks to Lund and Gilbertson, an error, and Dick Edlund's infield hit down the first-base line, scored three runs in the 6th inning. Roseau, in the top half of the 6th, had tallied twice when a hit batsman, a walk, and John Eidsmoe's triple to the fence in left center shoved the runners across the plate.

SUNDAY, JUNE 19TH IS FATHER'S DAY

Here's one day out of the year that's dedicated to the fellow who puts in 365 days of the year taking care of his family. Of course, Mom's in that picture, too . . . and she knows Dad does a good job of providing the necessities of life; he spends some time with Junior; he does a passable job of fixing things up around the house; he does his share of worrying about finances and other things; he also does his share of arguing in family matters — but all in all he's a pretty good guy. And he'll get a big bang out of your remembering Father's Day with a gift from his own men's wear store.

3 Young People Die in Crash at St. Vincent

Three Minnesota youths were killed in an automobile collision at St. Vincent early Thursday just one block from where one of the victims' brother lost his life in a hit-run accident.

Killed were Gloria Gardner, 17, St. Vincent; Rodney McGovern, 25, St. Vincent, and Roy Stewart, 22, Hallock.

Hospitalized at Hallock are Mrs. Lorraine Hosch and Virginia Gardner, 15, St. Vincent, sisters of Gloria; Donald Cederholm, Hallock, and Robert Nordstrom, Jolliette, N. D.

Mrs. Hosch is being treated for a broken leg and facial injuries; Cederholm for a broken leg; Nordstrom for a broken leg, and Virginia Gardner for shock and facial and body bruises and cuts.

Investigating officers said the accident occurred within the St. Vincent village limits at about 1 a. m. Thursday. A car driven by McGovern struck a car driven by Gloria Gardner while trying to pass a third car driven by Carmen Waller of Hallock. McGovern was driving alone and the others were passengers in the other car which belonged to Nordstrom, authorities said.

The McGovern and Waller cars were going east at the time of the accident and the other car west.

Kittson County Coroner Andy Larson said McGovern and Stewart were just back from service.

Waller and three passengers, Gary Peterson, Orleans, Minn., Curtiss Cedergren, Lancaster, and Kenneth Waller, his brother, were not injured although their car struck the wreckage of the other two machines which were demolished.

Ambulances from Emerson, Man., and Hallock were called to remove the dead and injured from the wreckage.

Martin Gardner, a younger brother of the Gardner sisters, died March 6, 1954, after a hit-run driver struck him and about eight other school children as they were crossing a street about a block from the scene of Thursday's accident. They are children of Mr. and Mrs. Frank Gardner who farm near St. Vincent. One other girl was killed in the accident in which Martin died.

Stewart is the son of Mr. and Mrs. Roy Stewart of Hallock and McGovern is the son of Mr. and Mrs. Mark McGovern, St. Vincent farmers.

2 Crashes Reveal Need of 'Slow Down and Live' Crusade

Governor Cites Results of Carelessness and of Taking Unnecessary Risk

Five mangled dead bodies and 16 people in hospitals suffering from injuries were part of the grim results of just two motor vehicle collisions in northern Minnesota last week—on the very eve of the nationwide "Slow Down and Live" campaign which began Friday and will continue through September 5th.

"Both of these terrible accidents," said Governor Orville L. Freeman, who is sponsoring the campaign in Minnesota, "are tragic reminders of the awful price paid for a moment's inattention to driving or taking an unnecessary chance."

One of the collisions was caused by a motorist who attempted to pass another vehicle and struck an oncoming car before he could get back into his right lane. The result: three deaths and four motorists injured.

In the other accident, both cars were believed to be over the center line—a sure invitation for the tragedy which followed, in which two died and 12 were hospitalized with serious injuries.

"In each of these instances," according to Earl M. Larimore, highway safety director, "it is very likely the terrible consequences could have been avoided if each of the drivers had been driving slower and had better control of the car he was driving. The improper passing could have been offset if the driver of the on-coming vehicle had been driving at a slow enough speed to avoid head-on collision which resulted. And, if either one of the two vehicles involved in the second accident had been traveling slower, its driver could have swerved back into the proper lane in time to prevent the collision."

Baudette to Build Hospital Addition

The Swedberg Construction Co. of Detroit Lakes was awarded the contract May 24 for building a wing to Community hospital, Baudette. The contract price was $184,159.07. As this is in excess of the $150,000 bond issue passed last year, it will be necessary to hold another election to cover the increased cost. The four low bidders for the hospital were remarkably close in their figures, only a few thousand dollars separating the first from the fourth.

He Keeps Busy at the Age of 85

Alex Akren, energetic 85-year-old resident at the Oakland Park rest home, is pictured above with some of the excellent pieces of lawn furniture he has made in the workshop since coming to the home early this year. He also makes doll furniture for sale.

A native of Finland, Mr. Akren in his early years sailed the seven seas with the Finnish merchant marine before coming to the United States about 50 years ago, spending most of the intervening years in the Becker county vicinity, where he engaged in farming and woodworking.

In excellent health for a man of his age, he uses glasses only for reading.

Supt. Donald Brandvold, formerly in charge of Sunnyside rest home at Lake Park, stated that Akren had been a resident of that home before coming to this city.

Garden Valley Co. to Meet Tuesday

Telephone Co-op to Hear Reports, Elect Directors

The annual meeting of the stockholders of the Garden Valley Telephone company will be held at the city hall at Erskine, next Tuesday, June 7, at 1:30 p. m.

Carl M. Ostby, general manager, will give a full story of the present modernization of the company's telephone plant, and a financial report for the past year will also be presented.

The terms of the directors from the Clearbrook-Gonvick area, Grygla-Goodridge area, and the Red Lake Falls-Mentor-St. Hilaire area all expire. During the last three years the last two areas were served by Christ Clausen of Grygla and Walter Johnson of Red Lake Falls respectively. Both these men will be candidates for re-election.

The Clearbrook-Gonvick area was represented by Albert Anderson, who also served as secretary of the board of directors. Mr. Anderson passed away on January 22, and the Clearbrook-Gonvick area will have to come up with at least one candidate for the coming election of directors.

Walter E. Day of Bagley, president urges that stockholders make it a point to attend the annual meeting.

The meeting is open to the public. One need not be a stockholder to attend and the board of directors and manager extend a special invitation to other users of telephone service to attend. As usual, free lunch will be served.

Explorer Scouts Plan Canoe Trip

Eleven Explorers for the Lake Agassiz council, Inc. Boy Scouts of America are registered for the Charles L. Sommers Region 10 canoe base trip June 29 thru July 9, according to R. C. Hadlich, council camping chairman.

The Canoe Base is located on Moose Lake, 22 miles northeast of Ely. The first day out the crew paddles into Canada and starts their 8-day journey into the wilderness where they will encounter many new and exciting experiences.

Dale O. Peterson of Crookston is the council adult advisor that will be making the trip. Explorers that will be making the trip include Anthony Kjozed and Bill Walker of Troop 57, Thief River Falls.

Warren Student at St. Olaf Will Make Europe Tour

Next Thursday afternoon, June 2, 57 members of the St. Olaf College Choir will begin the first leg of their journey toward a European concert tour. Nineteen concerts lie between the Manitou Heights campus in Northfield and the choir's boarding the Norwegian-American line's Stavangerfjord on June 22 in New York City.

This year's tour will be the third visit to Europe by a St. Olaf choir, but the first with the choir under the direction of Dr. Olaf C. Christiansen who took over in 1943 after the retirement of his father, Dr. F. Melius Christiansen. Thomas Herbranson of Warren will make the tour with the choir.

Point System up to Driver Himself, Jurist Declares

Municipal Judge Archie L. Gingold of St. Paul, presiding over traffic court this month, is putting the responsibility for individual driving records squarely up to the motorists themselves. In emphasizing the effect of the "Point System," now in use as a yardstick in determining the competence of motor vehicle drivers, Judge Gingold warned an errant driver:

"From now on your record on file in the drivers license bureau is going to be far more important to you than your rating in Dun and Bradstreet."

Bemidji College to Graduate Local Students Tonight

Dr. E. S. Hjortland of Minneapolis to Address Class of 184 Graduates

One hundred eighty-four students will hear Dr. E. S. Hjortland, senior pastor at Central Lutheran church, Minneapolis, talk on "Living A Balanced Life" at Bemidji state teachers college's 33rd annual commencement exercises this evening at 8 p. m. in the college gymnasium.

Conferring diplomas and degrees will be Herbert E. Olson, resident director of the college, with the presentation of the graduating class by Dr. C. R. Sattgast, president of the college.

Presentation of the Teachers Pledge will be made by Harry E. Bucklen, secretary of the Northern Division of the Minnesota Education association.

Music will be supplied by the college A Cappella choir, Carl O. Thompson, conductor. Processional and recessional music will be played by the college concert band, Edgar B. Gangware, conductor.

Included in the graduating class from this area Richard Barll, Red Lake Falls; Wallace Boen, Strandquist; Seldon Caswell, Trail, bachelor of science; Wallace Rutkowski, Gully; Audrey Aase, Thief River Falls; Betty Ness, Holt, and Audrey Zakrzewski, Strandquist, provisional elementary; Myrtle Barll, and Delores Dale, Red Lake Falls; Violet Erickson, and Emma Swenson, Holt; Rita Hart, Oklee; and Emma Haagenson and Alice Vraa, Thief River Falls, associate in education; and Shirley Odegaard, Thief River Falls, associate in arts.

DESERVES TOP PRIORITY

Congress probably will not go along with the particular road building program recommended by President Eisenhower but it is quite certain that an expanded program of *federal aid for roads will be adopted.* This stepped-up federal aid will give assurance to continued progress in the building of a better type of secondary roads now getting nicely underway.

Pennington and Red Lake counties each will get their first bituminous surfacing of county roads this summer. That is a significant first step. More than 400 miles of county roads thruout the state will be blacktopped this season.

Engineers tell us that here in Pennington county we should be able to build and black-top six or seven miles of our federal-aid county highways a year with the funds now available to us. Increased federal aid would mean that this program could be accelerated. It is reasonable to assume that within a ten-year period it should be possible to have all of our seventy miles of federal-aid county highways built up to this standard—and paid for.

That is a ten-year plan that deserves top priority in all our community planning.

BACK TO PROHIBITION?

Pennington County will vote on the question of legalized liquor sales again in a few weeks, and that is as it should be. We now have had experience with this problem under two methods of control and should be in a good position to judge which of the two methods is best.

We know from experience that the question is not whether the county shall be wet or dry. It was wet before local prohibition was repealed and it no doubt will continue to be wet if prohibition is restored. This problem of liquor control is an important one and during the weeks that are ahead of us the question should be thoroughly discussed.

DISASTERS ELSEWHERE

More than a hundred persons were killed and upwards of a thousand were injured in the southern states that were swept by tornadoes last week. Closer to home, in neighboring Manitoba, floods were causing serious damage, and farther west, in Saskatchewan, storm and flood damages were estimated at between $50 and $60 millions, not counting crop damage.

We are not immune from such disasters. They can happen here too. When they do not happen here we have reason to be thankful.

A GOOD RESULT

Britain's Conservative government was given a strong vote of confidence in last week's election. There was much hate-America sentiment in the background of the opposition party and a repudiation of the Churchill-Eden government would have added to our difficulties in our relations with both friendly and enemy powers.

Because a change in the British government would have meant changes in the British approach to world problems it would have meant further delays in some of the important negotiations now under way, with possible misunderstandings that could cause serious setbacks to the cause of peace. With this strengthening of its position at home the Eden government can now act with greater assurance on questions of foreign policy. That in turn will strengthen the position of the free nations in dealing with the Reds.

Why We Didn't Write a Column That Week

Several people have kindly noted that we didn't have an editorial column a couple of weeks ago and so we will use space this week to report on what we did instead of writing a column. That was the week we spent our winter in California and in the hustle of moving about a lot in a short period of time, grinding out the column was only one of several things we failed to do.

It wasn't only for the purpose of confusing our creditors that we went West young man. There is a growing army of grandchildren in the Los Angeles area that were due for inspection. An invitation to dinner with the skipper of the Cruiser Toledo, docked in the navy yard at Long Beach, was in itself sufficient cause for travel. And there were friends in Berkeley with a spare bed and a convenient refrigerator and a lot of things to tell us about California that we figure were only half true. It all added up to an enjoyable diversion from the routine.

Erling Torgerson's brother, Captain "Ted", commander of the Cruiser Toledo, asked to be remembered to his friends. He graduated from the Oklee high school in 1923 and for two years taught a country school five miles east of there.

He wished particularly to be remembered to Carl Wennberg, with whom he and his brothers played ball back in the 'twenties. He recalled that that was "way back when" young Peter Graves of Red Lake was building up a reputation as a pitcher and a lot of good ball was played in that area.

After two years at St. Olaf he received an appointment to Annapolis, graduating with the class of 1931. He participated actively in athletics at Annapolis, playing end on the Navy football team and holding down his old position as catcher in baseball.

From teaching a country school to commanding the Cruiser Toledo was not what might be called a rapid rise. There were many steps to be taken, one step at a time, in the climb up that promotion ladder. During his 24 years in the navy Captain Torgerson has served in various capacities on 18 ships, with combat service in both the Atlantic and the Pacific. Tours of duty at sea have been interrupted by staff assignments in Europe and in the Far East and administrative duties in Washington. Navy officers don't quit going to school when they graduate from Annapolis.

The Cruiser Toledo is the flagship of Rear Admiral R. F. Wilson. Along with other ships under his command the Toledo will go into drydock for a thorough overhaul and later in the year the squadron will be back in service as a part of the Pacific Fleet.

The opportunity to visit with Captain Torgerson and inspect the big fighting ship he now commands made the journey to California especially interesting.

About California in general we can report that it is badly in need of rain. The natives know however that the rains will not come until November at the earliest and so the lack of moisture is one of the things they do not talk about.

We crossed many river beds up and down the coast but all were dry and apparently they are not expected to function again as channels for run-off waters. Some of them must have been fair sized streams at one time. Now, however, mountain waters are impounded in reservoirs and released in an orderly way for domestic and commercial needs and for irrigation. Water is a scarce commodity in California and is not wasted.

Everything is big out there, including government, and government must be terrifically expensive. Property taxes were not excessive however by our standards. Main reason for this probably is the sales tax. During the few days we were there we made a substantial contribution to their tax funds for both local and state purposes. In view of the fact that we are rapidly spending ourselves into a general sales tax here in Minnesota it is comforting to know that this is one form of taxation that is paid quite painlessly.

For the encouragement of folks in the Twin Cities area, who are unhappy because they are not represented in the legislature in proportion to population, we can report that city folk in California have even more reason to complain. The Senate has only forty members and no one county has more than one member in this body. There are only a few states that have more population than Los Angeles county, and those millions of people have only one vote in the state senate. How fortunate are the people of Minneapolis and St Paul, and how shamefully lacking they are in appreciation of their good fortune.

The New Solum 4-H club held its May meeting on Thursday night at the Rosebank School house. The participants for the good grooming contest to be held May 27 were picked. For the older group, Martha Uggerud and Jerry Sabo were chosen, and for the younger group, Judy Anderson and Wayne Dahl. The club tour will be on June 29 when the county and home agents will be out to check on the various projects, that should then be near completion, and also the records. A vote was taken and the members and parents voted to hold the meetings at the Rosebank instead of the Columbia school house. The program consisted of group singing, several readings and a project talk on Stain Removal by Elaine Hellquist. The Lloyd Andersen family served lunch.

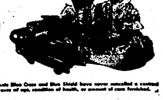
"We learned the true value of Blue Cross-Blue Shield when our family faced 9 emergencies in 15 months"

says Mrs. William Berkeley; 26 Williams S.E.; Minneapolis

"Suddenly, we were faced with one hospitalization after another," says Mrs. Berkeley, "but, Blue Cross and Blue Shield were there to take care of nearly all our hospital and doctor bills. Blue Cross-Blue Shield paid $3,631.74 for our family's care," Mrs. Berkeley says. Following her family's experience and her personal experience as a former hospital laboratory technician, Mrs. Berkeley adds, "No other hospital-medical care plans offer anywhere near the benefits of Blue Cross and Blue Shield at a comparable cost. We're pleased, too, that Blue Cross-Blue Shield do not cancel contracts at a time when their services are needed most."



• Minnesota Blue Cross and Blue Shield have never cancelled a contract because of age, condition of health, or amount of care furnished.

Vital Coverage You Need... At A Cost You Can Afford

While the Berkeley family's repeated hospitalizations are not typical, they do typify the effective protection that non-profit Blue Cross and Blue Shield offer. Ask your family doctor and your community hospital which health care plans offer maximum benefits at a minimum cost. Repeatedly, their answer is Blue Cross and Blue Shield. Report on Viking News of the Week

By Mrs. Orville Peters, Phone [illegible]

Gustafson-Halvorson Nuptials

A 5:00 o'clock wedding was solemnized at the Zion Lutheran Church at Viking Friday afternoon, the 20th day of May, 1955 when Miss Beverly Gustafson, daughter of Mr. and Mrs. Axel Gustafson of Viking, became the bride of Robert Halvorson, son of Mr. and Mrs. Adolph Halvorson of Hallock. The Rev. T. J. Weltzin performed the double ring ceremony.

The bride wore a pink street length dress with white accessories and a corsage of pink roses with stephanotis and lily of the valley.

Mr. and Mrs. John Halvorson of Thief River Falls, brother and sister-in-law of the groom, attended the couple. Mrs. Halvorson also wore a pink dress with white accessories and wore a corsage similar to that of the bride's.

A reception was held at 8:00 o'clock in the evening at the home of the bride's parents, with about 60 guests attending. Mrs. Carl Christianson of Thief River Falls, an aunt of the bride, cut the wedding cake. Mrs. Lowell Gustafson of Warren, sister-in-law of the bride poured.

After a short honeymoon trip to the Iron Range, the North Shore and Duluth, the couple will be at home on the groom's farm near Hallock.

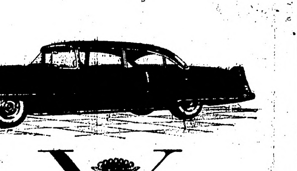
Cadillac



Has Its Own Vocabulary!

Over the years there has come into being what amounts virtually to a special Cadillac vocabulary.

Certain words and phrases have so long and so often been used in association with Cadillac that they almost automatically call the car to mind.

When the talk is of motor cars, who can hear the word "prestige" without thinking of Cadillac?

It is likewise true of "distinction" . . . of "luxury" . . . of "pride of ownership" . . . of "satisfaction" . . . of "comfort" . . . of "long life and dependability" . . . of "beauty" . . . of "impressiveness" . . . of "value"—and of dozens of other words used to denote superiority.

In a sense, these are Cadillac words—and they actually sound strange when employed in any other connection. Even when used in the promotion of another automobile, they still suggest the "car of cars".

Naturally, words like these can become inseparable only from a product which deserves them. In the case of Cadillac, it has taken half a century of the strictest adherence to the highest automotive standards to win this public approval.

Eternal vigilance is the price of this reputation.

• • •

Most people, of course, realize that these wonderful words apply to Cadillac. But too many have not yet personally found out why.

If you are among these—come in and see us today. We will give you the keys to a new 1955 Cadillac—and you'll know in a single hour why Cadillac has its own vocabulary.

You'll know, from personal experience, that when you speak of "prestige" and "distinction" and "luxury" and "pride of possession" and "value"—you are speaking of the Standard of the World.

We have the keys—and the car—and a real welcome waiting for you.

GETTING THROUGH SCHOOL BY DEGREES

Eleanor Swanson enrolled for nurse training upon graduating from Warroad high school in 1932. Illness interrupted her course, then she married and raised a son and a daughter. When her husband, the Rev. John Zeltin, took a pastorate near a St. Paul hospital, Mrs. Zeltin resumed her training and this year becomes a graduate nurse, 23 years after starting . . When a death in the family required him to take over management of the Benson weekly newspaper, J. C. McGowan's formal education was interrupted. This spring, at 63, Mr. McGowan, comfortably retired, graduates cum laude from the University of Arizona . . . In the past four years four graduates of Holy Trinity school, New Ulm, have won competitive scholarships at St. Edwards University, Austin, Texas.

SUCH THINGS DON'T HAPPEN OFTEN

When a 3-blossom tulip stem was reported in Waseca, Mrs. Ray Bartz produced one with five blossoms . . . Near where his sister found an 1846 penny a year ago, 8-year-old Keith Campbell found a rusty cannon ball embedded in an Anoka tree stump . . . After 49 years as a fur trader Ed Ek, International Falls, recently acquired the first albino beaver pelt he has ever seen — a yearling trapped near Littlefork . . . A watch Bert Whaley lost a decade ago was turned up while Herb Carlson was plowing near Hawley — it was run down and corroded, but started and ran as soon as wound.

Women's Camp Opens at Crookston June 13

A carefree four-day vacation for homemakers of the Red River Valley counties is offered at the 30th annual Women's Camp to be held at the Northwest School of Agriculture at Crookston, June 13-16. Miss Retta Bede, home economist at the Northwest School and camp leader, states that the opportunity to live in a modern girls' dormitory, with meals prepared for them, combined with an excellent educational, recreational, and entertainment program has caused a high percentage of the women to return annually for the Women's Camp.

Lecture-demonstrations on the problems confronting homemakers together with opportunities for instructions in handicraft make up the program for the day followed each evening by receptions and entertainments. Camp members are given opportunity to swim in the indoor swimming pool and engage in other forms of recreation.

Major emphasis in the educational programs this year will be placed on meat preparation with Mrs. Matilda Prescott of the Martha Logan Service of Swift and Company as lecture-demonstrator, and floor and table coverings and interior decorating with Mrs. Myra Zabel, home economics extension service, University of Minnesota, St. Paul, as lecture-demonstrator.

In the handicraft work, Miss Marion Parbst of Ada, county home agent of Norman county, will give the work in basketry; E. C. Miller and H. W. Soderburg of the Northwest School will give the instruction in woodcraft; and B. C. Beresford, horticulturist at the Northwest School, plant propagation.

Mrs. O. A. Johnson of Stephen, president of the Women's Camp organization this year, invites homemakers of the Red River Valley to register for the camp on the afternoon of June 13 and attend the annual business meeting after the supper hour that evening. Women who cannot attend the entire camp period are invited to attend the daytime sessions.

Women who are interested in attending the camp should write to the Northwest School, Crookston, Minnesota, for information and room reservation.

Record $6 Million Federal Aid Road Jobs Let to June 1

Nearly Twice as Much as Had Been Let in Previous Record 5-month Period

Nearly twice as much county-federal aid secondary road construction work has been placed under contract, up to June 1, 1955, as ever before contracted during the first five months of any previous year in the history of the state-county-FAS cooperative road improvement program.

The state highway department announced today that $6,840,000 worth of county FAS contracts had been awarded or were in final process of award by the end of May. The largest volume of such work ever previously contracted by June 1, generally regarded as the start of the normal construction season, was in 1954 when $3,600,000 worth of contracts had been let.

The work let so far this year consists of 186 contracts, as compared with 117 contracts let by June 1 of 1954. There also is a carry-over of upwards of $1,000,000 in work, contracted in 1954, remaining to be completed this season.

State Lawyers to Convene in St. Paul

Annual Convention Opens in St. Paul Hotel June 22

Attorneys from all parts of the state will attend the annual convention of the Minnesota State Bar association in St. Paul June 22, 23 and 24, according to Joseph M. Donahue of St. Paul, convention chairman.

Sidney P. Gislason of New Ulm, president of the association, will preside at the meetings to be held in the St. Paul Hotel. The Ramsey County Bar association will be host to the Minnesota lawyers. John B. Burke, St. Paul, is president of that group.

The reviewing of proposed legislation in the public interest will be the principal business of the association during its convention. If approved by the group, the proposed bills will be submitted to the next legislature.

The bar convention will open June 22 with a tax institute under the direction of the section of taxation. Howard E. West of Rochester, chairman, will act as moderator. Some 850 lawyers are members of the tax section.

Friday morning a real property institute and an institute under the direction of the labor section will be held. Business meetings of the bar association will be held all day Thursday and Friday afternoon.

The district judges association, county attorneys association and the probate judges association, three other affiliated groups, also will meet during the state bar association convention.

James J. Peterson at Conference in Chicago Recently

James J. Peterson, Thief River Falls, representative of the Metropolitan Life Insurance Company, has returned from Chicago where he took part in a three-day conference with officials of the company at the Conrad Hilton Hotel. Mr. Peterson, had an exceptional sales record in 1954, and is among the top-ranking members of the Metropolitan's staff of 22,000 field representatives.

MOO-OO-OO! IT'S JUNE DAIRY MONTH—Officials of Minnesota June Dairy Month observance, the governor, and the state's dairy princess got together to proclaim June as Dairy Month, but it took a prize Guernsey cow to make the most noise about it. At the recent kick-off luncheon in St. Paul, the official mascot of June Dairy Month, Santafair L. Claudia, bellowed her greeting while watching were, left to right, Mrs. J. Kyle Sweeney, Minneapolis, state co-chairman, Governor Freeman, Eleanor Maley (Princess Kay of the Milky Way), and Berry Akers, editor of The Farmer, St. Paul, state Dairy Month chairman. Governor Freeman officially designated the Dairy Month observance honoring the state's dairy industry "in order to increase our appreciation of milk and dairy foods to the end that our health may be improved, our financial well-being increased, and our gratitude to the Great Giver expressed."

Liquor Raids Staged in 5 N. W. Counties

Raids on eight clubs and taverns in five northwestern Minnesota counties for alleged violations of liquor and beer laws, including three American Legion clubs, were reported by Harry A. Sieben, state liquor control commissioner.

Together with state liquor control agents, the Polk county sheriff's office conducted a raid Saturday at Trail, where a charge of after hours sales of liquor was brought against the Four Leaf Clover. Lawrence Nelson, bartender, was scheduled for arraignment in Crookston Municipal court.

The American Legion Club at Brooks was charged with selling liquor without a license, and the Legion Club at Red Lake Falls with selling liquor to non-members in raids conducted by the liquor agents in cooperation with the Red Lake county sheriff's offices.

In addition charges of selling liquor without a license were brought against the Oasis Night Club at Bemidji, the Roland General Store at Roland, and the American Legion Club at Strathcona. These charges constitute gross misdemeanors.

Other complaints charging after hours sales of liquor were brought against the municipal liquor store at Williams and the Night Hawk at Roosevelt.

The various raids were carried out last week by state liquor control agents in cooperation with sheriffs E. H. Chilgren, Lake of the Woods County; John Cahill, Beltrami county; E. B. Sillerud, Roseau county; C. A. Kankel, Red Lake county and C. N. Knutson, Polk county.

Sieben said that in the raids by sheriffs Sillerud and Kankel, conducted Thursday night, large quantities of beer and liquor were seized at Brooks and Strathcona and at Roland General Store.

700 Boy Scouts to Attend Camp

Camp Wabaunaquat Will Operate June 19-Aug. 6

Seven hundred Scouts and Explorers are registered for Camp Wabaunaquat, a Lake Agassiz Council Boy Scouts of America Camp, according to R. C. Hadlich of Grand Forks, Council Camping Chairman. The camp will open June 19 and operate for seven weeks through August 6. A training week for the Camp Staff will be held June 12 thru 19.

Camping in the Lake Agassiz Council is improving every year Hadlich stated. 238 boys attended Camp Wabaunaquat in 1953, 511 in 1954, and 700 are registered to date for 1955.

Units from the Pen-Ro-Shall district that are registered for camp to date include Troops 57, 59, and 60 of Thief River Falls, Troop 145 of Middle River, and Troop 112 of Holt.

Presbyterians Open Old Peoples Home at St. Paul

To Presbyterians of Minnesota an important event is coming up Tuesday afternoon, June 14 at 4 o'clock. At that time the first Presbyterian home for elderly people in the state will be dedicated. It is located on the southwest shore of Lake Johanna, eight miles north of the Twin Cities.

Erected on a 20-acre site, donated by Miss Lillias Joy of St. Paul, it is the newest of 41 Presbyterian homes in the nation. Although denominational groups own and maintain about 50 homes for the aged in Minnesota, hitherto there has been none under Presbyterian auspices.

Numerous Prizes Offered at Sheep Days in Greenbush

Henry Hess Announces $500 in Awards Offered to Contestants June 10-11

Henry Hess, president of the Minnesota Sheep producers Assn. announced that prizes totaling nearly $500 will be given to contestants working with sheep and wool during the Greenbush Sheep Days which will be held on Friday and Saturday, June 10 and 11.

Farm Magazine Gives Much Space to Coya Knutson

Rep. Coya Knutson of Oklee is credited in the June issue of Better Farming as the national farm magazine's inspiration for a new and urgent editorial campaign to protect the family farm from extinction.

Mrs. Knutson virtually has usurped the entire June issue of the magazine. In addition to mention given to her as the *inspiration for the new campaign*, she is the author of a major article, two other articles feature her, and she has inspired an editorial.

The Minnesota legislator's prominent position in the latest issue of the magazine was germinated several months ago when she expressed in the March issue a desire to become known nationally as "the farm woman's Congresswoman."

In an interview granted to Fred Bailey, the magazine's Washington editor, Mrs. Knutson voiced her ambition to represent in Congress not only her Minnesota constituents but all American farm wives interested *in better farm legislation*. Better Farming backed up Mrs. Knutson by offering $100 to the farm woman among its readers who would write the most constructive letter to her, voicing what she thought to be the most urgent wants and needs of American farm women.

According to The Curtis Publishing Company, of Better Farming, the impact of the mail received for Mrs. Knudson at the magazine's offices indicated that more should be heard from the Congresswoman in the magazine.

America eats better dairy products because of cooperatives
JUNE IS DAIRY MONTH
The purity, flavor and abundance of nutritious dairy products on American tables is due in large measure to cooperatives.
Cooperatives have lead the way in raising quality and guarding the freshness of dairy products all the way from the farm to retail store or milkman.
The cooperative has an important advantage in improving quality. The farmer who has a share in its ownership makes sure that the cooperative creamery receives the finest milk and cream for processing. He also insists that his cooperative handle his dairy products carefully and efficiently because higher quality products get a better price for him.
By supplying better dairy foods at fair prices, dairy cooperatives have contributed greatly to our nation's high standard of living.

THE CONQUEST OF FEAR

One of the earliest emotions a child experiences is fear. And from the first loud noise that awakens him until the moment of his death he knows no day without some recurrence of the sinister, some foreboding of danger.

From the beginning of time religion has been our tested antidote to the poison of fear. In the dark forests of antiquity, on the boiling seas of exploration, in the fox-holes of modern strife, men have calmed the body's trembling with the soul's faith. We have faced the unknown, the hostile, through trust in the Known, the Faithful; we have challenged the insurmountable, confident in the power of the Almighty.

How essential, though, that each generation passes on our Faith to the next! Who dares to deprive a child of the chance to conquer fear? Who would rob his son's soul of the Christian heritage martyrs died to preserve?

Bring your children to God's House every Sunday. Seek with them FAITH for this atomic age.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

$870 Million Fire Loss in U. S. in '54

Total Is 3.6 Per Cent Less Than Previous Year

The nation's fire losses in 1954 totalled $870,984,000, it was reported at the 89th annual meeting of the National Board of Fire Underwriters in New York City. This is 3.6 per cent less than that for 1953, when estimated monthly losses totalled $903,400,000.

According to the report, the number of fires in urban areas totalled 845,116, a decrease of 8 per cent from 1953, when they totalled 918,304. A refinement of this figure showed that building fires decreased 4.2 per cent, dropping to 399,182 from the previous year's total of 416,543.

Further analysis indicates that of these 399,182 building fires, a total of 289,379 were in residences and amounted to a decline of 1.8 per cent from the previous year, when they totalled 294,737.

235 Calves E ered in 6th N.W. Dairy y in TRF June 14

33 Girls from Eleven Counties to Compete for Title of Dairy Princess

Outstanding dairy calves to the number of 235 will be shown at the sixth annual Northwest Dairy Day here Tuesday, June 14, by 4-H and FFA members from 11 Northwest counties, it was announced today by Wm. Penning, Pennington county agent, in charge of registrations.

Heading the list are Roseau county with 51 entries, East Polk with 34, Marshall with 27 and Pennington with 20. Approximately 150 of the entries are in the Holstein division.

Each of the 11 cooperating counties also will be represented by three entrants in the contest for the title of Northwest Dairy Princess, the winner of which will compete at the state fair this fall for the honor of representing Minnesota during the coming year as Princess Kay of the Milky Way. The current Princess Kay, Eleanor Maley of Grand Meadow, will be here on Dairy Day to assist in the coronation ceremony.

Pennington county candidates include, Barbara Droppo, of St. Hilaire; Gloria Johnson, Smiley; and Beverly Nelson, Goodridge.

Rudy Mehlhoff, Princess contest chairman, stated that the candidates will be guests at a luncheon in the Legion club rooms Tuesday at 11:30 a. m., after which they will be judged by a committee including Mrs. Elsie Sweeney of Minneapolis, state chairwoman of the June Dairy Month observance; John E. Howard of Grand Forks, band director at the University of North Dakota; and Ray Wolfe, publicity director with the U. of M. extension service. County home agents from each of the 11 counties also will assist in arrangements.

Sharing the responsibility of judging the merits of the dairy calves will be Ralph Wayne, U. of M. dairy specialist, and Ben Salmela of the Grand Rapids experiment station, both of whom served last year; and Homer Fouach, dairy specialist at Northwest School, Crookston.

The program of events for the day includes judging the calves in the morning and early afternoon; judging the princess candidates at a noon luncheon and the coronation at 3 p. m., followed by a parade made up of calves, princess candidates and bands, winding up with a smorgasbord in the Riverside tourist park for the participating boys and girls and their parents.

A short talk will be given at the park by Berry Akers of The Farmer magazine, St. Paul chairman of the June Dairy Month observance. Valuable awards also will be presented to the winning contestants, topped by a purebred dairy calf to be presented to the youth showing the grand champion grade animal.

Gary Erickson of Badger, who showed the grand champion at the 1954 Dairy Day, waived his right to the award due to the fact that two of his brothers had won previously. As a result, Kenneth Anderson of Kennedy, who showed the reserve champion grade animal last year, will be presented Tuesday with a prize Holstein calf selected from the Lincoln Schroeder herd at Rochester by W. S. Moscrip, famed dairy authority.

Guests at a noon luncheon in the Elks club rooms on Dairy day will be county agents of the cooperating counties, who are devoting a great deal of effort to making the occasion a success; and area bankers, who have lent their financial support to the event.

Police Authorized to Pick up Dogs Running at Large

Mayor Agnes Israelson announced that, to carry out the provisions of the new dog ordinance recently enacted by the city council, she has authorized members of the police force to pick up and impound any dogs running at large during the summer months. Under the ordinance, dogs must be confined to their home premises or kept on lease during the gardening season from April 15 to September 15.

Local Man Burned in Gas Explosion

Ole Ness, 419 No. Duluth, Hospitalized with Burns

When Ole Ness attempted to light the pilot light on a water heater in the basement of his home at 419 Duluth av. N. Tuesday afternoon, after having made repairs on a propane gas line, a terrific explosion occurred.

Ness sustained second and third degree burns on his hands, and first and second degree burns on his face. He was rushed to the hospital, where his condition this morning was reported as satisfactory, altho it is expected he will be confined for probably two weeks.

The force of the explosion blew out several doors and windows in the house, and set fire to the curtains, the blaze being extinguished by the fire department.

Third Annual Rodeo Opens Here Saturday

Melvin Joppru's third annual Thief River Falls Rodeo is set to go with a big field of contestants entered in the five events that are scheduled for the afternoon performance Saturday and Sunday. Hobart Normand of El Paso, Texas, who will direct the activities and serve in the capacity of announcer, arrived Tuesday and is arranging the schedule of bareback riding, saddle bronc riding, Brahma bull riding, bulldogging and calf roping.

There will be a parade of the rodeo riders through the business section of Thief River Falls Saturday morning at 11 o'clock. The afternoon performances are scheduled to get under way each afternoon at 2 o'clock. Improved facilities will make it possible to seat more people than in previous years, Mr. Joppru reports.

Comedy will be provided for this year's programs by Teddy Billings, clown and bull fighter who provides a happy combination of thrills and laughs. The Christiansons, a sister team, Dolores and Shirley, do a routine of trick riding that is truly sensational. This act, with Chiquita, the educated horse, has appeared at some of the largest rodeos in the country.

In the large field of contestants are several riders who have competed in the big Madison Square Garden programs and are recognized nationally among those who are tops in their field. Dean Armstrong, of Sentinel Butte, North Dakota, and John Mitchell of Ft. Bragg, California, are among the prominent performers who have already arrived.

The contests are conducted under the rules of the Rodeo Cowboys Association and only members of the association are eligible to compete. With the entry fees advanced by the riders themselves the prize money at the rodeo this year will total at least $2,500.

Stan Mortenson Named President 14th District Bar

Robert A. Wurst Elected Secretary of Meeting in Grand Forks Saturday

Stanley N. Mortenson, local attorney, was elected president of the Fourteenth Judicial District Bar association at its annual meeting Saturday evening in the Bronze Boot cafe at Grand Forks.

Robert A. Wurst, also of this city, was named secretary, while Philip E. Thorson of Crookston was elected vice president, and J. A. Harren of Red Lake Falls, treasurer.

Lyman A. Brink of Hallock was named to represent the district on the board of governors of the Minnesota State Bar association.

Others in attendance from Thief River Falls included H. O. Chommie, H. O. Berve and L. W. Rulien.

Speakers at the meeting included Donald Barbeau, Minneapolis attorney associated with Wm H. DeParq, at one time of this city; and Warren King, also of Minneapolis, who discussed trial procedures from both the plaintiff's and defendant's viewpoint.

Lightning Hits 2 Homes in Storm Early Thursday

In an electrical storm early last Thursday, two local houses were struck by bolts of lightning, no fire developing in either case.

At the W. K. Hoefer home, 424 LaBree av. N., part of the chimney was knocked down and a hole was made in the roof.

At the Harley Kelly home, 226 Maple av. N., a bolt knocked a small hole in the plaster in the ceiling of the bedroom in which Mr. and Mrs. Kelly were sleeping, and also burned out the main floor fuse box. The Kellys fortunately were unharmed.

141 Graduates of Lincoln High Get Diplomas

Rev. Paul H. Engstrom Terms Children Most Valuable, Costly Assets

An audience of friends and relatives of the graduates that filled the school gymnasium to capacity witnessed impressive Lincoln high school commencement exercises Friday evening, when diplomas were awarded to 141 graduates by Elmer Bratsch, president of the board of education.

The guest speaker, introduced by Supt. W. G. Claffy, was the Rev. Paul H. Engstrom of St. Louis Park, Minnesota, who built his address on the theme that the child is the most valuable and expensive thing in the world.

He urged the graduates to try to work out their problems, and to go to church and to vote at election time. What they believe, he said, will ultimately decide the struggle between the Communist ideology and the free world.

Mr. Engstrom cautioned the graduates to give up the idea that they now are over the hump in life and can coast. He told them they have been members of a privileged class, and that they have an obligation to society. As a parting word of advice, he said it is more important to have something to live for than something to live on.

The exercises opened with the processional march played by the Lincoln school band, directed by John Moum, followed by co-salutatory talks by Ara Petersen and Caryl Bugge, and two selections by the Lincoln school chorus, directed by Miss Judith Halverson. Co-valedictory talks were given by Constance Walters and Ivadell Christensen.

High school principal Kalmer Ostby presented the class to Elmer Bratsch, who conferred the diplomas, after which Supt. Claffy conferred certificates on 16 graduates of the teachers training department.

Mr. Claffy also conferred college scholarships on David N. Reese, son of Mrs. Myrtle Naumann, highest ranking boy in the graduating class, and on Constance Walters, daughter of Mr. and Mrs. Wm. Walters, one of the two top ranking girls.

The recessional march by the band completed the exercises.

Air Raid Warning Alert to Be Heard in City June 15th

Kendall Gustafson, local director of civil defense, announced today that an air raid warning signal will be sounded on the fire siren next Wednesday morning, June 15, at about 10 o'clock. He added that the signal will be part of a national and state civil defense exercise scheduled for the 15th. It is planned, he said, to repeat the test about once a month.

A representative of the Grand Forks social security office will be at the city Auditorium in Thief River Falls on Tuesday, June 14, at 10 a. m. Individuals having any questions regarding the social security act are urged to call on him at that time.

600 Attended Dedication of Armory June 6

Governor Freeman and National Guard Chiefs Take Part in Ceremony

Following a banquet Monday evening in the St. Bernard's dining hall, attended by 250 persons including Governor Orville Freeman and top officials of the Minnesota National Guard, the handsome new National Guard Armory on Highway 32 was dedicated by the governor in impressive exercises in the presence of an audience of 600.

The program at the armory opened with a half-hour concert by the Legion municipal band, directed by Alvin Anderson, following which Company F stood for inspection by Governor Freeman, Major General J. E. Nelson and Captain John Oven, company commander.

The Rev. E. C. Mead, who presided, first called upon W. F. Dahlquist, chairman of the citizen's National Guard committee, who said that the new building is a community achievement in every sense of the word.

Commendatory talks also were given by Col. Gustave C. Olson, commanding officer of the 136th infantry regiment, and Major General Philip C. Bettenberg, commander of the 47th Viking division.

Major General J. E. Nelson, state adjutant general and chairman of the state armory building commission, said that the new structure is a challenge to this community to support Company F and keep it growing. He expressed hope that the strength of the company would shortly increase from its present total of about 75 to 100 or more.

General Nelson introduced Governor Freeman as a Marine Captain in World War II, and presented him with a key to the armory, the governor in turn passing it on to Captain Oven.

The governor congratulated

Bishop Felicitates Rev. Patnode

The Rev. Keough Patnode, right, pastor of St. Bernard's Catholic church in this city, is shown being felicitated by Bishop Francis J. Schenk of the Crookston diocese on the occasion of his 25th anniversary in the priesthood last Wednesday. As a happy climax to the occasion, Father Patnode's congregation presented him with a trip to Rome, Italy.

Pennington History Society Appoints 18 Secretaries in Twps.

Organization of the Pennington County Historical society proceeded with a meeting of newly appointed recording secretaries of the townships on Monday, June 6, Miss Katherine Barzen, president, announced, adding that the roster is complete except for Reiner, Kratka, and Mayfield townships.

Judge Paul A. Lundgren instructed the secretaries in their duties. He reviewed what had been done by the society in the 1930's when the society had started gathering data concerning pioneer residents.

The society disbanded when its historical room in the Auditorium was taken over by the city for office purposes.

Judge Lundgren spoke of the large space that will be available to the society in the new courthouse, provided a responsible organization will take care of it.

Duties of the corresponding secretaries is to get a short history of the original settlers in each township. The society will then catalog this information.

Judge Lundgren said, "We must get this information as soon as possible for it will be impossible to do so when the present generation is gone. We owe this to the pioneers of the county, for we need to dedicate something to their memory."

He went on to point out that the society already has some records but they are incomplete. There are many old time pictures in the files which were acquired during the pioneer celebration in 1912.

It was pointed out that it will take several years to gather the history of the county. However, no one person is to be overburdened with the task. Rather, if each person does a little, results will come surprisingly fast, said Miss Barzen.

At the next meeting, which has not been scheduled, recording secretaries will be asked to

2d Polio Shots to Be Administered Next Wednesday

217 First and Second Graders Received First Inoculations June 1st

The second inoculation of Salk vaccine will be administered in the municipal Auditorium next Wednesday, June 15, from 9 a. m. until noon to first and second graders of Thief River Falls, St. Hilaire and the rural schools, who received their first shots June 1 or the next few days following.

Dr. Dan Greene, city health officer, asked that parents arrange to have their children on hand by 9 o'clock if possible.

Dr. Greene stated that 217 pupils received their first inoculation last Wednesday, while 25 rural pupils were given shots Thursday and Friday.

It had been anticipated that approximately 400 would receive the shots, but this number was reduced about 25 per cent by the occurrence of an epidemic of measles, and by the further fact that approximately ten per cent of the parents withdrew permission for their children to receive the shots at this time.

Sig Quam Named Lions Club Head

Succeeds Dr. Starekow at 1st Meeting in July

In the annual election of officers of the Lions club, conducted last Wednesday noon, Sig Quam was promoted to the presidency, and he will succeed Dr. M. D. Starekow at the first meeting in July.

Others elected include Wendell Olson, Arthur Rambeck and Ward Nichols, respectively first, second and third vice president; Stan Pladson, reelected secretary, and Clarence Mattson, treasurer; Neal Fox, liontamer; Bob Carlson, tail twister, and James Parkins, assistant; and Lester Ihle and Stuart McLeod, directors.

McLeod urged the members to attend the banquet June 6, honoring Governor Orville Freeman and top officers of the Minnesota National Guard.

Duane K. Kulseth ME 3C arrived home last week from Newport, R. I., to spend a 30-day leave with his parents, Mr. and Mrs. Joe Kulseth of this city.

Sioux Falls, S. D., Pastor to Serve First Lutheran

Marvin Carlson to Take over Post about August 1; to Be Ordained June 19

Marvin O. Carlson, Sioux Falls, So. Dak., will become pastor of the First Lutheran church of Thief River Falls and Calvary church of Strathcona on or about August 1.

Mr. Carlson, who recently graduated from the Augustana Theological Seminary, Rock Island, Illinois, will be one of the 62 graduates of the seminary to be ordained into the holy ministry, Sunday, June 19 at the closing service of the 96th Annual synod of the church body being held at Gloria Dei Lutheran church, St. Paul, June 13-19.

As part of the impressive ordination service the pastor sponsor of each candidate for ordination places the stole on his shoulders signifying his ordination into the Holy ministry. Mr. Carlson's sponsor will be his former pastor the Rev. E. H. Baker, Marinette, Wisconsin.

More than 550 delegates from 33 States and Canada will represent the 500,000 member Augustana Lutheran Church, the fifth largest Lutheran Body in the United States, at the convention.

Muzzy-Madison Vows Pledged on Saturday

A pretty wedding ceremony was performed Sunday at Community Methodist church when Leona Madison become the bride of N. Erwin Muzzy. Rev. E. C. Mead officiated at the double ring ceremony performed in the presence of 350 guests.

Miss Madison is the daughter of Mr. and Mrs. Henry Madison of Tenstrike, Minn. and Mr. Muzzy is the son of Mr. and Mrs. N. E. Muzzy of this city.

Presiding at the organ for the traditional nuptial music was Mrs. Walter Jelle. She also accompanied Roger Oas as he sang "Because" and "O Promise Me."

The bride, given in marrage by her father, was attired in a white gown with a lace bodice, long pointed sleeves, winged collar and a sweetheart waistline. Net over satin formed her skirt. She wore a fingertip veil and carried a bouquet of eighteen American Beauty roses. Her pearls were a gift of the groom.

Miss Fern Mathson of St. Hilaire was the maid of honor. Mrs. Rolf Dufseth of Tenstrike, Miss Betty Rue of Argyle and Miss Maxine Vesek of Strathcona were the bridesmaids. They wore dacron garden length gowns with Peter Pan collars, sweetheart waistlines and tiny buttons extending down the front of the gowns. They were attired in green, orchid, yellow and blue respectively. They carried bouquets of summer mums on fans.

Claudia Kay Madison of Fargo, N. Dak., in a gown fashioned similar to the bride's, was the flower girl.

Attending the groom were Ernest Hogen, James Muzzy and Lester Muzzy of this city and Rolf Dufseth of Tenstrike. Jimmy Dale Dufseth was the ring bearer.

Mrs. Madison was attired in a pink linen two piece dress and Mrs. Muzzy chose a navy blue crepe for the wedding.

A reception was given in the church parlors following the ceremony. Miss Shirley Hutchinson was in charge of the buffet style luncheon. Mrs. Martin Mathson cut and served the three tier wedding cake and Mrs. V. Malburg poured. Clarice Lenston and Mavis Stravik registered the guests and Betty [illegible] Arlene Malburg arranged the gifts.

For their wedding trip Mrs. Muzzy chose an orchid faille attire with blue accessories. Pink carnations formed her corsage.

Mrs. Muzzy graduated from Bemidji high school in 1953 and the Teacher Training Department, city, 1954 and has been employed as a teacher in Grygla. Mr. Muzzy attended the Northwest school of agriculture and has been farming.

The out of town relatives at the wedding were Mr. and Mrs. Henry Madison, Dale Madison, Mr. and Mrs. Rolf Dufseth, Jimmy and Arnold all of Tenstrike and Ernest Madison and Claudia of Fargo, N. Dak.

R. Simenson Claims Georgia Gulrud As Bride

Georgia Gulrud, daughter of Mr. and Mrs. Carl Gulrud of this city and Robert Simenson of Minneapolis, son of Mr. and Mrs. Ralph Simenson of this city were united in marriage Saturday, May 28 at the Community Methodist church in this city. Rev. E. C. Mead officiated at the double ring ceremony which was performed at two o'clock in the afternoon. A single centerpiece of gladioli and mums graced the altar.

Miss Gulrud chose a navy crepe afternoon dress with white collar and cuffs with three-quarter length sleeves for her wedding. Her accessories were white and the Bible she carried, a gift of her godfather, Ted Beulke, was topped with a white orchid.

Mrs. Tim Conners of this city was the matron of honor. She wore a navy silk shantung dress with white accessories. She wore a lavender orchid.

Attending the groom was his brother-in-law, Wayne Tonsfeldt of Sabin, Minn.

Mrs. Gulrud was attired in a lavender linen dress with white accessories and Mrs. Simenson, mother of the groom, wore a white summer suit with white accessories. Yellow rose and white carnation corsages completed their attire.

An informal reception was held at the Carl Gulrud residence following the wedding for the immediate members of the families.

Following their wedding trip the couple are now residing at 2542 2nd avenue South, Minneapolis.

Mrs. Simenson, 1953 graduate of Lincoln high school, has been employed as a typist for Northwestern Bell Telephone company and her husband, also a 1953 Lincoln high school graduate, is employed in the office of the Burroughs Corporation.

The out of town relatives in attendance at the wedding were Mr. and Mrs. Wayne Tonsfeldt and children of Sabin and Mrs. A. G. Janecky and Joan of Baudette.

Virgil Strande Claims Christine Brendal As Bride

A pretty candlelight ceremony was performed at the Lund Lutheran church at Gully between Christine Brendal, daughter of Mr. and Mrs. Christ Brendal of Clearbrook and Virgil Strande, son of Mr. and Mrs. Gust Strande. Rev. H. Lie officiated at the double ring ceremony which was performed last Wednesday evening. Baskets of spring flowers graced the altar.

Mrs. Olaf Westrum of Clearbrook played a selection of nuptial music preceding the wedding and accompanied Paul Lundmark of Gully as he sang "Because" and "O Perfect Love."

The bride, who was given in marriage by her father, was lovely in a gown of white nylon lace, with tiny buttons extending down her back to the waist. Long sleeves coming to a point at the wrist and a nylon over satin skirt fashioned her gown. Her fingertip veil was caught in place by a crown of pearls and her rhinestone necklace and earrings were a gift from the groom. White satin streamers touched off by lilies of the valley extended from an orchid which she carried on a white Bible.

Mrs. Bill Ahlers, matron of honor, wore a blue flocked nylon formal and Donna Mae Anderson, was attired in a light green nylon sheer formal. They both carried nosegays of yellow and white chrysanthemums.

The groom was attended by Anthony Ness and Calvin Kolling. The ushers were Anton Brendal and Raymond Lund.

The mother of the bride wore a blue print crepe dress with a corsage of pink carnations. The mother of the groom chose a lavender two piece dress for the wedding. Her corsage was also of pink carnations.

A reception was held in the church parlors following the ceremony. A linen cloth woven by the bride's great great grandmother graced the bridal table, which was centered with a four tier wedding cake. Mrs Harry Bergh of Trail baked the cake which was decorated with pink and white flowers and miniature bells. It was topped with a miniature bride and groom and was cut and served by Mrs. Sidney Strande. Miss Cora Hanson presided over the coffee service and Judy Strand registered the guests.

Clayton Steenerson was the master of ceremonies. Mr. and Mrs. Olaf Westrum sang two duets accompanied by Beverly Bergh.

Mr. and Mrs. Strande left on a wedding trip to Milwaukee, Wisconsin.

Jacquelyn Larson, Dale Hanson Speak Vows

Miss Jacquelyn Ann Larson became the bride of Dale Albert Hanson at the Evangelical Lutheran Church in St. Hilaire, Minnesota on May 28, at 8 p. m. Rev. Eldon Person officiated at the double ring ceremony. Lighted candles and baskets of snapdragons, daisies and gladioli graced the altar.

Miss Larson is the daughter of Mrs. Thelma Larson and the late Anton Larson of rural Thief River Falls. Mr. Hanson is the son of Mr. and Mrs. Albert Hanson of Northwood, No. Dak.

Mrs. Klemens Gigstad of St. Hilaire was at the organ for the nuptial music. Clifford Bjerke of Northwood sang "Because" and "Wedding Benediction" before the wedding ceremony. Delvin Gylten also of Northwood sang "O Promise Me" and "The Lord's Prayer". Both were accompanied by Miss Wanda Hanson, sister of the groom.

The bride was given in marriage by her uncle, Fred Larson of Middle River. She wore a gown of Chantilly lace and nylon tulle over white satin with a hoped skirt extending into a brush train. The fitted bodice was fashioned with a rolled collar and covered buttons extended down the front to the waist. The long sleeves tapered to a point over the wrist.

Her veil fell from a lace half hat and she carried white feathered carnations and deep pink roses. For something old she wore a small gold pin that belonged for the grooms great-great-grandmother.

Miss Loralea Jane Larson was her sisters maid of honor. She was attired in an aqua lace and net over taffeta floor length gown made with a portrait neckline and hooped skirt. She carried light pink roses and white carnations with matching headdress. Her gift from the bride was pearl earrings.

Teri Dawn Michele Larson, sister of the bride was flower girl. She wore a floor length dress of deep pink taffeta and carried a basket of rose petals.

Wendell Hanson was his brother's best man. David Larson, brother of the bride carried the rings.

Delvin Gylten, brother-in-law of the groom and Dick Swanson, cousin of the bride were ushers. The men wore dark blue suits with pink ties which were a gift from the groom.

Both mothers wore navy dresses with white accessories and had corsages of pink and white carnations.

A reception in the church parlors followed the ceremony with Mrs. Chuck Richards of this city pouring. Mrs. Martin Rux of Grand Forks was at the punch table. Mrs. Richard Swanson, aunt of the bride and Mrs. Clifford Bjerke, cousin of the groom cut and served the cake. Mrs. Delvin Gylten, sister of the groom was in charge of the guest book. Mrs. George Hiltner of Langdon, No. Dak. and Miss Delores Hagen of this city were at the gift table.

The waitresses were Nancy Rux of Grand Forks, Sharon Bengston, Marlos Hanson and Mrs. Stanley Flattum all of this city.

Mrs. Harold Larson, Mrs. Geo. Swanson and Mrs. Euno Swanson were in charge of the dining room.

For travel the bride wore a white dacron print dress and navy faille coat with pink accessories and a corsage of roses and carnations.

The couple are at home in Northwood where the groom is employed at Krabbenhoft Chevrolet Garage.

Out of town guests were from Northwood, Grand Forks, Thompson, and Langdon, No. Dak.; Minneapolis, Plummer, Middle River and Thief River Falls and Milwaukee, Wis.

Rev. Patnode Is Given Trip to Rome, Italy as Silver Jubilee Gift

St. Bernard's parish joined its pastor, the Very Rev. Keough Patnode, last Wednesday in the observance of the silver jubilee of his ordination to the priesthood.

The climax of the day-long celebration was the presentation of the parishioners' gift to their popular pastor, a trip to Rome. The gift certificate was presented in behalf of the parish by Fred Endres, president of the Men's club.

A delegation of friends from Father Patnode's former parish at Oklee also shared in the silver jubilee observance and presented their former pastor with a gift of silver.

Father Patnode was celebrant at a solemn high mass of thanksgiving at 10:30 a. m., assisted by Father Louis Proulx of Brooks as deacon and Father Emmett Shanahan of Warroad as subdeacon. In attendance were Bishop F. J. Schenk, Crookston; the Right Rev. Monsignor Moses Dufault of Crookston and the Right Rev. Monsignor John P. Funk of Fisher; about fifty priests, including former pastors Father A. I. Merth of East Grand Forks and Father William Swanson, temporarily of Bagley; and a large crowd of relatives, out-of-town friends, and parishioners.

Father Thomas Montgomery of Greenbush, a former assistant priest in St. Bernard's Parish, gave the sermon, using as his theme the holy priesthood. St. Bernard's choir, under the direction of Mrs. Richard Mabey, sang the Mass effectively.

Following the jubilee Mass a dinner in Father Patnode's honor was served in the parish hall by members of St. Bernard's Guild, under the chairmanship of Mrs. R. J. Dryden, for the visiting clergy, relatives, and friends. Included among the relatives present were Father Patnode's mother, Mrs. Charles Patnode of Red Lake Falls; his brother Paul of Bemidji; and his sisters, Mrs. Micheal Sombienek (Alice) of Winona, Mrs. Joseph Malerich (Rebecca) of Akeley, Mrs. James Kaster (Marguerite) of Minneapolis, Mrs. John Corman (Marie) of Minneapolis and Lucie of Washington, D. C.

Father Emmet Shanahan, acting as master of ceremonies, presented Bishop Schenk, who gave an informal talk. The younger children of St. Bernard's School, grades one through four, performed at the afternoon program, presenting "Hymn to the Infant of Prague"; a piano logue, "The Three Bears"; "Ten Little Indians"; and a choral reading, "Sacerdos Alter Christus."

Benediction in St. Bernard's Church at 7:30 that evening was followed by a public reception in the church hall attended by approximately six hundred members of the parish and other friends. The older children of St. Bernard's school, grades five through eight, provided the major portion of the evening's entertainment with a hymn by the boys' chorus; a reading, "I'se Bad," by Margaret Reopelle; choral reading by the sixth grade; a dialogue, "Dolly Has the Flu," by Sheila DeMars and John Houfek; square dancing by the fifth and sixth grade children; and as final hymns, "Silver Bells" and "Ave Maria" by the girls' chorus. Jack Quesnell, in fine style, delivered an oration entitled, "Our Living Constitution."

A former resident of Red Lake Falls, Father Patnode was ordained at St. John's Seminary, Collegeville, June 1, 1930, by Bishop Joseph Busch, then ordinary of St. Cloud. Before coming to Thief River Falls as pastor in 1932 he was stationed at St. Francis Xavier church in Oklee, and previous to his assignment there he served as an assistant at St. Philip's church in Bemidji.

Father Patnode will leave by plane July 15 on a month's trip to Europe. Points of interest to be included in his itinerary are Paris; the Shrine of Our Lady of Lourdes; Rome, where, if possible, an audience will be arranged with His Holiness, Pope Pius XII; Florence; Assisi; Geneva; then back to Paris, where he will enplane for the trip home.

BE WISE and PROTECT YOUR CROP AGAINST HAIL

WHY? — Because you have an investment in seed, gas, fertilizer and labor with a good prospect for a reasonably good crop this year.

Does it COST much? — No, the rate in this area is very reasonable and good terms can be made thru our office for payment of the premium.

IT IS BETTER TO HAVE IT AND NOT NEED IT, THEN TO NEED IT AND NOT HAVE IT

Two Collisions in City During Week

While Elmer R. Johnson, city, was driving across Third st. on Horace av. last Thursday afternoon, his car was struck on the rear fender by one driven by Glynn Bergdahl, city, going east on Third st. Damage to both cars was estimated by police at $150.

After making a U-turn on LaBree av. at Fourth st., a car driven by Mrs. Myrtle Lendobeja collided with a truck driven by Rudolph T. Rude, as the latter was backing away from its parking place at the curb. The car was damaged to the extent of $70, with none to the truck.

State Implement Dealers Regional Meeting June 15

Afternoon Session to Be followed by Dinner in Legion Club Rooms

A regional meeting of the Minnesota Implement Dealers' association will be held at the American Legion club rooms in Thief River Falls Wednesday, June 15.

Association President B. E. Sandberg of Granite Falls will preside at the meeting which is expected to attract over 100 implement dealers and their employes from this section of the state. This will be the eighth in a series of ten meetings that the association will sponsor during the second and third weeks of June.

H. C. France, an outstanding dealer from Tiffin, Ohio, will be the feature speaker at the evening dinner meeting. He will talk on "Dealership Relations". Briefly, his talk will cover an implement dealer's relations with other dealers, his customers, the manufacturing company he represents, his employes, and his association.

The owners and managers of implement firms will meet at 2:30 p. m. for a management workshop meeting. Mr. France will serve as moderator for this session.

Dealers who attend the afternoon meeting will be joined by their ladies, employes, manufacturing company representatives, and allied travelers for a dinner served at 6:45 p. m.

The Thief River Falls implement dealers who will serve on the host committee for the meeting are Ken Gustafson, Hilmer Lunke, Howard Krause, Cliff Thyren, O. E. Taxeraas, Roy Jorgenson and Wally Tunberg.

Father E. Paquin Succumbs Friday At Terrebonne

The Very Reverend E. J. Paquin, 60, pastor for 25 years at St. Anthony's Catholic church, Terrebonne, died suddenly Friday evening in the church at Terrebonne. A pontifical requiem Mass was celebrated at the Cathedral of the Immaculate Conception in Crookston today at 10:30 a. m.

The Mass was chanted by the priests of the diocese who are attending the annual clergy retreat at Mount St. Benedict. Interment will be in St. Lin, Quebec.

At 10 a. m. Friday a Pontifical Requiem Mass will be sung at Terrebonne in St. Anthony's Catholic church.

Father Paquin was born October 15, 1894 in St. Austin, Quebec, Canada. He completed his college and theological studies at Joliette and Montreal. He was ordained to the priesthood June 20, 1920 in the parish church of St. Lin, his home town.

Arriving in Minnesota in July 1920, Father Paquin was assistant pastor at St. Joseph's church in Red Lake Falls for one year. He has held successive pastorates at Fosston, Bagley, Oklee, Argyle and finally at Terrebonne where he served for a quarter of a century.

A member of the diocesan auditing committee he was also dean of the Red Lake county deanery.

Surviving relatives, all in the Province of Quebec, are his mother, Mrs. Helen Paquin; six brothers, Jude, Raymond, Leon and Phillas, Lionel, Amedee, and three sisters, Mrs. Mary Marreau, Mrs. Florence Magnan and Mrs. Albert Magnan.

Petterson Funeral Home in Red Lake Falls is in charge of arrangements.

C. L. Heinze, Area Pioneer Dies at 85

Had First Settled in Holt Community 58 Years Ago

Charles L. Heinze, 85, of rural Thief River Falls, a resident of this area 58 years, was claimed by death Monday in a local hospital. Final rites will be conducted Friday in Trinity Lutheran church with Rev. Otto Dale officiating. Interment will be made in the Holt cemetery.

Mr. Heinze was born February 1, 1870, in Slinger, Wisconsin, where he grew to manhood. In 1897 he moved to Holt where he purchased a farm, and was united in marriage in May, 1900, to Miss Alma Hanson. He disposed of his farm interests in Holt in 1923, and moved to a farm in Rocksbury Township where he resided. For the past twelve years Mr. Heinze has made his home with his son and daughter-in-law, Mr. and Mrs. Frank Heinze.

Surviving the deceased are one son, Frank of rural Thief River Falls; one sister, Mrs. Gusta Eberhardt of Milwaukee, Wisconsin; four grandchildren and several nieces and nephews. He was preceded in death by his wife, one son, three brothers and four sisters.

Mrs. Chas. Langer Succumbs; Rites Are Held Monday

Final rites were conducted Monday for Mrs. Charles (Julia) Langer at the Zion Lutheran church. Rev. Walter M. Pedersen officiated and interment was made in Greenwood cemetery. Mrs. Langer passed away June 1.

Born May 29, 1883 in Oslo, Minn., the deceased attended a rural school near Oslo. On June 3, 1907 she was married to Charles Langer. They established their home in this city that same year. She was a member of the Zion congregation and the ladies aid.

Surviving are her husband, six daughters; Mrs. Harry (Helen) Dahl, Mrs. LeRoy (Doris) Groslie of this city; Mrs. Agnes Swanson, Mrs. Violet Hammergren and Mrs. Ardith Street of San Diego; Mrs. Ione Johnson of San Francisco; one son, Morris of this city; two step sons, Walter Grothe of Pine City, Minnesota and Ernest Grothe of Chippewa Falls, Wisc.; 13 grandchildren and 7 great grandchildren; three sisters, Mrs. Ole (Hilma) Olson of Erskine; Mrs. Herbert (Ella) Hanson of Minneapolis; Mrs. L. S. (Lily) Greenwood of Rockford, Illinois; three brothers, Henry of this city; Albert of San Diego and John W. of Providence, Rhode Island. She was preceded in death by one son and two brothers.

Final Rites Are Conducted For Mrs. A. Holmaas

Mrs. Andrew Holmaas of Newfolden was claimed by death Friday in the local hospital. Final rites were conducted Tuesday at the Bethlehem Lutheran church of Newfolden, with Rev. Gordon Berntsten and Rev. G. P. Ronholm officiating.

Mrs. Holmaas was born May 1, 1882 in Montevideo. As a small child, she came here with her parents, who homesteaded in Newfolden township, Marshall Co.

She was married to Andrew E. Holmaas at Warren, December 17, 1902. Following their marriage they homesteaded and settled on a farm in Marsh Grove township, Marshall Co, where they had made their home until 1946 when they moved to Newfolden. She lived there until her passing. Mrs. Holmaas was baptized and confirmed in the Lutheran faith.

Surviving are her husband, Andrew; five sons and two daughters; Elmer and Stanley of Newfolden; Willard of this city; Arthur of Washington D.C.; Emil of Two Harbors and Alice Knutson and Violet Holmaas of Newfolden; one brother, Emil Strokke of Grand Forks; two sisters, Mrs. Helga Engebretson of Grand Forks and Mrs. Hjalmer (Emma) Johnson of this city.

Harry Ellingson left Tuesday for his home in Long Beach, California after spending a week with his mother, Mrs. Oscar Ellingson.

Hay Day to Be Staged at Oen Farm June 17th

Sponsored by the Thief River Falls Chamber of Commerce, the first annual Hay Day will be held Friday, June 17, starting at 10 a. m., on the Oen Bros. farm three miles south of Thief River Falls on the airport road.

Local implement dealers will give demonstrations of hay machinery during the day, the implements including balers, forage harvesters, mowers, dryers, side delivery rakes and bale loaders. Also to be open to inspection are a number of fertilizer test plots.

Ray Wolfe, publicity specialist with the U. of M. extension service, will serve as master of ceremonies, and educational talks will be given by Ralph Wayne and Rodney Briggs, also of the extension service.

Box lunches will be provided by the Lincoln high school chapter of the Future Farmers of America.

The name "portland cement" comes from the Isle of Portland, off the coast of England. The gray color of cement resembles that of the stone which was quarried on the isle in the early 1800's.

orial service in the lodge room at 9:30, in which departed members from all Minnesota lodges will be honored.

The elaborate Elks parade will get under way Saturday at 1 p. m. at Lincoln high school, and will include the Crookston, St. Paul Elks and Rochester drum and bugle corps, and the Fargo Elks, Mankato Elks and Bemidji high school bands; and the Legion municipal, Lincoln high school and Shrine Oriental bands of Thief River Falls, in addition to numerous floats by local civic, fraternal and business' organizations.

Laurel Schuster, parade committee chairman, announced that the line of march will be from the high school to Main av., north to Third st., east to LaBree av., south to Second st., east to Horace av., north to Third st.; and east to the Eagles hall.

Other Saturday events include the third annual Joppru rodeo at 2:15, a social hour at the Elks club from 5 to 6, and the convention banquet at 6:30 in the National Guard armory.

President Manderfeld of the state association will call on Bob Carlson, exalted ruler of the Thief River Falls lodge, to introduce honored guests at the dinner, following which L. W. Rullen will take over as toastmaster. He will present as guest speakers Sam Stern of Fargo, past grand exalted ruler of the Elks; and L. A. Donaldson, Chicago, grand secretary of the B. P. O. E. Dancing at the Elks club will follow the banquet.

Scheduled for Sunday at 10 a. m. is a trap shoot at the golf course, and a brunch and milk party in the lodge rooms at the same hour for those planning on attending church services.

Elks' wives, many of whom will accompany their husbands to the convention, will share in all the entertainment features arranged for the delegates, and will also be guests at a lilac luncheon to be held in their honor in the Eagles auditorium Friday afternoon at 1 o'clock.

Announcer at Rodeo June 11-12

Hobart Normand of El Paso, Texas, who will do the official announcing at the third annual Thief River Rodeo to be presented at Joppru's, one mile northwest of the city, Saturday and Sunday afternoons. Normand has a record of rodeo competition as a background for his work as an announcer and in recent years he has officiated at several of the country's outstanding contests.

"There is a very great difference between a rodeo and a wild west show," Normand told a Times reporter. "A rodeo is an athletic contest. Only contestants of proven ability are permitted to compete and the contestants must pay an entry fee for the privilege of competing. The contestants will be out to win a share of about $2,500 of prize money in the two afternoons of competition here."

the men of Company F on their fine appearance, and said he noted that their ranks included a number of war veterans. He pointed out the necessity of maintaining a strong military establishment to meet the threat from the totalitarian powers but added that the armory is dedicated also to civilian pursuits.

Following the program, open house was held to give visitors an opportunity to inspect the immaculate quarters, and coffee and doughnuts were served thru the courtesy of the American Legion and VWF posts.

Mr Mead also officiated in his usual competent manner as toastmaster at the banquet which preceded the exercises, and he introduced the large number of guests, including the governor, National Guard officers, and district, county and city officials.

Governor Freeman spoke briefly, telling of his excellent impression of Thief River Falls and stating that the "roots of freedom and democracy are found in communities such as this. The program opened with the invocation by the Rev Walter M. Pedersen, and also included music supplied by Bob Sjulestad, accordionist.

Many Ribbons Given at Brown Swiss Show Held Here Saturday

With 30 or more cattle competing for ribbons, a successful Brown Swiss show sponsored by Canton No. 7 was held Saturday on the Central school grounds in Thief River Falls. Serving as judge was Harold Searles, U. of M. extension dairy specialist.

Gerald Yonke of St. Hilaire showed what was adjudged the best group of cattle, and also won first place for bulls three years and over, as well as senior and grand champion bull and first for cows four years old.

Wilhelm Haugen of Argyle won first for bull calves, junior champion bull, aged cow five years or over and senior champion female. Other winners included heifer calves, Carol Ann Yonke, first; Wilhelm Haugen, second; and Mary Rantanen, third; junior yearling heifer, Linda Ann Tollefson, Red Lake Falls, first; and F. D. Quigley, St. Vincent, second.

Senior yearling heifers, Ronald Tollefson, first; and Haugen second; cow, two years old, Ronald Tollefson, first; and Ed Novak, Warren, second; junior and grand champion female, Carol Ann Yonke; senior and junior get of sire, Ronald Tollefson.

In connection with the show, judging contests were held for adults, juniors and for local businessmen. In the latter group, James Parkins proved to be the best posted, winning first place, followed by R. S. Eidevik, second, and Cliff Bjorkman, third.

Omer Nesland won the adult event, with Arthur Haugen placing second and Elmer Lofstrom third. The junior judging event was won by Jerry Haugen, with Carol Ann Yonke second and Roger Novak third.

Two Collisions in City During Week

While Elmer R. Johnson, city, was driving across Third st. on Horace av. last Thursday afternoon, his car was struck on the rear fender by one driven by Glynn Bergdahl, city, going east on Third st. Damage to both cars was estimated by police at $150.

After making a U-turn on La Bree av. at Fourth st., a car driven by Mrs. Myrtle Lendobeja collided with a truck driven by Rudolph T. Rude, as the latter was backing away from its parking place at the curb. The car was damaged to the extent of $70, with none to the truck.

State Implement Dealers Regional Meeting June 15

Afternoon Session to Be followed by Dinner in Legion Club Rooms

A regional meeting of the Minnesota Implement Dealers' association will be held at the American Legion club rooms in Thief River Falls Wednesday, June 15.

Association President B. E. Sandberg of Granite Falls will preside at the meeting which is expected to attract over 100 implement dealers and their employes from this section of the state. This will be the eighth in a series of ten meetings that the association will sponsor during the second and third weeks of June.

H. C. France, an outstanding dealer from Tiffin, Ohio, will be the feature speaker at the evening dinner meeting. He will talk on "Dealership Relations". Briefly, his talk will cover an implement dealer's relations with other dealers, his customers, the manufacturing company he represents, his employes, and his association.

The owners and managers of implement firms will meet at 2:30 p. m. for a management workshop meeting. Mr. France will serve as moderator for this session.

Dealers who attend the afternoon meeting will be joined by their ladies, employes, manufacturing company representatives, and allied travelers for a dinner served at 6:45 p. m.

The Thief River Falls implement dealers who will serve on the host committee for the meeting are Ken Gustafson, Hilmer Lunke, Howard Krause, Cliff Thyren, O. E. Taxeraas, Roy Jorgenson and Wally Tunberg.

Father E. Paquin Succumbs Friday At Terrebonne

The Very Reverend E. J. Paquin, 60, pastor for 25 years at St. Anthony's Catholic church, Terrebonne, died suddenly Friday evening in the church at Terrebonne. A pontifical requiem Mass was celebrated at the Cathedral of the Immaculate Conception in Crookston today at 10:30 a. m.

The Mass was chanted by the priests of the diocese who are attending the annual clergy retreat at Mount St. Benedict. Interment will be in St. Lin, Quebec.

At 10 a. m. Friday a Pontifical Requiem Mass will be sung at Terrebonne in St. Anthony's Catholic church.

Father Paquin was born October 15, 1894 in St. Justin, Quebec, Canada. He completed his college and theological studies at Joliette and Montreal. He was ordained to the priesthood June 20, 1920 in the parish church of St. Lin, his home town.

Arriving in Minnesota in July 1920, Father Paquin was assistant pastor at St. Joseph's church in Red Lake Falls for one year. He has held successive pastorates at Fosston, Bagley, Oklee, Argyle and finally at Terrebonne where he served for a quarter of a century.

A member of the diocesan auditing committee he was also dean of the Red Lake county deanery.

Surviving relatives, all in the Province of Quebec, are his mother, Mrs. Helen Paquin; six brothers, Jude, Raymond, Leon and Philias, Lionel, Amedee, and three sisters, Mrs. Mary Marreau, Mrs. Florence Magnan and Mrs. Albert Magnan.

Petterson Funeral Home in Red Lake Falls is in charge of arrangements.

C. L. Heinze, Area Pioneer Dies at 85

Had First Settled in Holt Community 58 Years Ago

Charles L. Heinze, 85, of rural Thief River Falls, a resident of this area 58 years, was claimed by death Monday in a local hospital. Final rites will be conducted Friday in Trinity Lutheran church with Rev. Otto Dale officiating. Interment will be made in the Holt cemetery.

Mr. Heinze was born February 1, 1870, in Slinger, Wisconsin, where he grew to manhood. In 1897 he moved to Holt where he purchased a farm, and was united in marriage in May, 1900, to Miss Alma Hanson. He disposed of his farm interests in Holt in 1923, and moved to a farm in Rocksbury Township where he resided. For the past twelve years Mr. Heinze has made his home with his son and daughter-in-law, Mr. and Mrs. Frank Heinze.

Surviving, the deceased are one son, Frank of rural Thief River Falls; one sister, Mrs. Gusta Eberhardt of Milwaukee, Wisconsin; four grandchildren and several nieces and nephews. He was preceded in death by his wife, one son, three brothers and four sisters.

Mrs. Chas. Langer Succumbs; Rites Are Held Monday

Final rites were conducted Monday for Mrs. Charles (Julia) Langer at the Zion Lutheran church. Rev. Walter M. Pedersen officiated and interment was made in Greenwood cemetery. Mrs. Langer passed away June 1.

Born May 29, 1883 in Oslo, Minn., the deceased attended a rural school near Oslo. On June 3, 1907 she was married to Charles Langer. They established their home in this city that same year. She was a member of the Zion congregation and the ladies aid.

Surviving are her husband, six daughters; Mrs. Harry (Helen) Dahl, Mrs. LeRoy (Doris) Groslie of this city; Mrs. Agnes Swanson, Mrs. Violet Hammergren and Mrs. Ardith Street of San Diego; Mrs. Ione Johnson of San Francisco; one son, Morris of this city; two step sons, Walter Grothe of Pine City, Minnesota and Ernest Grothe of Chippewa Falls, Wisc.; 13 grandchildren and 7 great grandchildren; three sisters, Mrs. Ole (Hilma) Olson of Erskine; Mrs. Herbert (Ella) Hanson of Minneapolis; Mrs. L. S. (Lily) Greenwood of Rockford, Illinois; three brothers, Henry of this city; Albert of San Diego and John W. of Providence, Rhode Island. She was preceded in death by one son and two brothers.

Final Rites Are Conducted For Mrs. A. Holmaas

Mrs. Andrew Holmaas of Newfolden was claimed by death Friday in the local hospital. Final rites were conducted Tuesday at the Bethlehem Lutheran church of Newfolden, with Rev. Gordon Berntsten and Rev. G. P. Ronholm officiating.

Mrs. Holmaas was born May 1, 1882 in Montevideo. As a small child, she came here with her parents, who homesteaded in Newfolden township, Marshall Co.

She was married to Andrew E. Holmaas at Warren, December 17, 1902. Following their marriage they homesteaded and settled on a farm in Marsh Grove township, Marshall Co., where they had made their home until 1946 when they moved to Newfolden. She lived there until her passing. Mrs. Holmaas was baptized and confirmed in the Lutheran faith.

Surviving are her husband, Andrew; five sons and two daughters; Elmer and Stanley of Newfolden; Willard of this city; Arthur of Washington D.C.; Emil of Two Harbors and Alice Knutson and Violet Holmaas of Newfolden; one brother, Emil Strokke of Grand Forks; two sisters, Mrs. Helga Engebretson of Grand Forks and Mrs. Hjalmer (Emma) Johnson of this city.

Harry Ellingson left Tuesday for his home in Long Beach, California after spending a week with his mother, Mrs. Oscar Ellingson.

Hay Day to Be Staged at Oen Farm June 17th

Sponsored by the Thief River Falls Chamber of Commerce, the first annual Hay Day will be held *Friday, June 17, starting at 10 a. m.*, on the Oen Bros. farm three miles south of Thief River Falls on the airport road.

Local implement dealers will give demonstrations of hay machinery during the day, the implements including balers, forage harvesters, mowers, dryers, side delivery rakes and bale loaders. Also to be open to inspection are a number of fertilizer test plots.

Ray Wolfe, publicity specialist with the U. of M. extension service, will serve as master of ceremonies, and educational talks will be given by Ralph Wayne and Rodney Briggs, also of the extension service.

Box lunches will be provided by the Lincoln high school chapter of the Future Farmers of America.

The name "portland cement" comes from the Isle of Portland, off the coast of England. The gray color of cement resembles that of the stone which was quarried on the isle in the early 1800's.

orial service in the lodge room at 9:30, in which departed members from all Minnesota lodges will be honored.

The elaborate Elks parade will get under way Saturday at 2 p. m. at Lincoln high school, and will include the Crookston, St. Paul Elks and Rochester drum and bugle corps, and the Fargo Elks, Mankato Elks and Bemidji high school bands; and the Legion municipal, Lincoln high school and Shrine Oriental bands of Thief River Falls, in addition to numerous floats by local civic, fraternal and business organizations.

Laurel Schuster, parade committee chairman, announced that the line of march will be from the high school to Main av., north to Third st., east to LaBree av., south to Second st., east to Horace av., north to Third st.; and east to the Eagles hall.

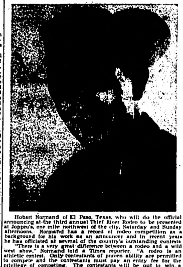
Other Saturday events include the third annual Joppru rodeo at 2:15, a social hour at the Elks club from 5 to 6, and the convention banquet at 6:30 in the National Guard armory.

President Manderfeld of the state association will call on Bob Carlson, exalted ruler of the Thief River Falls lodge, to introduce honored guests at the dinner, following which L. W. Rullen will take over as toastmaster. He will present as guest speakers Sam Stern of Fargo, past grand exalted ruler of the Elks; and L. A. Donaldson, Chicago, grand secretary of the B. P. O. E. Dancing at the Elks club will follow the banquet.

Scheduled for Sunday at 10 a. m. is a trap shoot at the golf course, and a brunch and milk party in the lodge rooms at the same hour for those planning on attending church services.

Elks' wives, many of whom will accompany their husbands to the convention, will share in all the entertainment features arranged for the delegates, and will also be guests at a lilac luncheon to be held in their honor in the Eagles auditorium Friday afternoon at 1 o'clock.

Announcer at Rodeo June 11-12



Hobart Normand of El Paso, Texas, who will do the official announcing at the third annual Thief River Rodeo to be presented at Joppru's, one mile northwest of the city, Saturday and Sunday afternoons. Normand has a record of rodeo competition as a background for his work as an announcer and in recent years he has officiated at several of the country's outstanding contests.

"There is a very great difference between a rodeo and a wild west show," Normand told a Times reporter. "A rodeo is an athletic contest. Only contestants of proven ability are permitted to compete and the contestants must pay an entry fee for the privilege of competing. The contestants will be out to win a share of about $2,500 of prize money in the two afternoons of competition here."

the men of Company F on their fine appearance, and said he noted that their ranks included a number of war veterans. He pointed out the necessity of maintaining a strong military establishment to meet the threat from the totalitarian powers, but added that the armory is dedicated also to civilian pursuits.

Following the program, open house was held to give visitors an opportunity to inspect the immaculate quarters, and coffee and doughnuts were served thru the courtesy of the American Legion and VWF posts.

Mr. Mead also officiated in his usual competent manner as toastmaster at the banquet which preceded the exercises, and he introduced the large number of guests, including the governor, National Guard officers, and district, county and city officials.

Governor Freeman spoke briefly, telling of his excellent impression of Thief River Falls, and stating that the roots of freedom and democracy are found in communities such as this. The program opened with the invocation by the Rev. Walter M. Pedersen, and also included music supplied by Bob Sjulestad, accordionist.

Home Freezing Tips

Here are some tips in home freezing for you from J. D. Winter and Shelly Trantaneller of the University of Minnesota frozen foods laboratory.

You can enjoy the tang of fresh rhubarb pie next winter if you'll freeze some of the bright red stalks of rhubarb from your garden this spring. But here's a word of caution: If you want the highest quality, pick and freeze it early in the season. Tests at the University of Minnesota frozen foods laboratory show that success in freezing rhubarb depends in large measure on time of harvesting. For freezing it should always be picked before hot weather. After that, it tends to get tough and bitter.

Rhubarb is one of the easiest garden products to prepare for freezing. For pies, simply wash and cut the stalks into inch lengths. Fill moisture-vapor-proof containers such as polyethylene bags, label with name and date of product and freeze. For sauce, the flavor of the rhubarb is a little better if the rhubarb is packed in a sugar syrup, using 3½ cups sugar to 4 cups water, or pack in dry sugar using 1 cup sugar to 4 cups of rhubarb.

• • •

Must Scald Vegetables

Many homemakers are asking if they can't omit the scalding process when they prepare such vegetables as asparagus, beans and corn for freezing. The answer is "No!" Experiments at the University of Minnesota frozen foods laboratory show that vegetables that aren't scalded lose much of their original color and flavor and take on an unpleasant, straw-like taste. Unscalded vegetables also lose ascorbic acid—or vitamin C—much more rapidly during storage than the unscalded ones. So, if you want your frozen vegetables to be edible next winter, better scald them before freezing. Follow the specific timetables for scalding each vegetable as given in Extension Folder 156, "Freezing Fruits and Vegetables."

For Dairy Month

Dairy month is here, and to celebrate, why not try Baked Alaska with a new twist. To make it, use any type of ice cream desired, preferably one with color. Spread it to a thickness of about an inch and a half in a square cornered glass baking dish. Cover this carefully and put into the freeze chest to re-harden. When ready to serve, prepare a stiff meringue, using 2 tablespoons sugar to each egg white. Spread this over the ice cream to cover it completely, and place it under the broiler for just a few seconds or until the meringue is golden brown. Cut in squares and serve at once. This is easier than making a baked Alaska and many people find it even more tasty because it eliminates the cold layer of cake. Women especially like it.

South St. Paul Livestock Market Report—Monday

STEERS AND HEIFERS: Quality of the slaughter steers proved quite attractive, there being a large showing of Choice grade on hand. Bulk of the Choice steers cleared at $21.50-22.50, including a load of 1,269 lb weights, as well as 1,075 lb. averages at $22.50. A part load of mostly average-Choice 1,243 lb. slaughter steers landed at $23.00 and a two-load shipment of Choice 1,236 lb. steers secured $22.75. Good steers turned at $19.00-21.00, Utility and Commercial $14.00-17.50. Good and Choice heifers cashed at $18.00-21.50, a load of 821 lb. weights noted at $21.50. Utility and Commercial heifers cashed at $13.50-17.00.

COWS: Scarcity of cows again proved to be the main bullish factor in that section of the trade. Utility and Commercial cows had a bulk spread of $13.50-16.00. Canners and Cutters sold largely at $10.00-12.50, beefy Cutters at $13.00. Anything selling below $10.00 was of doubtful health.

BULLS: Cutter and Utility bulls brought $14.00-15.50, while Commercial and Good cleared at $13.00-13.50. Canner bulls were taken at $11.00-13.00.

VEALERS AND CALVES: Today's steady vealer market left Good to Prime to continue to bulk at $18.00-22.00. Commercial grade offerings sold at $14.00-17.00. Cull and Utility bringing $10.00-13.00.

STOCKERS AND FEEDERS: Most of the stocker and feeder supply again consisted of Common and Medium stock steers selling at $13.00-16.00. A load of Good and Choice around 800 lb. stock steers brought $20.50 and another part of 768 lb. weights went at $20.00.

THE PUBLIC STAKE IN MINNESOTA IRON MINES

Lowest average employment in Minnesota iron mines in recent years was 1947 with 13,652 on the payrolls, highest 1953 with an average of 18,454. Wages paid out went from $39,789,000 the earlier year to $100,171,000 in '53. Taxes paid climbed from $25,279,000 in '47 to $51,837,000 in '53, dropping back to $40,867,000 in '54. Despite an increase in average hourly wages, production workers dropped from a high of $92.14 per week in '53 to $82.34 in '54, because of decreasing demand in the steel centers.

Pennington Board Buys Fuel Oil for the Court House

Confers with Several Delegations Tuesday on County Ditch Projects

The Pennington county board at its June session Tuesday awarded to the Western Oil & Fuel Co. the contract to supply fuel oil for the court house next winter on its bid of 11.63 cents per gallon.

The Dakota Maid warehouse here, lowest of four bidders, was awarded the contract to supply brush and weed killer chemical for use on county ditches and roadsides on its bid of $6.28 a gallon.

The board appropriated $1,250 for the support of the county library system operated thru the Carnegie public library. The figure represents an increase of $250 over the amount voted for 1954.

A delegation of Hickory township residents conferred with the board relative to the construction of a new ditch at the east end of the county on the reservation line. It was arranged to discuss the matter more fully at a later meeting. Several other delegations brought up problems relating to drainage, and these were referred to the county engineer for study.

Engineer Joseph Seidel submitted an amended report on the improvement of County Ditch 35, following which a preliminary hearing was set for Thursday evening, July 7, at 7:30.

Pennington Rural Youth Members at S. Dak. Session

The Pennington county Rural Youth group was represented at the annual Western Regional Rural Youth conference, held June 3, 4, and 5 at South Dakota State college in Brookings, South Dakota.

Attending from Pennington County were Phyllis Nelson of Thief River Falls, Lorraine Iverson of Hazel, and Harry Loggans of Rocksbury.

States taking part in the conference included Minnesota, Wisconsin, North and South Dakota, Iowa, Kansas, Nebraska, and Missouri. Approximately 220 Rural Youth members and leaders attended.

The program included workshop sessions on program planning, party planning, courtship, marriage, and crafts; speakers on the theme topic, "We Build the Ladder By Which We Climb" and recreation.

One of the speakers was the Rev. Joseph Hylden, of Edgely, North Dakota, formerly of Thief River Falls. Reverand Hylden is a member of the board of directors of the National Committee on Rural Life.

Pennington county Rural Youth members may also attend Minnesota Rural Youth Camp being held this weekend at Camp Ihduhapi, Loretto, Minnesota.

WE "WOODN'T" HAVE BELIEVED IT, BUT . . .

We all like to think of Minnesota as a state with beautiful trees and vast rich timberlands. Comes University "Forestry Notes" to disillusion loyal citizens with the statement that Minnesota manufacturers of wooden boxes, crates, and barrels import most of the wood they use! Low-priced Douglas fir from the west coast has driven Minnesota woods out of the barrel shooks market. More than half the wood used in boxes for which aspen and cottonwood are suitable, comes from outside the state. Almost all the veneer logs we use in fruit boxes, however, originates in the state. The possibility of small-scale Minnesota charcoal production is being explored. Thawing northern streams and lakes signal the start of a huge "log jam" en route to M&O Paper mills—about 72,000 cords of spruce, poplar, and jack pine by four different water routes.

Good Pasture Makes More Milk

Two cows on an acre of top quality pasture can produce over $50 worth of milk a month. That takes a good pasture, are your pastures that good? They can be—if only you'll treat your pasture land as carefully as you treat the wheat and barley land and give it the fertilizer and other care it requires.

Here are some pasture facts from Ralph Wayne, Extension Dairyman at the University of Minnesota: A cow must eat about a hundred and sixty pounds of grass a day to maintain herself and still produce 30 to 35 pounds of milk a day. On good pasture, she should produce about one thousand pounds of milk a month. At $2.75 a pound, this would be $27.50 worth of milk a month.

Now, two cows can get their days fill on an acre of good pasture and thus boost the total value of milk produced on that acre to over $50 a month.

Having a top quality pasture usually means taking some of the good cultivated land and seeding it to a good pasture mixture, says Wayne. And fertility of pasture land must be kept high, just as for a grain crop. But, even good pastures must be well managed to compete with cash grain land in the good cash grain areas of northern Minnesota. Thus, where a farmer thinks of taking good grain land and putting it into pasture, he needs to plan on giving that new pasture the top care in order to give it the ability to make him much profit as grain would.

Another point to remember is it's surprising how much farther good pasture will go in a three or four field rotation system—one that lets some of the pasture rest while the other part is being pastured. Many dairymen in Pennington county are now using such a system with excellent results.

No doubt, some of your neighbors have a good pasture management systems. Why not stop in some day and see what they're doing.

Dairy Day June 14

4-H dairy project members are working overtime in Pennington county to get their dairy claves in shape for Dairy Day, June 14. This event is truly one of the highlights of the year for dairy project members. Because the boys and girls put so much effort in their Dairy Day exhibit, it would be worth your while to attend this event.

4-H CLUB NEWS

Highlanding 4-H Club

The Highlanding 4-H club held its regular meeting in the Highlanding Hall Wednesday, May 25. The program consisted of project talks by Jimmy Appelman on pigs and by Vernon Hovet on sheep. Harold Skreland read some jokes and Roger Hovet gave a reading. Bill Penning showed slides on cattle. After the meeting, everyone joined in square dancing.

Lunch was served by Mrs. George Hovet and Mrs. G. Skreland.

New Solem 4-H Club

The New Solem 4-H club decided that no one would enter the talent contest. The good grooming contest was also discussed. The contestants are Judy Anderson and Wayne Dahl, under twelve; and Martha Uggerud and Jerry Sabo, over twelve.

The 4-H club tour is to be June 29.

The program consisted of a reading by Carolyn Copeland, project talk by Elaine Hellquist and readings by Gail Aasby and Virginia Copeland.

After the program, games were enjoyed and lunch was served by Mrs. Lloyd Anderson.

PUBLIC OPINION

Editor's Prompt Response

Pennington county's burping boozers doubtless are encouraged by the trend reflected in the editor's very prompt response to the official announcement of an election, July 11, to determine whether sales of hard liquor shall be prohibited or continue to be legalized here. It seems that slaves to the bottle may count on assistance from some public servants who go to hat openly and who plan behind the scenes to help insure that legality's aroma shall be mixed with less desirable odors which the liquids in question unfailingly produce.

Indeed, we should be happy if the editor and his column would volunteer help in the crusade "back to prohibition!" Leadership in this direction is a forward march. In this instance, however, as I view it, the issue is not prohibition, as such; rather, the present question concerns the future legality to dispense hard liquor for public use. We appreciate that the editor invites thorough discussion of this topic.

"Our county's toll of casualties due to traffic in liquor during the past eight years completely overshadows anything which enemies to prohibition may charge against it. Young people have gone to untimely graves. There are maimed crippled lives, broken hearts and homes, blasted reputations, collapse of moral restraint, unsafe highways and streets, tragedies in traffic and other accidents which are directly traceable to easy acquisition of hard liquor.

Occasionally, there are instances of smuggled drugs and narcotics. What, if due to this illegal traffic, the ban (prohibition) on such items were lifted? What would happen of trading in marijauna should be sanctioned by law? What would result if the public could purchase narcotics without prescription? Why should hard liquor be easy to obtain? Why should that product be legalized for public use? Why turn loose on the public an article which has potentials of mass destruction? No good but "only evil continually" results in and to a community whenever this demon is dignified with a license. Why plead for the blood revenue which such sales are said to bring? Has such revenue during past eight years halted or hiked the taxes?

Yes, many of us favor the forward march, "Back to Prohibition?" As for now, we shall deal with the present issue; we oppose making legal for public use the sales of damaging hard liquor.

Traffic in liquor never makes sense. Lust and greed are behind the propagation of it. There is no defense for legalizing it and for making the product available. We hope sensible people, unselfish people who have the public's welfare at heart, will see this.

Respectfully submitted
Leonard W. Lindholm, pastor

Jaycees Hear Talk by Stuart McLeod

Chairman of Dairy Day Tells History of Event

A regular meeting of the Thief River Falls Junior Chamber of Commerce was held last Thursday evening in the Rex Cafe. A dairy month theme was carried out during the meeting, and guest speaker, Stuart McLeod, presented to the members a history of dairy day. McLeod stated that Dairy Day in Minnesota was first started in Thief River Falls and that this celebration is still the largest Dairy Day in the state.

Committee reports were heard, and several films were shown on the subject of water safety. The local chamber also made plans to participate in the Jaycee Junior golf tournament to be held at Fergus Falls by sending two high school students from Thief River Falls, to represent the local chamber.

The next meeting of the organization will be in the form of a picnic meeting, to be held at the Riverside Tourist Park. All Jaycees and their wives or lady friends, and all former Jaycees are invited to attend.

New Officers of Legion Take Over

Post Votes to Invite Two 1956 Conventions

Newly-elected officers of Ecklund-Holmstrom post of the American Legion were installed by Ninth District Commander O. T. Johnson of Bagley Tuesday evening. Those installed were: Commander, Harlan Elseth; 1st vice commander, W. G. Mayes; 2nd Vice, Kenneth Halldin; 3rd vice, Clarence Peterson; 4th vice, Erwin Ferber; finance officer, Ellsworth Jorgenson; chaplain, Lars Wold; executive committeemen, M. C. Gulbranson and Alex Cloutier.

The post voted to entertain bids for the 1956 Ninth District Legion convention and the International War Veterans Alliance convention. Plans are to run both conventions concurrently, probably next June.

Delegates to the 9th district convention at Bagley include Commander Elseth, Ellsworth Jorgenson, M. R. Leverson, Gordon Nohre, Harold M. Johnson, Gust Schilbred, and Clarence Peterson.

Thieves and Warroad Play Here Thursday

The senior baseball Thieves, after having been idle since Memorial Day, when they defeated Ole Swanson's Roseau Cloverleafs in an exhibition tilt, will move into action this week when they play a pair of games on the Fair Grounds diamond.

On Thursday night, June 9th, the Thieves will play the Warroad Lakers of the Lake of the Woods league, in an exhibition game that will be one of the attractions of the Elks state convention. On Sunday night, June 12th, the league-leading Alvarado Farmers will open the Thieves' "home" schedule when they engage the locals in a Red River Valley loop game.

For Thursday night's game here against Warroad, an effort has been made to secure the services of Warren's righthanded Dickie Palmer to hurl for the Thieves against the Lakers, but at this writing Palmer had not confirmed the pitching date.

The Warroad Lakers, who have, times without number, been champions of the Lake of the Woods league, and participants in numerous state baseball tournaments, will be making one of their infrequent appearances on the local diamond when they play here on Thursday night. The rivalry between the Thieves and the Lakers, which has continued on an off-again on-again basis for a number of years, has always produced interesting and exciting baseball, and the respective managers, Berdeen Nornes of the Thieves and Tony Stukel of the Lakers, can be depended upon to "go all out" to rack up a win tomorrow night.

TRF Legion Jrs. Whip Warren 17-0

Three Local Pitchers Give up Only Four Hits

The local American Legion junior baseball team, coached by Ralph Skjod, opened its 1955 schedule on Tuesday evening when, in a twilight game played on the Fair Grounds diamond, they scored a 17 to 0 win over the Warren juniors.

The local hurlers, righthander Bobby Hallamack who pitched four innings, southpaw Keith Johnson who pitched a couple of innings, and Lefty Freddy Johnson who tossed the final inning, gave up but four hits in marking up the shutout. The local team played errorless ball, while the Warren juniors were charged with eight miscues. Freddy Dahlow banged out a pair of line singles to pace the locals' eight-hit attack on a trio of Warren pitchers.

The local juniors are scheduled to play at Argyle on Thursday, but that game will be on a tentative basis pending the outcome of the eighth regional tournament at Cass Lake. A number of the local players are also members of the Prowler high school baseball squad.

Prowlers and Bemidji Meet in Region Tilt

Two Teams Scheduled to Play Today in 1st Round of Cass Lake Tourney

As the Times goes to press today, Wednesday, coach Ralph Skjod's baseball Prowlers, the district 31 champions, will be engaged in a first-round regional tournament game against the Bemidji Lumberjacks, the district 29 champions, at Cass Lake.

The first round game, between the Prowlers and the Lumberjacks, was scheduled to begin at 10:30 a. m. At 2:00 p. m. the Karlstad Rabbits, with a veteran lineup, will meet the Fertile Falcons in the other semi-finals tilt.

The regional championship game will be played at 2:00 p. m. on Thursday afternoon on the Cass Lake diamond, and the winner of that game will represent the region in the state high school tournament that will be played at Rochester next week. According to the state pairings, the region eight champions will play the region four champions at 4:00 p. m. on Wednesday, June 15th.

Coach Skjod and his Prowlers left town this morning at 6:15 a. m., and hoped to arrive at Cass Lake, a distance of 125 miles, in time to engage in a lengthy limbering-up drill. The starting assignment for the important first-round game will probably be given to righthander Sid Vraa. In his last start, against Red Lake Falls in the 31st district finals, Vraa hurled a two-hit shutout over the nine inning route.

Coach Horace May's Bemidji Lumberjacks, who gained a regional tourney berth by defeating Park Rapids, 6 to 0, in a 29th district finals game at Bemidji on Tuesday evening, are well-supplied with righthanders to send against the Prowlers this morning. Bill Lawrence, Clark Corky Johnson, and Jack Whiting comprise the Jacks pitching staff. Whiting, who participated in the state high school track and field meet in Minneapolis on Tuesday, being a regional entry in the hurdle events, is expected to be available for today's game.

The Fertile Falcons, behind the two-hit pitching of Gene Sipe, defeated McIntosh, 14 to 0, on Monday to win the 30th district championship, and will meet the Karlstad Rabbits of the 32nd district in a 2:00 p. m. game today.

The Pharmacy team, with four of its members in the 25's, featured the May 26th round of shooting in the Thief River Trap league, posting a team total of 122 to win their third straight match to continue to hold down first place in the league standings. Scoring 25's for the Pharmacy squad last week were Ole Ekeren, with a 21-4; Tony Dorn with an 18-7; Russ Embury, with a 20-7; and Stan Ranum, with a 19-7.

The defending league-champion Wilson Bros. squad, with three shooters posting 25's, also scored a 122-point total, defeating the Amungaard-Lunke squad. Stan Wilson had a 21-4; Cy Schantzen had a 22-4; and Roy Peterson had a 19-8. Everett Amundgaard marked up a "25" for the loser, having a 20-8.

This week's shoot will be featured by the match between the league leading Pharmacy and the second place Times squad.

The attractive club house has been completed, and following the league matches tomorrow evening, the league shooters will be served lunch.

Keeping Score with "Huck" Olson

Thieves' Home Opener

If the schedule had been rigged on purpose it's doubtful if a more attractive "home" opener for Thieves could have been arranged than the game that is slated for Sunday night, when the Alvarado Farmers play the locals on the Fair Grounds diamond.

Over the past several years, the Farmers, with their Bergmans, their Hagglunds, their Larsons, have proved stubborn opponents for the Thieves. Last year, it will be recalled, the Thieves and the Farmers, on the Alvarado diamond, engaged in a 16-inning marathon, which was finally won by the locals by a 9 to 7 score.

This year, with Alvarado, under the capable direction of Charley Picken, leading the Red River Valley league with three wins and no losses, the Farmers will be tougher than usual. Lefty Don Hagglund, who limited the Crookston to a lone hit in last Sunday's 8 to 1 win for the Farmers, will probably be given the starting assignment against the Thieves. Manager Berdeen Nornes of the Thieves will have a number of pitching choices available, with righthander Gene Leslie or southpaw LeRoy Aasland being favored for the starting role.

The Thieves, who haven't been in action since their Memorial Day exhibition game win over Roseau, will meet the Warroad Lakers in an exhibition tilt on the Fair Grounds diamond on Thursday night, June 9th. The game, which will mark one of the few times that the Warroad club has played the Thieves on the diamond here, will be one of the features of the Elks state convention being held here on June 9th, 10th and 11th.

Golf Day Results

Of the contingent of local golfers that participated in the National Golf Day competition on Saturday, six—Mrs. Jean Heille, Dr. M. G. Johnson, Emil Larson, Lloyd Bennes, Bob Wurst, and Jon Larson—were successful in beating the scores posted by Patty Berg and Ed Furgol.

Mrs. Heille, with a handicap of 32, carded scores of 49-49, having a low net of 66, to easily beat the score turned in by Patty Berg. Emil Larson, with a 43-45, had a net of 68; Lloyd Bennes, with a 43-40, had a net of 69; Dr. Johnson, with a 42-49, had a net of 71; Bob Wurst, with a pair of 42's, had a net of 70; and Jon Larson, with a 49-44, had a net of 69. These five golfers bettered the mark of 72 that was carded by National Open champion Ed Furgol playing the Olympic course in San Francisco. Golfers who tied Furgol's 72 were John Moum, L. L. Tygeson, and Stan Larson.

While much good will, golf wise, was created on Saturday by the National Golf Day competition, some of this good will was rubbed off by the fearsome foursome that played the local course on Sunday. As the boys say, such bickering and backering was seldom heard as when Plummer's Wally DuChamp and Emil Larson played Phil LeGault and John Glick in a partnership match.

The rules of golf, and its etiquette, surely received a mauling. For instance, the lefthander of the foursome, arguing that the local course was designed primarily for righthanded golfers, contended that he, the southpaw, should be given the privilege of teeing up his ball in the rough; another member of the foursome, claiming that he is of English descent, maintains that he is entitled to use an English ball off the tee; and another member of the foursome, who uses glasses, claims that, as a matter of common courtesy, he should be allowed to use a new and white ball when he reaches the green.

About the only thing that the boys didn't argue about was who had the longest ball off the tee, for that, without fail, belonged to John Glick, who was hitting the ball a quarter-mile. There's one thing about the foursome of which we are certain and that is, after listening to the boys in the clubhouse, we know that they can't improve on their lies.

Oh yes, John Moum states that the city golf league will start on Wednesday evening, that's today. There's quite a number of golfers who have signed up to team membership, but John said that any golfer wishing to join a club should sign up at the pro shop. The league was a success last year, and it should be a golf-interest builder again this season.

Fine for Ducks

The "duck-hunting" weather that has prevailed the past ten days has certainly crimped the activities of the city's anglers. High winds, rain, roiled water, and various atmospheric disturbances have combined to keep the walleyed pike fishermen indoors and grumble-some.

We were on Lake of the Woods on Saturday, fishing out of Morris Point, and a discouraging trip it proved to be. Four of us fishing about six hours, caught fourteen walleyes, and none of them were of bragging size. Harry Hendrickson, his daughter Sharon, and Eddie Fillatrault were up there too, but their luck wasn't any better; and Tony Dorn and his wife Teddy were out "boat-riding" on Saturday, too.

About the only spot that has been a consistent "producer" this season is the Waskish and Shotley brook areas on Upper Red Lake. Limit catches of walleyes have been the rule. Olaf Jorde was up there on Sunday, fishing the lake out of the Upper Red Lake Resort, and he stated that the party of five filled up in a hurry. And so voracious were the walleyes that they even struck on daredevil lures, for the boys, after filling on walleyes, were trying to catch a northern or two and the walleyes continued to strike.

The river fishing here has slackened considerably, too, but this, perhaps, is due to the roily condition of the water, and when the Red Lake and Thief rivers clear up a bit, the fishing should improve.

Youth Sentenced in District Court

Darryl Peterson Ordered Committed to St. Cloud

A petit jury in Pennington county district court, after deliberating for nearly five hours last Thursday, returned a verdict holding Darryl Peterson, 19, guilty of attempted carnal knowledge, involving a girl under the age of 14.

Judge J. H. Sylvestre of Crookston, who presided over the term, senticed the youth to the Youth Conservation commission at St. Cloud for the maximum term provided by law, seven years, or until discharged by the YCC.

A panel of 18 extra names was drawn to provide a jury to hear the case, the last on the calendar, making a total of 49 called for duty. The jurors were dismissed late Thursday afternoon.

Farm Bureau Sets up Butter Cake Baking Contest

An additional incentive has been added for wider participation in the butter cake contests being held this month in Pennington county, Mrs. Edwin D. Hanson, chairman of Farm Bureau Women's committee, stated.

Besides representing Pennington county at the district meet as the butter cake queen, the winner will also receive the 1955 colored picture edition of the Betty Crocker cook book with the compliments of General Mills, Inc.

District winners will compete at the state bake-off to be held at a later date, Mrs. Hanson reported. Copies of the rules and lists of awards can be secured from her.

The series of elimination contests are a portion of the Dairy promotion drive to increase consumption of dairy products. Fifty-six counties have already made plans for community and county contests.

Charley Picken's Alvarado Farmers, defeating the hapless Crookston Pirates, 8 to 1, at Alvarado on Sunday afternoon, moved into the "driver's seat" in the Red River Valley loop standings, having a record of three wins and no losses to hold down first place. Howard Johnston's Red Lake Falls Lakers, edging out the Viking Oilers, 4 to 3, gained second place in the league standings, having a two wins and one loss record. The Thieves vs. Argyle Maroons game, scheduled to have been played at Argyle, was postponed because of wet grounds and threatening weather.

This week's slate finds a couple of top-flight games on the bill, with the league-leading Alvarado Farmers meeting the Thieves in a night game on the Fair Grounds diamond at Thief River Falls; and the Red Lake Falls Lakers playing the Maroons at Argyle. The third game on Sunday's schedule will find the Crookston Pirates playing Rube Rosendahl's Oilers at Viking.

Outstanding Calves to Be Awarded Dairy Day to '54 Champions

The two purebred calves that will be presented at Northwest Dairy Day June 14 to grade winners of 1954 will be richly bred calves with the type and production that make them real herd builders.

To Kenneth Anderson of Kennedy will go the calf purchased by the Northwest Dairy Day committee, and it comes from the Lincoln Schroeder herd, Rochester, Minn. This calf is from a two-year old heifer that has produced 321 pounds of fat in 235 days on test this year and is sired by a son of Pabst Raven. The dam of the calf was a first prize winner at the Minnesota state fair.

To Gary Erickson of Badger will go the purebred calf purchased from Nelson Bros. of Hallock. This calf, purchased by Gary's father, Andy W. Erickson, is from one of the high producing cows in the Nelson Bros. herd. Her dam has records of 538 pounds of fat, 607 pounds and 625 pounds of fat all 305 day records in Dairy Herd Improvement ass'n. The dam is now ten years old and still a good producer.

Two calves will be presented this year since Gary was first prize winner last year but stepped aside due to the fact that two of his brothers had previously been awarded purebred calves at the show. Gary's father offered to buy the calf himself, so that the association award would go to the next winner, Kenneth Anderson of Kennedy.

Princess Entries Named in Marshall

Three Marshall county girls were selected to represent the Marshall county cooperative creameries in the Princess contest of Northwest Dairy Day to be held June 14 in Thief River Falls.

Barbara Carlson and Theresa Kuznia, sponsored by the Argyle Co-op. Creamery and Donna Lindquist, sponsored by the Newfolden Creamery, were selected at a contest held May 28 at Newfolden. This contest was previously sponsored by Marshall county 4H clubs and was just transferred to the creameries this year.

Appropriations by Legislature Total 325 Million

Taxpayers Association Cites Huge Increase in Spending in Recent Years

A record high for state appropriations was established by the recent Minnesota legislative session when the total spending program reached $325,492,922. This compares to $306,830,285 appropriated at the session two years ago, according to the Minnesota Taxpayers Association.

That state government costs are pyramiding at a unprecedented rate is shown in comparing the 1955 appropriations with those of the 1947 session, only eight years ago, when $155,751,164 was appropriated.

The 1955 appropriations are 109 per cent or $169,741,758 higher than those of the 1947 session.

While the state income tax school fund appropriations were only $51,308,821 at the 1947 session, they increased to $147,468,326 at the recent 1955 session. This is $8,040,306 higher than the 1953 session and $96,159,505 greater than the 1947 session, almost three times as high as the 1947 session.

General revenue fund appropriations at the 1955 session were $103,477,458 or up $9,387,472 from the $154,089,986 appropriated at the 1953 session.

The 1955 session increased total appropriations by 6.1 per cent over the 1953 session, the Minnesota Taxpayers association pointed out in a legislative report just issued. These figures were obtained from the Legislative Research Committee of the State of Minnesota.

Naturalist to Be on Duty Shortly at Itasca State Park

Donald Lewis to Conduct Nature Walks and Auto Caravans Starting June 20

Visitors to Itasca state park will be given plenty of opportunity to study the flora and fauna of this popular state recreational area this summer. Donald Lewis, staff member of the University of Minnesota and Itasca park naturalist, will, for the 9th consecutive year, conduct trail walks, car caravans, lecture and otherwise keep those who are interested in nature's wonders busy and informed. Starting about June 20, Don will organize and lead 4 trail walks each week. Two of these walks will start from Douglas Lodge and 2 from the camp grounds.

Last year 1,464 park visitors took part in this guided exploration. On the outlook for interesting and unusual sights along the lakeshore and through woods an average of 32 men, women, boys and girls enjoyed the commentary supplied by their guide on each trip.

Older and less physically active guests up for the conducted auto caravans. By actual count, 1,698 nature devotees last season availed themselves of these tours.

The more independent spirited nature students find real enjoyment and profit in the "self-guiding nature trail." The late Dr. Thomas S. Roberts pioneered this trail. It is plainly marked and no guide is necessary. It is two miles and begins and ends at Douglas Lodge. Free guide booklets are available at the lodge which describe the more than 100 marked items. More than 4,000 Douglas Lodge and park guests followed the Roberts nature trail in 1954 or about 300 per week.

In the evening, natural history selected conservation films are shown in the Forest Inn Auditorium. These lectures and movies are attended by park guests and visitors from nearby resorts.

Greenbush Sheep Days June 10 & 11

Junior, Senior Shearing Contests Feature Event

Hundreds of sheep producers from Minnesota points will converge on Greenbush on June 10 and 11, when the Minnesota sheep producers will present their annual Greenbush Sheep Days.

Highlights of the two-day celebration and educational meeting will be a free shearing school; an educational meeting on Friday afternoon with a post mortem being conducted on sheep to locate internal parasites and demonstrate diseases; a banquet on Friday evening attended by leading sheep and market men from the state; 4-H and FAA judging contests Saturday morning with individual winners receiving yearling ewes as prizes, senior shearing contest with the winner receiving savings bonds and being crowned Minnesota champion; a junior shearing contest; a fitting contest to prepare sheep for showing; a wool fleece contest, and a dance in the evening at the village hall.

The two days will be crowded with activity and hundreds of dollars in prizes will be given. All desiring to enter the shearing contests are directed to check with their county agents.

The shearing contests will be conducted under international rules, under which the prize goes to the careful shearer and not the fast one.

The junior shearing contest is limited to those not over twenty years of age, and who have sheared no more than two years professionally.

Highway Patrol Holding School for 50 Rookies

More than 50 would-be state highway patrolmen are expected to be on hand for the opening of the patrol's recruit training school next Monday morning at the University of Minnesota's research center at Rosemount, according to Paul R. Martz, chief of the state highway patrol.

The school will last a minimum of nine weeks and will be under the supervision of Capt. Vern Trapp, Brainerd. Members of the patrol will serve as instructors in the various studies designed to prepare the candidate for vacancies in the expanded patrol force.

Chief Martz also announced the applications are being received until June 17 for promotional examinations within the patrol to fill vacancies in the ranks of inspector, captain and sergeant. Members having at least three years service are eligible to be considered for these promotions.

SIXTH ANNUAL DAIRY DAY

Northwestern Minnesota's sixth Annual Dairy Day will be held here Tuesday. It is encouraging to know that after five years of experience this interesting program is still vigorous and very full of life.

Dairy Day has been successful because the importance of the dairy industry in the economy of this area has been generally recognized. It is a forward-looking program that already is showing good results; an investment in the future that will pay increasingly large dividends thruout the years.

The past year has not been a good year for the dairy farmer in terms of cash returns. In terms of adjustment to the needs of a peacetime economy however it has been a year of substantial progress.

The surplus problem is being solved. During this past year per capita consumption of butter has increased a half a pound and industry leaders predict another half-pound increase in the coming year. For the first time in a long time butter sales are now increasing faster than oleo sales and a normal market for all dairy products is predicted for the near future.

The dairy cow has been the most dependable producer of dollars in our territory. Dairy Day is helping to make more dependable that important source of our income.

TAKING A NEW LOOK

Congress has decided to take a new look at the farm price support program. That appears to be the sensible thing to do.

Obviously the old 90 per cent of parity guarantee for the five basic crops, in its present form, is not a satisfactory solution. Cotton growers, for instance, are discovering that they are losing their world market. Being priced out of world competition, the reduced acreage they are permitted to grow to meet the limited demand of the domestic market, is putting this branch of agriculture out of business.

That the present program is not satisfactory to the growers themselves was brought out recently by a statement by the senior Senator from the state of Mississippi, suggesting that cotton growers probably would be better off if price and production controls were dropped altogether.

Wheat, corn and cotton are now the problems in the control program. They account for approximately three-fourths of Uncle Sam's ten billion dollar investment in farm products. Our huge surpluses of these products must be reduced and the reduction can be accomplished only by drastic cuts in production.

Wheat growers will decide this month on the question of acreage controls for next year. Under the present law there is no reasonable alternative to the more drastic acreage cuts that are being recommended. The control law, in its present form, is not providing a satisfactory solution and it is well that Congress has decided to re-examine the entire problem.

GOOD SUGGESTION

In the neighborhood of $300,000 was appropriated by the 1955 Legislature for interim committee expenses. These committees are formed to study various problems of state government. Their reports will be helpful in preparing the measures that will be considered by the 1957 session.

Interim committee studies have proven to be an effective means of overcoming the limitations of a short legislative session. By this device the legislature actually works the year around.

In discussing this development the St. Paul Pioneer Press has suggested that these committees would be more effective if their reports were made available earlier, possibly several months before the convening of the regular session. It is true that many of these reports are submitted too late to be thoroughly digested and because of this their effectiveness is diminished. The suggestion is a good one.

A GOOD RESULT

Several months ago Dag Hammerskjold, secretary-general of the United Nations, traveled to China for the purpose of securing the release of four American airmen being held as prisoners of war. There was general disappointment when he returned without definite assurance that his request would be granted. It was another mission that had failed.

Now the four Americans, finally released, give much credit to the secretary-general and his visit to the Chinese as an important factor in the securing of their liberty. No one knows of course why the Chinese finally came to the conclusion that the Americans should be freed. We may assume that the decision was prompted by considerations of self-interest. That decision may have been influenced by Bandung or the British election or possibly by the coming meeting in San Francisco.

It is good to know that, whatever the other reasons may have been, the United Nations was helpful in bringing about a good result, peaceably. And, incidentally, the good result, by peaceful means, was probably due in part to the fact that we have in Washington a government that remained calm in this trying situation and did not heed the hot heads who were all for dropping bombs at once.

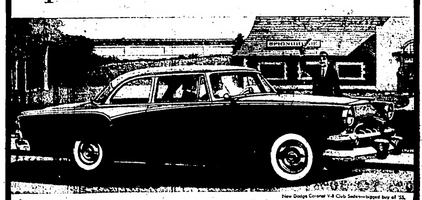
NOW! This Big Dodge V-8 priced below several small 6's!



New Dodge Coronet V-8 Club Sedan—biggest buy of '55.

This one's so hot you're going to have to see it yourself before you believe it.

It's a brand new model in the Dodge line: A big, roomy 6-passenger sedan with the dashing *Lancer* trim that's the high-style note for 1955! And its power plant is the Dodge aircraft-type V-8 that holds more records for performance, stamina and endurance than any standard production engine on the road.

But here's the news that will really make you sit up and take notice! This luxurious Dodge Coronet V-8 Club Sedan is priced within the range of the small car 6's. Yet it's up to 17 inches longer . . . with luxury, comfort and riding ease to match the costliest cars.

If you'd like to *step up* to the big-car class, yet keep costs down, come in and find out about this new Dodge Coronet V-8 Club Sedan.

Captain Frank L. Swaim judges automobile gasoline the way he judges aviation gas . . .
IT'S PERFORMANCE THAT COUNTS!

"My regular job is piloting a United Air Lines DC-7. On most of my flights we use Phillips 66 Aviation Gasoline. It's high-performance stuff, and one reason it's so good is Di-isopropyl.
"Phillips has started putting Di-isopropyl in automobile gasoline, too. They call it 'FLITE-FUEL' . . . and I use it regularly in my car. It gives wonderful performance."

Flite-Fuel puts the Accent on Performance!

If it's top performance you want, fill up with powerful new FLITE-FUEL. Both new FLITE-FUEL and new Phillips 66 Gasoline have been fortified for increased power, higher octane, longer mileage. Remember, the one real test of motor fuel is: how it performs in your car. Try a tankful at your Phillips 66 Dealer's.

From where I sit ... by Joe Marsh

Sad Note From The Bugle

All of us on the Clarion were alarmed to learn that our principal rival in the newspaper field—the Balesville Bugle—might have to shut down.

Crops were bad in Balesville last year and one of their factories moved out of town. Just temporary hard times, of course—but the Bugle needs help now if it's to survive.

So, this paper is going to scrape up a little money to help tide them over, and we hope other local concerns will do the same. We've seldom agreed with them editorially over the years—but we want their competition to keep us on our toes.

From where I sit, this country needs papers with different points of view—just as it needs people with different ideas and tastes. You may prefer iced tea as a hot-weather cooler . . . I generally choose a cold glass of beer. But if either of us couldn't express his opinion, and act on it, that would be "bad news" for the whole community.

In the foreground, a new Mercury Montclair hardtop Coupe shows its low silhouette. Accelerating up the 28% grade, another shows its high power.

NEW LOW IN SILHOUETTE
NEW HIGH IN POWER

The new Montclairs are the highest styled, highest powered Mercurys ever built. Only 58½ inches high! 198 horsepower with dual exhausts!

Ever notice what happens when folks get together in the good old American custom of talking cars?

Sooner or later—they get around to the new Mercury Montclair. And to a flock of superlatives that haven't been heard in years about any car.

MERCURY'S TOP OF THE LINE

This is a dream on wheels. 58½" high—or should we say low? A whole foot-and-a-half wider than it is high. A luxuriously long silhouette. And you can choose from four stunning models. The brand-new four-door Sedan, the hardtop Coupe, the Convertible, or the Sun Valley with transparent roof panel.

And there's horsepower to spare—198 horsepower in this new SUPER-TORQUE V-8 engine. Pickup and passing power is up as much as 30% over last year's Mercury.

ONLY MERCURY GIVES YOU ALL THESE FEATURES

Dual-exhaust is standard on the Montclair. There's ball-joint front suspension, and a 4-barrel vacuum carburetor. Plus the widest choice of power features in its field, including Multi-Luber. (Push a button on the dash and vital steering and suspension points are automatically lubricated!)

NOW'S THE TIME TO BUY

Right now—we've a good supply of Montclairs. And right now—we're trading high. Come in for a look—a trade-in figure on your old car—and a demonstration of the Mercury Montclair. You'll never go back to any other kind of car!

HICKORY

Mrs. Ingeborg Bjornaraa returned Monday from a weekend trip to Minneapolis where she attended the christening of her granddaughter, Selma Ingeborg, daughter of her son Sigurd of Anita, Col. She was accompanied here by Sigurd and his wife, formerly of Minneapolis, and their two daughters, who will visit relatives here during June. Buddy and Twyla Bjornaraa of Johnson township also attended the christening service which was conducted by Rev. Arndt Halvorson of University Lutheran Church of Hope at the home of Mr. and Mrs. Dreng Bjornaraa in Minneapolis.

Congratulations to Mr. and Mrs. Ernest Mostrom who are the parents of a baby girl born on Friday. They named her Debra Renae.

$870 Million Fire Loss in U. S. in '54

Total Is 3.6 Per Cent Less Than Previous Year

The nation's fire losses in 1954 totalled $870,984,000, it was reported at the 89th annual meeting of the National Board of Fire Underwriters in New York City. This is 3.6 per cent less than that for 1953, when estimated monthly losses totalled $903,400,000.

According to the report, the number of fires in urban areas totalled 845,118, a decrease of 8 per cent from 1953, when they totalled 918,304. A refinement of this figure showed that building fires decreased 4.2 per cent, dropping to 399,182 from the previous year's total of 416,543.

Further analysis indicates that of these 399,182 building fires, a total of 289,379 were in residences and amounted to a decline of 1.8 per cent from the previous year, when they totalled 294,737.

Sixty Bankers to Receive Tribute at State Meeting

Nearly 60 bankers will be honored for their past accomplishments in the field of banking during the 65th annual convention of the Minnesota Bankers association in Minneapolis, June 13-15.
